## **Course Information: What this Class Is About and What We will Do**

### **COURSE DESCRIPTION**

HIST 1301 surveys American history through the Civil War, emphasizing the European background, the colonial contribution, the American Revolution, the republican government, growth of democracy, the background and course of the Civil War.

Learning about the past helps us to understand conditions in the present. Active learning of history affects an awareness of the past, in comparison with current events, so that past errors may be prevented tomorrow. Moreover, the present should be analyzed and evaluated in relation to similar patterns in the past. Although we cannot possibly cover all pre-1865 history of the United States in a short survey course such as this one, we shall focus on some of the most important topics. These include Indigenous responses to marginalization and interactions with colonizers, intellectual and ideological currents, relationships between racism, slavery and westward US expansion, and other topics. Students will practice critical thinking, reasoning, and writing skills in order to prepare themselves as tomorrow's teachers, scholars, and leaders.

### **COURSE OBJECTIVES OR EXPECTED LEARNING OUTCOMES**

At the end of this course, students will be able to:

- Understand basic elements of pre-Civil War North American and United States history
- Engage websites analytically to plan a thoughtful research paper
- Collect other sources and engage them analytically to write a thoughtful research paper
- Respond to test prompts to demonstrate basic and critical knowledge about history
- Engage abstract concepts such as liberty, Manifest Destiny, and resistance
- Demonstrate content knowledge of an assigned textbook

### **LINEAR COURSE FORMAT**

This course is designed in a combination modular and linear chronological format. All course content such as the textbook, other course materials, notes, assessments, and submission links are located in Blackboard, on the Home Page, in Course Materials, and in an e-book link. At various times throughout the semester, the assessments and instructions will appear in Blackboard, on the Home Page and in Course Materials.

## REQUIRED MATERIALS

There is one required textbook:

Eric Foner, *Give Me Liberty! An American History*. Volume I: To 1877. Seagull 6<sup>th</sup> Edition. New York: W. W. Norton and Company, 2019. **To be purchased only via our Blackboard course e-Book link.** Click “Course Materials” on the left-hand column. Then click the “eBook Give Me Liberty, 6e Seagull, Vol. 1” link near the top of the page.)

You must **purchase the Foner textbook only through our Blackboard course site as an Ebook**, during the first week of instruction when you click on the e-book link. Be sure to get Volume I. You should purchase this Ebook, including access to the required quizzes and map exercises. **Do not get any twenty-day free trial** that may be offered, since that particular option would only create problems with your grades later this month when the connection between your quizzes, map exercises and my grade book would be severed and you would lose your grades. You should use a laptop or desktop for this course, **not** a tablet or cell phone, so that you may have no technical problems.

The textbook cover may possibly be different from the one depicted above.

Other required and optional materials are located in Course Materials. Consult this Class Syllabus below to see what assessments are graded. You must peruse and be familiar with all of the required course materials, including chapters 1 through 15 of the Foner *Give Me Liberty!* textbook, in accordance with the Assignment Schedule of this syllabus.

## COURSE ASSIGNMENTS AND GRADING

All assessments for this course can be found by clicking on the appropriate links in Blackboard, on the Home Page and in Course Materials. I will grade weekly InQuizitive quizzes, InQuizitive Map Exercises, a website evaluation, a midterm test, a term paper, and a final examination as follows:

### Grade Distribution:

500-450 = A 449-400 = B 399-350 = C 349-300 = D 299 and Below = F

- 60 points: 15 InQuizitive Quizzes (1 per week, on the Home Page)
- 60 Points: 15 InQuizitive Map Exercises (1 per week, on the Home Page)

- 80 Points: Research Project Part 1: Website Evaluation
- 100 Points: Midterm Test
- 100 Points: Term Paper
- 100 Points: Final Examination

No extra credit will be offered in this class. You are encouraged to complete all required assessments so that you may earn a favorable grade. Your final grade corresponds to your cumulative earned points only, as per this list, not an overall percentage from work attempted.

**Fifteen InQuizitive Quizzes and Fifteen Map Exercises (30x4=120 pts.):**

All InQuizitive links for each week are located in the Blackboard course. Click “Course Materials” on the left-hand panel and click on one of the numbered chapter modules. During Week 1, and in each subsequent week, you will complete one InQuizitive quiz and one InQuizitive Map Exercise. The questions and prompts are based on the textbook information.

