Common Reading: Throughout the semester, you will read one woman’s personal and academic journey. Using her journey as a starting point, you will reflect on how your academic journey is building your five pillars of academic success (agency, belonging, engagement, academic success, and professional preparation) while in college.

Digital Story: Throughout the semester, you will participate in various course, campus, and community activities that will help shape your entering student experience at UTEP. You will document these experiences and create a multimodal digital story.

Participation: You will participate in activities, events, workshops, and discussions throughout the semester that help develop your five pillars of success. More specifically:

Academic Success: You will engage in critical thinking and exploratory assignments related to academic success skills, academic advising, and library resources. You will also meet with the instructional team during the semester to discuss your academic progress.

Agency: You will understand what it means to have agency. You will develop your agency by participating in activities and discussions that encourage reflection and growth.

Engagement & Belonging: You will engage will campus resources and participate in UTEP events and campus talks to increase your sense of belonging at UTEP.

Professional Preparation: You will participate in a series of professional preparation activities that include identifying and building your strengths, exploring possible careers and internships, participating in a mock interview, and creating a résumé.

UNIV 1301 End-of-Semester Survey: At the end of the term, you will receive a survey invitation from CIERP requesting your feedback about your experiences in UNIV 1301. This is different from the state-mandated Course Evaluations found on My.UTEP.edu. Survey completion is required.

ESE Speaker Series: These one-hour talks are sponsored by the Entering Student Experience and are required viewing for UNIV 1301 students. You may attend the talk live (in person) OR watch the recording of the talk later. More information TBA.

UNIV Attendance Policy

Students should make every effort to attend every single class. This session is only six weeks long and we must fit a semester of instruction within that period. Missing a class period will put you behind. Should you have to miss due to illness or other occurrence, please send me an email and we can work together to catch you up. Having more than two absences will not be permitted. Participation is a large part of your grade, attendance is mandatory.

Late Work Policy

Students will be given the opportunities in class to complete assignments. No one should have homework unless they are not completing the assignments in the allotted time. Should that be the case, late work will not be permitted unless there are extenuating circumstances that will be handled on a case-by-case basis.

Covid-19 Policy

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Course Management System

Blackboard Ultra is the online course management system we will use throughout the semester. You can access Blackboard through my.utep.edu. In Blackboard you can view the syllabus, course calendar, and other supplemental materials related to the course. You can also send e-mails to your classmates or instructional team. You must check Blackboard daily for course announcements, assignments and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

Technical Requirements

Syllabus Change

Except for changes that substantially affect the grading statement, this syllabus is a guide for the course and is subject to change. Any changes to the syllabus will be announced in class and/or on Blackboard. It is your responsibility to stay updated.

Netiquette Guidelines

Be respectful of other's ideas, opinions, and beliefs. It's fine to disagree with someone, but please respect their right to think differently. Do not attack or insult your classmates, peer leader, or instructor.

When responding to your peers, be sure to address the idea and not the person. You should never use insults or resort to name-calling, as neither are appropriate in an academic setting.

With that said, keep in mind that interacting online doesn't allow for the use of facial expressions and other non-verbal cues to convey meaning; be cautious of the tone used in your posts and don't assume an emoticon (☺) will convey your tone or intent.

All inappropriate behavior will be reported to UTEP's Office of Student Conduct & Conflict Resolution office for review.

Assignment Format

All assignments submitted in UNIV 1301 should follow this format unless otherwise stipulated by the instructor:
