(IPPE – 3 hrs SIM / IPE: 0 hrs)

Course Coordinator, Instructor:
Jeri J Sias, PharmD, MPH, jjsias@utep.edu
Office Room 714
915-747-8599
Office hours: Mondays / Thursdays 11-11:50 am
   Wednesdays 8:30-9 am (#)

Course Instructor:
Susana V James, MFA, msjames@utep.edu
Office Room 516
Office hours: Tuesdays 12-12:45 pm
   Wednesdays 12-12:45 pm (#)

Teaching Assistant:
Fabiola Murillo, CPhT
Office Rm 516
Office Hours: (as announced in course) (#)

(#) Instructors will work to be available weekly at
the times provided above. Additional times may be
scheduled (by appointment)

**IPPE (Introductory Pharmacy Practice Experiences) Contact**
Vicki Howe, PharmD, BCPS / vlhowe@utep.edu; 915-747-8270

Office Hours
Students may attend regularly scheduled office hours without an appointment on a first-come, first-serve bases. Students may request an appointment with the coordinator in person or via e-mail. All appointments should be made at least 2 business days in advance.

*Questions related to the course in general and Blackboard® should be directed to the course coordinator, Dr. Sias, whereas content/topic-specific questions should be directed to the instructor.*

Course Description
This course is designed to provide professional Spanish communication skills for the pharmacist. Students will develop/refine their communicative proficiency in the use of the Spanish Language in the pharmacy/clinical settings with dominate Spanish speaking patients. Students will participate in language tasks through listening, reading, writing, and conversation.
The goal of this semester is to assist students with conversing about common conditions/diseases and various medications. Topics will include:

- Pharmacy terminology and introductions
- Clinical questions (subjective, objective, assessment, plan)
- Cultural perspectives/niceties

**Pharmacists’ Patient Care Process (PPCP):** Students will use the Pharmacist’s Patient Care Process throughout class to **communicate** and learn how to **collect** subjective/objective information from a patient and **implement** a basic education plan (including follow-up) to patients in Spanish.

**Course Learning Objectives (mapped to National Pharmacy Education Outcomes)**
*(Level of Assessment: I - Introduce, R - Reinforce, A - Apply)*

At the end of this course, students should be able to communicate in basic Spanish with a dominant Spanish-speaking patient as outlined in the objectives below:

<table>
<thead>
<tr>
<th>Course Objectives</th>
<th>CAPE Outcomes</th>
<th>PCOA</th>
<th>NAPLEX</th>
<th>Learning Activities</th>
<th>Assessment Measures</th>

**IPPE OBJECTIVES:** At the completion of the IPPE activity, students should be able to complete the objectives outlined below:

<table>
<thead>
<tr>
<th>IPPE/SIM Activity</th>
<th>Location/Date/Time</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>SIM 2 (Two) - 1.5 hr sessions</strong></td>
<td><strong>Two - Fish bowl Exams</strong></td>
</tr>
<tr>
<td><strong>Objectives:</strong></td>
<td><strong>Refer to course calendar</strong></td>
</tr>
<tr>
<td>• Apply patient interviewing skills in Spanish to collect subjective information</td>
<td></td>
</tr>
<tr>
<td>• Demonstrate comprehension by listening and documenting medical information in Spanish and English</td>
<td></td>
</tr>
</tbody>
</table>

**Questions Related to the Course and Grading/Exams**
In general, questions related to the overall course should be directed to the coordinator. **Content/topic-specific questions** should be directed to the content **instructor within five (5) business days** of the material being presented.
Any questions concerning assignments/exam grades should be discussed with the course coordinator within five (5) business days after the grades have been posted.

A good rule of thumb is to email the course coordinator and copy the course instructor for questions relating to the course.

Tutoring: Tutoring hours (part of Office Hours) are available by all instructors. Instructors are able to schedule additional time as appropriate. While students are encouraged to help each other with language acquisition, at this point, the only “approved” tutors for the course are the Spanish course instructors.