You must respond to questions that InQuizitive presents to you. Depending on how highly you adjust your confidence level, each time you answer one correctly, you gain a few points or many points. If you answer one incorrectly, you may possibly lose points. Obviously, you need to study the Foner *Give Me Liberty!* textbook in order to do well on the InQuizitive quizzes.

Note that the point system within the InQuizitive site differs from the point system in this course, for InQuizitive is operated by W.W. Norton, the textbook’s publisher. Blackboard will convert Norton quiz points into our Hist 1301 course’s 500-point grading system. For example, you may possibly need to earn more than 1,500 Norton points on a quiz or exercise, in order to earn 4 Blackboard points. As each of these transactions is automatically calculated, the maximum number of History 1301 points that you may earn from one quiz, or from one exercise, in the Blackboard grade book is 4.

**Research Project Part 1: Website Evaluation (80 pts.):**

You will individually complete and submit website evaluations based on one research topic selected from the instructor’s list of topics by Week 4. You will find additional details for the website evaluation and the assignment drop box in Course Materials near the top of the page, at the proper time according to the Assignment Schedule section of this Syllabus, below.

**Midterm Test (100 pts.):**

The test will be a timed online test. Test material is drawn from the textbook. You will find additional details for the midterm test in Course Materials near the top of the page, a week before the test is due. See the Assignment Schedule section.

**Research Project Part 2: Term Paper (100 pts.):**

You will individually write a term paper in the form of an essay, based on my more detailed description of the same topic you will have selected earlier in the Website Evaluation assignment. Your new essay must be a minimum of ten pages in length, not counting endnotes or bibliography. You will find additional details for the Term Paper

and its drop box in Course Materials near the top of the page, several weeks before the paper is due. See the Assignment Schedule section.

### **Final Examination (100 pts.):**

The final examination will be a take-home exam. Final exam material will be drawn from the textbook. The final examination is cumulative; for example, anything covered in the lesson materials before the midterm test may also be included on the final exam. You will find additional details for the final exam and its drop box, a few days before Final Exam Week, in Course Materials near the top of the page. You must wait for the Final Exam to appear in Blackboard, and to discover its structure at that time. The exam will not be given early and no information about it will be disclosed prior to the proper time, under any circumstances. See the Assignment Schedule section.

### **Attendance and Participation:**

For this online course, attendance is not graded. Participation is required and it affects your grade. Attendance and participation may possibly be reported to the University for administrative purposes.

You are encouraged to complete all required assessments so that you may earn a favorable grade. Your final grade corresponds to your cumulative earned points only, as per the list above, not an overall percentage from work attempted.

### **TECHNOLOGY REQUIREMENTS**

Course content is delivered via the Internet through the Blackboard learning management system and W. W. Norton publishers online, our Blackboard course's Tool Provider for quizzes and the textbook (e-book). Ensure your UTEP e-mail account is working and that you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

You will need to have access to a desktop computer or laptop. You should **not** use a tablet or cell phone for this course, so that you may have no technical problems.

You will need to download or update the following software: Microsoft Office, Adobe Acrobat Reader, Windows Media Player, QuickTime, and Java. Check that your computer hardware and software are up-to-date and able to access all parts of the course.

If you do not have a word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP's Microsoft Office Portal. Click the following link for more information about [Microsoft Office 365](#) and follow the instructions.

**IMPORTANT:** If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP [Help Desk](#) as they are trained specifically in assisting with technological needs of students. Please do not contact me for this type of assistance unless it is a problem with a quiz or the e-book. In that case, I would refer you to the W. W. Norton helpdesk.

## **Course Communication: How We will stay in Contact with Each Other**

Because this is an online class, we will not see each other in the ways you may be accustomed to. There are no class times, no small group meetings, and no face-to-face office hours. However, there are a number of ways we can keep the communication channels open.

Blackboard Collaborate, Zoom and Email are my preferred methods of contact. Links and passwords will be listed in a Blackboard course announcement and email. Alternatively, to have a Skype or Messenger meeting or chat, send a contact request that includes your name, the class and section number, above. I may check Skype and Email once every two workdays. For a live phone call, you may use mobile numbers I can readily provide upon request. Voicemail and phone text message are technologically tenuous and infeasible from most regions.

