## **UTEP DANCE Policies:**

### **Absence Policy:**

**-COVID update, August 2020**

To succeed in any course, but especially a dance course where students can often only learn by experiential participation, a student must first and above all be present.

Therefore, the Absence Policy of the UTEP Dance Program prioritizes class attendance and participation at the top of the grading process.

However, due to the unforeseen circumstances dictated by the COVID-19 pandemic, we, as faculty, want to recognize and honor the challenges of online learning (both synchronous and asynchronous), and the difficulties in accessing an appropriate space to move, dance, rehearse, and create dance work.

Because every student's circumstance is unique, we encourage students to be as open and honest as possible when encountering unexpected challenges, as well as to communicate in advance potential issues that could affect their commitment to a class (child care, elder care, shifting work schedule...).

E-mail your instructors (and TAs if any) as soon as an issue comes up: this is the only way you can get help and possible accommodations while minimizing the impact on your academic progress. While every situation will be assessed by the instructor of record, the more a student is responsible to communicate in a clear and effective way, the easier it will be to find a positive solution. Make up classes might be an option to discuss with your instructor of record.

### **The following guideline is intended for ONLINE SYNCHRONOUS OR HYBRID CLASSES**

#### **Technique/Theory/Creative Classes that meet twice or three times a week**

In a course that meets twice a week, a student is allowed a maximum of **6** (absences in an entire semester, **4** of which require no justification and result in no penalty. A student may use these absences based on personal necessity. The 5th and 6th absences will result in a drop of ½ letter each in the student's overall grade. At the 7<sup>th</sup> absence, regardless of the student's current course standing or grade, the student automatically fails the course.

For courses that meet three times a week, the allowance is **8** absences. The course grade is reduced by ½ letter each for the 7<sup>th</sup>, 8<sup>th</sup>, and the student automatically fails at the 9<sup>th</sup> absence.

### **Subject Matter:**

The performing arts have a power to stir strong emotions, or possibly touch on subjects you might not feel comfortable seeing on stage. If you have concerns about viewing or discussing specific subjects, please see the person in charge of your section as soon as possible to discuss possible accommodations. As we will respect your individual's rights to choose what shows you want to see, we expect all our discussions—including any that may occur outside of class—to be conducted in a respectful and professional matter.

### **UTEP COVID-19 Information:**

#### **Student Responsibilities:**

- Complete self-screening ([screening.utep.edu](https://screening.utep.edu)) prior to every campus visit.
- Complete COVID-19 student training at [this site](#).
- Contact instructor if temporary accommodations due to COVID-19 are needed (i.e., due to positive COVID-19 test, symptoms, or exposure).
- If unable to wear a face covering (e.g., medical reasons), the best course of action is to enroll in courses that are entirely online or to work with academic advisors, if necessary, to identify alternative courses. If this is not possible, request an accommodation from [Center for Accommodations and Support Services](#) (CASS) prior to coming to campus for in-person activities. Students who receive an accommodation to not wear a face covering must share this with the professor and work to minimize contact with others in the class.
- Wear a face covering at all times.
- Maintain 6 feet of separation at all times, including when talking with other students.
- Follow signage indicating specific entry and exit doors and pathways.
- Do not cluster in groups and keep hallways open.
- Wash hands and/or apply hand sanitizer prior to entering classroom and after leaving a classroom. Do not touch face until after hands are washed/sanitized.
- Use an alcohol wipe, provided outside of classrooms, to sanitize the desk, chair, or table.
- Follow faculty protocols for leaving and re-entering the classroom.

#### **COVID-19 Precautions:**

- (**all classes**) You must STAY AT HOME and REPORT if you (1) have been diagnosed with COVID-19, (2) are experiencing COVID-19 symptoms, or (3) have had recent contact with a person who has received a positive coronavirus test. Reports should be made at [screening.utep.edu](https://screening.utep.edu). If you know anyone who should report any of these three criteria, encourage them to report. If the individual cannot report, you can report on their behalf by sending an email to [COVIDaction@utep.edu](mailto:COVIDaction@utep.edu).

- **(all classes)** For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website ([screening.utep.edu](https://screening.utep.edu)) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, and alternative instruction will be provided. Students are advised to minimize the number of encounters with others to avoid infection.
- **(all classes)** Wear face coverings when in common areas of campus or when others are present. You must wear a face covering over your nose and mouth at all times in this class. If you choose not to wear a face covering, you may not enter the classroom. If you remove your face covering, you will be asked to put it on or leave the classroom. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from the class and will be subject to disciplinary action according to Section 1.2.3 *Health and Safety* and Section
  - 1.2.2.5 *Disruptions* in the UTEP Handbook of Operating Procedures.
- **(classes with on-campus meetings)** Please note that if COVID-19 conditions deteriorate in the City of El Paso, all course and lab activities may be transitioned to remote delivery.

## **COVID-19 Accommodations:**

**(all classes)** Students are not permitted on campus when they have a positive COVID-19 test, exposure or symptoms. If you are not permitted on campus, you should contact me as soon as possible so we can arrange necessary and appropriate accommodations.

**(classes with on-campus meetings)** Students who are considered high risk according to CDC guidelines and/or those who live with individuals who are considered high risk may contact [Center for Accommodations and Support Services](#) (CASS) to discuss temporary accommodations for on campus courses and activities.