Students who have questions about course materials are encouraged to seek tutoring assistance quickly. With even 20-30 minutes of additional practice and language reinforcement each week via tutoring, the instructors expect that students can improve acquisition of the technical (pharmacy) language. Students may be asked to document their participation in tutoring.

Additional / Detailed Course Meetings & Location

Classes will take place in CABL building rooms: 504, 505, & 602 and will take place on Wednesdays from 1Pm for 80 min and 2:30P for 80 min unless otherwise noted on the syllabus for OSCE exams. Updates will be announced on Blackboard. Occasional class sections may be conducted together to facilitate learning activities. IPE activities may lead to a change in date/location of class and will be updated in course calendar.

In a major disruption (e.g., H1N1 epidemic, subzero weather), be prepared to maintain course progress via other means (e.g., Internet, our Blackboard course shell, etc.) and check your email (especially your UTEP miners account) regularly.

Online Platform/Blackboard:
Accessing Course Content on Blackboard: All lectures, handouts, and course material will be located in Blackboard. Log into My UTEP.edu and click on the Blackboard link to access the online course [PHAR 6125]. The course is individualized and students may access lectures/handouts as they are made available by course instructors. Except in cases of a UTEP network being “down” or “offline” you are ultimately responsible to ensure that your computer is connected to the internet and that any issues are addressed prior to class and/or assessments.

Online Assessment Requirements:
This course requires the use of ExamSoft® (or CORE ELMS®). Students are responsible for creating their online login within the first week of class. It is the student’s responsibility to maintain access to a reliable internet connection (with the rare exception of when UTEP’s systems are down).

If students cannot access your online account, please contact Adrian Enriquez (aalonso@utep.edu), to resolve this issue within five (5) business days of the first day of class. Students are responsible for ensuring they have access to the online assessment system. Mr. Enriquez is NOT available for questions or laptop failures/requests after business hours or on weekends.

Electronic exams that need to be downloaded should occur at a minimum of 2 hours prior to the examination to avoid a 10% grade penalty deduction. Repeated instances (> 1 time) of not downloading electronic exams will result in a referral to the professionalism committee on the SOP Progression Committee and additional 10% grade penalty deduction from the student’s earned exam score.

CORE ELMS Online Assessment Requirements:
This course requires the use of CORE ELMS and Blackboard. Students are responsible for ensuring they have access to CORE ELMS before the beginning of the IPPE/APPE. If you cannot access your online CORE ELMS account, please contact Alma Dominguez (arsaldana2@utep.edu) to resolve this issue. Assessments (e.g., assignments, quizzes, and exams) may be disseminated before the due date. This requires students to download the assessment using an internet connection. It is the student’s responsibility to maintain access to a reliable internet connection (with the rare exception of when UTEP’s systems are down).

Introductory Pharmacy Practice Experience (IPPE)
IPPE hours and activities have been assigned to this course. Students will be responsible to complete a total of 3 hours (all simulation) as part of this course. The IPPE requirements of the course (e.g. site assignments) will be coordinated by Dr. Vicki Howe with guidance from the Office of Experiential Education.

To guide this experience, students will complete a checklist/activity documenting the achievement of each learning objective. Specific information regarding these elements will be available to students in the Blackboard Course and
CORE ELMS as appropriate. All hours must be documented in CORE ELMS by the dates provided by the Office of Experiential Education or students may receive an incomplete for the semester grade (usually by end of business of the semester’s “Dead Day” for IPPE hours completed during the course and by the end of the day of the FINAL for IPPes related to the FINAL).

During the semester, students may be able to select IPPE slot preferences through CORE ELMS. Please refer to CORE ELMS for specific dates from which they may select to schedule IPPE hours. Experiential education experiences generally occur outside of class time, including evenings, weekends, and holidays. Additionally, IPPEs may be scheduled at other times of the day.

