Textbook: Isaacs, *Geometry for College Students* (Required)

Course Objectives: Axiomatic development of Euclidean geometry. Students will become familiar with important methods and theorems in plane geometry including Ptolemy's Theorem, Ceva's Theorem and the Butterfly Theorem.

Course Activities and Assessment:

Homework: Homework will be assigned each class day and students will post solutions on a Blackboard Discussion Board. Students will be expected to post at least 10 solutions and will be assigned a grade for participation. Selected assignments may also be collected and graded.

Exams: There will be three mid-term exams as well as a final exam. All exams will be online and will take place 12:00-1:20 on a Tuesday or Thursday. Please do not schedule other activities such as work that conflict with this time. The final exam will cover the entire course and will be held Tuesday, May 10.

Course Grade: At the end of the semester, you will have percentage scores for your homework and for your mid-term and final exams. The homework and class participation will count 10%, each mid-term exam will count 20%, and the final exam will count 30% toward your course average. Grades will then be assigned according to:

A: 90-100% B: 80-89% C: 70-79% D: 60-69% F: 0-59%.

If you have problems with the course material, need to be absent for an exam, or have any other circumstances that may affect your performance in the course, contact me by phone or email as soon as possible.

Students taking the course for graduate credit will be required to submit an extra report in addition to the other requirements.

Drop policy: The deadline to drop with an automatic W is Friday, April 1. The Dean's Office of the College of Science will not approve any drops after that date.

Make-up Policy: Makeup exams will be given only in extraordinary and unavoidable circumstances and with advance notice to me by phone or email.

Attendance Policy: Students may be dropped from the class if they are not participating.

Academic Integrity Policy: You are expected to conform to the UTEP policy on integrity. See

<http://admin.utep.edu/Default.aspx?PageContentID=2083&tabid=30292>.

Disability Statement: If you have or suspect you have a disability and need an accommodation, you should contact the Disabled Student Services Office (DSSO) at 747-

5148 or at dss@utep.edu or go to Room 106 Union East Building. You are responsible for presenting to me any DSS accommodation letters and instructions.
Military Statement: If you are a military student with the potential of being called to military service or training during the semester, please let me know during the first week of classes and contact me as soon as possible if you do receive such an assignment.
