

# Astronomy 1308, Fall 2019

(CRN 11006)

TR 1:30 – 3:00 PM, LART 108

**Instructor:** Jorge A. López

**Coordinates:** PSCI 311, 747-7528, [jorgelopez@utep.edu](mailto:jorgelopez@utep.edu)

**Office hours:** Without appointment: TR 11:00 - 1:00 PM

With appointment: MW 1:00 - 4:00

## **Textbook:**

- *Lecture-Tutorials for introductory astronomy*, 3<sup>rd</sup> edition or newer, E. Prather et al.
- *Discovering the Universe*, 9<sup>th</sup> or 10<sup>th</sup> edition, by Comins and Kaufmann

## **Other references and materials:**

- Scientific calculator
- Smart phone, tablet or computer for iClicker in-class questions and quizzes

## **Course evaluation:**

- Weekly quizzes 70%
- In-class Clicker questions 10%
- Final exam 20%

Quizzes are of 20 min of duration, given every Thursday in the last 20 minutes of class. Final exam is comprehensive covering chapters 10-16 of Comins and Kaufmann.

**There will be no makeup quizzes.** Instead the lowest two test grades will be dropped. If you miss more than two quizzes and have proper justification (written evidence of medical urgencies, death in family, military duty, etc.) can arrange a re-test. Please do not request make up quizzes or send absence justifications unless you have missed more than two quizzes.

We will use the iClicker response system, please:

- 1) Register at <https://www.iclicker.com/> and sign up for ASTR 1308.
- 2) Login into your Blackboard and click on the icon

### **iClicker**

Dear ASTR 1308 students, please click this link to launch a special instance of iClicker, then log in or create a new iClicker account if you don't already have one. Signing into iClicker REEF through this link will allow me to synchronize your iClicker REEF scores with this Blackboard course.

**To participate you have to be present in class. Please do not login if you are not physically in the classroom, answering from a remote location will result in the loss of all previously earned points.**

## Course overview

- Chapter 10: Main features of the Sun, atmosphere, Sun spots and magnetic fields, interior, thermonuclear fusion.
- Chapter 11: Main features of stars, magnitudes, stellar distances, temperatures of stars, spectral classification, the HR diagram, luminosity classes, binary systems and stellar masses, main sequence stars.
- Chapters 12 & 13: Star formation, main sequence, variable stars, evolution of low and high-mass stars, Chandrasekhar limit, red giants and super-giants, white dwarfs, supernovae, neutron stars, black holes.
- Chapter 14: Black holes, relativity theories, inside a black hole, evidence for black holes, gamma ray bursts.
- Chapters 15 & 16: The Milky Way galaxy, Galactic components, stellar populations, orbits of stars, dark matter, open and globular clusters, interstellar medium, galaxies, the Local Group, Hubble's law.

## Official Statements

<b>Prerequisite Courses:</b>	ASTR 1307 or Instructor approval
<b>Course Objectives (Learning Outcomes):</b>	Students will learn main features of stars, magnitudes, stellar distances, temperatures of stars, spectral classification, the HR diagram, luminosity classes, binary systems and stellar masses, main sequence stars, star formation, main sequence, variable stars, evolution of low and high-mass stars, Chandrasekhar limit, red giants and super-giants, white dwarfs, supernovae, neutron stars, black holes, the Milky Way galaxy, Galactic components, stellar populations, orbits of stars, dark matter, open and globular clusters, interstellar medium, galaxies, the Local Group, Hubble's law, active galaxies, super-massive black holes, quasars, the Big Bang, dark energy and the fate of the universe.
<b>Course Activities:</b>	Class will be composed of two 1.5-hour lectures with the instructor.
<b>Assessment of Course:</b>	Assessment will be through weekly quizzes and a final exam.
<b>Grading Policy:</b>	Grade will be determined based on weekly quizzes (80%), and one final exam (20%). Grade corrections of individual quizzes should be made within a week of receiving them, no grade changes of individual quizzes will be allowed after the end of the semester.
<b>Make-up Policy:</b>	<u>Quizzes.</u> Lowest two grades of the quizzes will be dropped. There will be no make-up quizzes.Labs.
<b>Attendance Policy:</b>	Attendance is not taken into account for the grade, but not attending the class will result in missing quizzes.
<b>Academic Integrity Policy:</b>	Any student who commits an act of academic dishonesty is subject to discipline. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give unfair advantage to a student or the attempt to commit such acts. Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures, and available on the homepage of the Dean of Students at <a href="http://www.utep.edu/dos">www.utep.edu/dos</a> , may result in sanctions ranging from disciplinary probation, to a failing grade on the work in question, to a failing grade in the course, to suspension or dismissal, among others.
<b>Civility Statement:</b>	During class, please do not eat, sleep or read newspapers or any other material not related to class. Turn off cell phones, ipods, and any other devices which might disturb class. Use computers and tablets only for class purposes, and do not talk excessively (definition of "excessive" is up to the instructor)
<b>Disability Statement:</b>	If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to <a href="mailto:cass@utep.edu">cass@utep.edu</a> , or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at <a href="http://www.sa.utep.edu/cass">www.sa.utep.edu/cass</a> .
<b>Military Statement:</b>	Students being called for military duties need to contact the instructor as soon as possible.
<b>Drop deadline</b>	The College of Science will not approve any drop requests after the deadline date.

## TENTATIVE CALENDAR

WEEK	CONTENT	OBSERVATIONS	QUIZ
8/26-30	Intro + Ch. 10		No quiz on first week
9/2-6	Ch. 10	Monday is a Holiday	Ch. 10, Sec. 1-6
9/9-13	Ch. 11		Ch. 10, Sects. 7-9
9/16-20	Ch. 11		Ch. 11, Sects. 2-6
9/23-27	Ch. 12		...
9/30-10/4	Ch. 12		
10/7-11	Ch. 13	No classes – video lectures	
10/14-18	Ch. 13		
10/21-25	Ch. 14		
10/28-11/1	Ch. 14	Drop deadline: 11/1	
11/4-8	Ch. 15		
11/11-15	Ch. 15		
11/18-22	Ch. 16		
11/25-29	Ch. 16	Thanksgiving 11/28-29	No quiz - Holiday
12/2-6	Review	12/6 is dead day	
12/9-13		Final exam: Thursday, Dec. 12, 1:00 pm – 3:45 pm