At all times during the IPPE, students are expected to follow OEE policies, including the dress policy, and maintain professionalism. Refer to the OEE handbook for details. Additionally, while at IPPEs, students are always expected to carry with them their Texas State Board Trainee Letter/Intern Card. Students must always have readily available electronically on CORE ELMS® the following: Unexpired BLS CPR Card, HIPAA Training Certificate, Bloodborne Pathogen, etc. Refer to OEE Handbook for a complete list. Failure to exhibit credentials will result in the student being asked to leave the pharmacy site. Eligibility to return to site is determined by the preceptor and the Experiential Program Director.

---

Methods of Instruction/Learning

The course coordinator may adapt the syllabus/course calendar to support student and course success.

The learning outcomes in this course will be achieved via:

1. **Outside Preparation and Homework** – students are expected to complete homework, review/study vocabulary/phrases and apply grammar tips
2. **In-class Cuéntame Practice/Dialogues** – allows for students to apply Spanish vocabulary and grammar concepts
3. **Oral Spanish presentations**
4. **Weekly Attendance/Competency Quizzes** – allows students to demonstrate the course ability outcomes and instructors to provide necessary feedback
5. **Vocabulary Quizzes** – completed online exams during class to reinforce vocabulary, phrases and selected grammar
6. **OSCE Exams** - Students participate in a “fish bowl” style exam with 1 student conducting a patient consultation with a patient actor while the remaining classmates complete a listening exam. All students in each section must conduct one patient consultation per OSCE. Students will complete a total of usually 12-13 listening cases per exam.
7. **IPPE Hours** - provides practice opportunities for course ability outcomes and allows students to practice evaluating and assessing patient cases, make therapeutic recommendations and document patient interactions

---

Required Course Technology/Tools/Needs

**Technology:** The following technology below will be used during the course and the student must have the appropriate technology and software.

1. ExamSoft®
2. Blackboard® (with Respondus®)

**Required Textbooks:**

1. *Spanish for the Pharmacy Professional* (Sias, James, Cabello C. de Martínez) - online
   **HARD COPY STRONGLY RECOMMENDED**
   Bookmark ONLINE available in APhA® PHARMACY LIBRARY. Bookmark the audio version of the Spanish dialogues found online through the American Pharmacists Association. Website: [http://www.pharmacist.com/learning-aids-spanish-pharmacy-professional](http://www.pharmacist.com/learning-aids-spanish-pharmacy-professional). Students are expected to listen to dialogues/conversations to assist with pronunciation and overall listening skills in preparation for class at their own pace. These audio clips may be downloaded as MP3 files.
   Bookmark ONLINE available in APhA® PHARMACY LIBRARY
3. Online resource for Patient Assessment in Spanish (may be printed
4. Spanish Dictionary (online)

**Recommended:**

The following text will be helpful for grammar:

- Basic Spanish Grammar, 6th Ed (Used: ~$5-New: ~$84)–Jarvis AC, Lebredo R, Mena-Avilon F
• Barron’s Spanish Verbs (~$12).
This text will help students to conjugate verbs for homework and study.

• Students may also use online resources to find grammar assistance
  o http://www.cdc.gov/spanish/
  o http://www.studyspanish.com/
  o http://www.practicingspanish.com/basics.html

Laptop Computer
• Students are expected to bring laptop computers to the class each day for participation in on-line exercises or assessments. It is the responsibility of the students to make sure that the laptops are in working condition and meets the University and School of Pharmacy IT requirements. (See SOP Student Handbook).

Evaluation and Grading Policy
Course point distribution will be as follows:

<table>
<thead>
<tr>
<th>Type of Assessment</th>
<th>Total Points</th>
<th>% Course Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Listening/Attendance</td>
<td>25</td>
<td>5%</td>
</tr>
<tr>
<td>Homework (Complete/not complete)</td>
<td>25</td>
<td>5%</td>
</tr>
<tr>
<td>Vocabulary Quizzes (2)</td>
<td>100</td>
<td>20%</td>
</tr>
<tr>
<td>Oral Presentation (2)</td>
<td>100</td>
<td>20%</td>
</tr>
<tr>
<td>OSCE Exams “Fish bowls” Oral &amp; Listening (2) SIM IPPE</td>
<td>250*</td>
<td>50%*</td>
</tr>
<tr>
<td>IPPE</td>
<td>--</td>
<td>(Pass/Fail)</td>
</tr>
<tr>
<td>Active Weekly Participation**</td>
<td>0**</td>
<td>0**</td>
</tr>
<tr>
<td>Cuénteme**</td>
<td>0**</td>
<td>0**</td>
</tr>
<tr>
<td>Total</td>
<td>500</td>
<td>100%</td>
</tr>
</tbody>
</table>

* Due to cumulative nature of the material, students will be expected to complete each fish bowl OSCE with at least 75% competency. If a student does not pass with a minimum of 75%, then they may be asked to complete tutoring with instructors or to retake the exam within 5 business days of receipt of grade. Exam retakes may only receive a maximum percentage of 75%.

**Reflects active participation and professionalism throughout class. Instructors will document participation each week during class. Lack of course participation may lead to a drop in letter grade.

Assignment of grades:
A = Demonstrate basic two-way verbal and listening communication and understanding of written technical Spanish when averaged with other grades
B = Demonstrate basic two-way verbal and listening communication and understanding of written technical Spanish when averaged with other grades
C = Demonstrate basic one-way verbal communication and understanding of written technical Spanish
D= Does not demonstrate minimal written, oral, or listening technical Spanish skills when averaged with other grades
F= Does not demonstrate minimal written, oral, or listening technical Spanish skills when averaged with other grades

Letter grades are assigned according to the following class percentage:
A = 90%  B=80%  C=70%  D=60%  F≤60%

Grades may be curved based on total class performance.

To help with language acquisition, each instructor may curve based on total class performance or provide extra credit. Extra credit would not exceed more than 2% of a course grade.

All Assessments will be administered via Blackboard® or ExamSoft®, unless noted otherwise.

It is the responsibility of the student to monitor his/her progress during the course and see that he/she is maintaining the required competency level. Students should seek advice and assistance from the course facilitator as soon as he/she encounters any difficulty in the course.
In-class Active Participation in Class and during Cuénteme: In-class dialogues and practice. Student participation is expected (unless excused absence). Points may be deducted from course grade for lack of participation (see “Evaluation and Grading”). Students are NOT excused from class for IPPEs from any course.

Weekly Listening Attendance/Competency Quizzes: Weekly quizzes document understanding and attendance. Quizzes will be held at the beginning of class. If a student arrives late, they will receive a “0” on the quiz.

**Homework:** Homework may be assigned weekly. Students are expected to turn in homework by the due date provided in class (or on Blackboard®). Each week grading of homework will be based on Incomplete (0 points), Partially Complete (50%), or Complete (100%). Student homework should represent their own effort and ability to learn the Spanish language.

**Vocabulary Quizzes:** completed online exams during class to reinforce vocabulary, phrases and selected grammar.

**Oral Spanish Presentations:** Short 2-6 minute presentations completed individually, in pairs or threes. These presentations may be recorded to assist in student language acquisition and grading.

"Fish Bowls OSCE” Exams (proportionate grade for each OSCE 60% oral / 40% listening/written):
The simulation structure of a “Fish Bowl Oral Skills Clinical Exam (OSCE)” will allow:
1. for a student, “inside the fish bowl,” to conduct an “interview” in Spanish with a dominate Spanish-speaking patient actor
2. for classmates, "outside of the fish bowl," to observe the student and patient “in the fishbowl” and use their listening skills and comprehension to collect and document the patient’s reported subjective information in English
3. These OSCEs may be recorded to assist in student language acquisition and grading.
4. To pass the course, students will be expected to complete each fish bowl with at least 75% competency (see “Evaluation and Grading”)

**IPPE hours and activities:** See above section on IPPEs.

**Unique Dress Policy for Course:**
Students are expected to dress professionally at all times (e.g. tie (male), no excessive jewelry, closed toed shoes, skirts/dressed above the knee, excessive perfume or cologne, well-groomed). Additionally, some sites may have specific dress requirements the student must follow (e.g. scrubs) It is the student’s responsibility to contact the site two weeks in advance to verify any site-specific requirements. Pharmacy student/intern white coat must be worn at all times during IPPE/APPE rotations.

In this course, pharmacy student/intern white coat, name badge, and professional attire must be worn at all times during IPPEs (SIM and SITE).

Credentials: Students are expected to carry with them at all times their Texas State Board Trainee Letter/Intern Card. Students must have readily available electronically on CORE ELMS® the following: Unexpired BLS CPR Card, HIPAA Training Certificate, Bloodborne Pathogen, etc. Refer to OEE Handbook for a complete list. Failure to exhibit credentials will result in the student being asked to leave the community pharmacy site. Return to site is determined by the preceptor and the Experiential Programs Director.

**Expectations of Students During Course**

**Attendance**
It is expected that students should demonstrate their commitment to the profession and respect for faculty, guest speakers, and colleagues by attending all classes and arriving to class on time prepared for the day's lesson(s).

Attendance is a class requirement. Attendance will be taken in the form of quizzes or class sign in sheets. Student absences must be cleared with course coordinator in advance. If more than one absence occurs without course coordinator approval, a letter grade drop will be given to the student.

If you have an excused absence, you should immediately notify the course coordinator and instructor. The doctor’s note or any other form in support of the excused absence should be provided to the course coordinator as soon as possible.

Who to contact/how document absence: Dr Jeri Sias via Blackboard® email at jjsias@utep.edu.

**Out of class preparation:**
Students are to review vocabulary, verbs, and dialogues prior to each class /quiz.

In class participation:
Active participation in group discussions and “Cuénteme” dialogues will assist students in language acquisition.

This course is connected to one or more of the following areas:
IPPE: Introductory Pharmacy Practice Experiences (IPPEs) that are incorporated within didactic classes will require mandatory attendance. This class has a total of up to 3 IPPE hours that the student completes.

Export Day Policy (OSCE)
Students must arrive on time for examinations. Students arriving after any student(s) has/have completed the exam and have left the classroom may not be allowed to sit for the exam, and may receive a score of zero.

No allowances will be made for an exam being missed, other than documented illness or emergency. The student must contact the course coordinator for confirmation prior to the exam. If permission is granted to delay the exam; it is the student’s responsibility to contact the course coordinator to arrange for an alternative exam time. In this event, the nature of the make-up will be at the discretion of the course coordinator (oral, written, increased weighting on the final, etc.). An unexcused absence from an exam may result in a grade of "zero" for that exam and will result in an extra 5% deduction of the total overall course.

Further details regarding OSCE exams and laptop set up will be provided to students at least one week prior to each OSCE. OSCE exams may require audio/video (Blackboard® Collaborate) recordings of student for documentation purposes.

Missed Quizzes / Exams / Assignments Policy
NO make-up examinations or quizzes will be given for an UNEXCUSED ABSENCE.
NO make-up pop quizzes will be given.
NO late assignments will be accepted for an UNEXCUSED ABSENCE.

Excused absences: If a quiz is missed, the points assigned to the quiz will be allocated to the next examination, e.g., percent score on exam will be used to compute the missing quiz score. Missing an examination may mean taking a make-up exam or using a process similar to missing a quiz.

Remediation Policies:
Student must participate in all assignments to be eligible for remediation. Other important factors are also considered. See student handbook for details.

General Statement about Course Policy
The syllabus is subject to change to meet course needs, especially if there are unexpected disruptions or changes in class size, resources, etc. The most updated syllabus can be found on the course Blackboard shell. It is the student's responsibility to review the syllabus periodically for updates.

UTEP and SOP Policy for Academic Integrity
Any student who commits an act of academic dishonesty is subject to discipline. The instructor is required to report all suspected academic dishonesty to the UTEP Office of Student Conduct and Conflict Resolution. Please refer to the Student Handbook for SOP guidance on academic integrity (see Table of Contents for Curriculum and Classroom Policies: Academic Integrity).

Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give unfair advantage to a student or the attempt to commit such acts.

Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures (HOP), and available in the Office of the Dean of Students and on the homepage of the Dean of Students at www.utep.edu/dos, may result in sanctions ranging from disciplinary probation, to a failing grade on the work in question, to a failing grade in the course, to suspension or dismissal, among others. (For more information, see: https://www.utep.edu/student-affairs/osccr/student-conduct/academic-integrity.html)
Professionalism and Professional Conduct
While enrolled at the University, a student neither loses the rights nor escapes the responsibilities of citizenship. Thus, UTEP and the SOP value professionalism and expect all students to not only acquire but also maintain the highest standards of professional attitudes and behaviors in their interactions with their fellow classmates, faculty, colleagues, and their patients, as described in the UTEP School of Pharmacy Student Handbook and as per UTEP’s student conduct policies (see https://www.utep.edu/student-affairs/osccr/student-conduct/index.html for further information). Any student who engages in conduct that is prohibited by the Board of Regents’ Rules and Regulations, University or SOP rules or by federal, state, or local law is subject to discipline whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct. Please refer to the Student Handbook for specific expectations regarding professional conduct in the SOP (see Table of Contents for Academic Progression: Good Standing: Professional).

Cell Phones
Students should carry cell phones, but keep the phone on the vibrate mode in the event students need to be notified by the emergency alert system. Cell phone use for the purpose of texting, email or social media is not permitted. This use is disruptive to fellow classmates, faculty and the learning environment. The use of a cell phone or the ringing of the phone in class is considered unprofessional behavior. No cellphones, calculators, laptops or other items may be used during an assessment (e.g., exam or a quiz) unless specifically as part of that assessment and approved by the faculty member/instructor.

All cell phones must be turned off before the beginning of the class. If a student forgets to turn it off, he/she will have to leave the classroom and may only return with the instructor’s permission. Cell phone disruptions during OSCE exams leads an automatic “0” on the professionalism/patient care grade.

Technical Assistance
Checking computer requirements and ensuring that all software up to date is essential for students to access course content. Supported browsers include –

1) For a PC: FireFox, Internet Explorer (Do NOT use IE7), and Chrome
2) For a Mac: Safari, Firefox, and Chrome

To enhance browser performance, students should clear the browser cache and allow pop-ups. In addition to testing the web browser, check to ensure that the computer has an updated version of Java (go to http://java.com, click on “Do I have Java”, click on “Verify Java Version,” update Java if needed). Additional browser plug-ins may also be needed to view some content that your instructor may share on the learning management system. Common plug-ins include: Adobe Reader, Flash Player, Windows Media Player, QuickTime. When creating documents, slide presentations, spreadsheets, etc., be sure to use Microsoft Office or a compatible program (see 10 Free MS Word Alternatives). The UTEP Technology Support Services (3rd floor, UTEP Library) can also provide students with any applications, compatibility packs, patches, and updates that may be needed.

Students working off campus may need to set up a Virtual Private Network (VPN) on their computer to access UTEP resources for this class (i.e., Library). The link below provides information in setting up a VPN connection depending on the operating system. Students may contact the UTEP Help Desk (915-747-HELP) for assistance (or https://www.utep.edu/technologysupport/ServiceCatalog/NETVPNGlobalProtect.html).

If technical problems are experienced with the course, students should contact the UTEP Help Desk during: Monday–Friday: 8AM – 5PM. If calling within UTEP: 915.747.4357. If calling from outside UTEP: 915.747.5257. For more information, please visit http://helpdesk.utep.edu. For help with Blackboard: https://www.utep.edu/technologysupport/ServiceCatalog/BB_Students.html.

In order for UTEP to provide a stable learning environment, Thursdays from 12:00–6:00am MST are reserved for minor preventive maintenance. This maintenance window is scheduled during the lowest usage time for the system. Blackboard may or may not be available during this time, depending on whether maintenance is necessary. Whenever possible, this time will be utilized to perform all minor maintenance. Unscheduled outages occur rarely, but they do happen. In the event of an unscheduled outage, Technology Support Services will confer with appropriate student and faculty networks to provide appropriate notifications to those affected.

Students can also visit an on-campus lab such as the ATLAS lab located within the Undergraduate Learning Center (UGLC building) for additional technical assistance. In addition to the various campus computer labs (ATLAS in UGLC or LACIT in Liberal Arts for example), Technology Support Services provides workstations for student use. To learn more, please visit: https://www.utep.edu/technologysupport/ServiceCatalog/BB_Students.html.
**UTEP and SOP Policy for Special Accommodations (ADA)**

“If you have or suspect a disability and need classroom accommodations, you should contact the Center for Accommodations and Support Services (CASS) at 747-5148.” You can also e-mail the office at cass@utep.edu or go by their office in Union Building East (Room 106). For additional information, visit the CASS website at http://sa.utep.edu/cass/

---

**Additional Information**

**Campus Concealed Carry:**
Effective August 1, 2016.  [https://www.utep.edu/campuscarry/](https://www.utep.edu/campuscarry/)

**Civility Statement:**
You are expected to follow basic standards of courtesy ([https://www.utep.edu/student-affairs/dean-of-students-office/community-of-care/index.html](https://www.utep.edu/student-affairs/dean-of-students-office/community-of-care/index.html)) and may be dismissed from class for blatant or sustained disruptive behavior.

**Student Support:**
UTEP provides a variety of resources for those in need (e.g., if you feel overwhelmed, stressed or dealing with a crisis):
- UTEP’s Counseling Center (free counseling to all students): 915-747-5302, which after-hours goes to a crisis line
- Mental Health Crisis Line: 915-779-1800
- National Suicide Prevention Hotline: 1-800-273-8255 / [suicidepreventionlifeline.org](http://suicidepreventionlifeline.org)
- **Veterans Crisis Line:** 1-800-273-8255 / [www.veteranscrisisline.net](http://www.veteranscrisisline.net)
- NAMI (National Alliance on Mental Illness) of El Paso: 915-534-5478 / [https://namiep.org](https://namiep.org)
- [http://caringeducators.tumblr.com/survival](http://caringeducators.tumblr.com/survival)

**Title IX:**
Title IX of the Education Amendments of 1972 (Title IX), prohibit discrimination on the basis of sex in education programs or activities operated by recipients of Federal financial assistance. Sexual harassment of students, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX. Sexual violence refers to physical sexual acts perpetrated against a person’s will or where a Detailed Course Meetings & Location

Classes will take place in CABL building rooms: 504, 505, 602, and will take place on Wednesdays from 1 to 3:20PM unless otherwise noted on the syllabus for OSCE exams. Updates will be announced on Blackboard®.

In a major disruption (e.g., H1N1 epidemic, subzero weather), be prepared to maintain course progress via other means (e.g., Internet, our Blackboard course shell, etc.) and check your email (especially your UTEP miners account) regularly.

**Online Platform/Blackboard:**
Accessing Course Content on Blackboard: All lectures, handouts, and course material will be located in Blackboard. Log into My UTEP.edu and click on the Blackboard link to access the online course for PHAR 6124. The course is individualized and students may access lectures/handouts as they are made available by course instructors. Except in cases of a UTEP network being “down” or “offline” you are ultimately responsible to ensure that your computer is connected to the internet and that any issues are addressed prior to class and/or assessments.

**Online Assessment Requirements:**
This course requires the use of ExamSoft® (or CORE ELMS®). Students are responsible for creating their online login within the first week of class. If you cannot access your online account, please contact Dr. Jessica Shenberger (jmshenberger@utep.edu) to resolve this issue. Students are responsible for ensuring they have access to the online assessment system. Assessments (e.g., assignments, quizzes, and exams) may be disseminated before the due date. This requires students to download the assessment using an internet connection. It is the student’s responsibility to maintain access to a reliable internet connection (with the rare exception of when UTEP’s systems are down).