- **Office Hours:** We will not be able to meet on campus, but I will still have office hours for your questions and comments about the course. My office hours will be held on either Blackboard Collaborate or Zoom via links I will give you via announcement and email, and during the following times:

Mondays: 10-11 a.m. Mountain Time

Tuesdays: 10-11 a.m. Mountain Time

Wednesdays: 10-11 a.m. Mountain Time

My physical office location is in Liberal Arts room 320 on the El Paso main campus. However, I will not be on campus this semester and the main office will operate with limited hours due to effects of the COVID-19 pandemic. Preferred contact is via email.

- **Email:** UTEP e-mail is one of the best ways to contact me. I will make every attempt to respond to your e-mail within 24-48 hours of receipt. When e-mailing me, be sure to email from your UTEP student account and please write your name, HIST 3301 and the CRN number in the subject line. In the body of your e-mail, clearly state your question. At the end of your e-mail, be sure to include your first and last name, and your university identification number.
- **Message Board:** If you have a question, you may post it in the Message Board inside of Blackboard.
- **Announcements:** Check the Blackboard announcements frequently for any updates, deadlines, or other important messages.
- **Alternative Skype or Messenger Contacts:** available upon request.

### **NETIQUETTE**

You must uphold a mature level of interaction with fellow students and with the instructor. When you post anything in Blackboard or communicate via any other medium, please respect other students, showing courtesy in all interactions.

As we know, sometimes communication online can be challenging. It is possible to miscommunicate what we mean or to misunderstand what our classmates mean given the lack of body language and immediate feedback. Therefore, please keep these netiquette (network etiquette) guidelines in mind. Failure to observe them may result in disciplinary action.

- Always consider your audience. This is a college-level course; therefore, all communication should reflect polite consideration of others' ideas.
- Respect and courtesy must be provided to classmates and to the instructor at all times. No harassment or inappropriate postings will be tolerated.
- When responding to someone else's message, address the ideas, not the person. Post only what anyone would comfortably state in a face-to-face situation.
- Blackboard is not a public internet venue; all postings to it should be considered private and confidential. Whatever is posted in these online spaces is intended for classmates and professors only. **Please do not copy documents and paste them to a publicly accessible website, blog, or other space.**

### **Course Policies: What do you Need to Do to be Successful in the Course**

You are responsible for understanding and abiding by the policies and procedures described below. Any problems that I encounter in this course may be reported to the Dean of Students.

#### **ATTENDANCE, PARTICIPATION, AND ABSENCE POLICY**

I measure student attendance and participation in this course according to the date and time of a student's most recent Blackboard log in and by the number of assignments and assessments completed. Your final letter grade is measured by the cumulative grades of your assignments and assessments completed, not by your attendance. Although attendance in the course hardly affects your grade, participation is a critical component of your grade. Attendance and participation may possibly be important for University or organizational administrative purposes.

#### **DEADLINES AND LATE WORK**

All assignments and assessments will be due on Thursdays at midnight (11:59 PM) Mountain Time Zone. The grades of any late works submitted for a grade after their deadlines will decrease at the rate of ten percent of the total possible value, per day late, with the exception of work due after Week 13. In the case of these later weeks, submissions may not be late. No late submissions will be accepted after that time, and no excuses will be accepted. As assessment deadlines are rigorous during the latter weeks of the course, they cannot be made up after the deadline.

#### **EXCUSED ABSENCES AND COURSE DROP POLICY**

You are entitled to drop this class with a grade of "W" until the official university drop deadline, as described in the Schedule of Classes and the University Catalog. You are responsible for dropping the class. There will be no faculty-initiated drops, except under special circumstances. If you feel that you are unable to complete the course successfully, please let me know and then contact the Registrar's Office to initiate the drop process. If you do not, you are at risk of receiving an "F" for the course.

## **ACCOMMODATIONS POLICY**

The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented physical or other challenges in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a challenge must register with the UTEP Center for Accommodations and Support Services (CASS). Contact CASS at 915-747-5148, email them at [cass@utep.edu](mailto:cass@utep.edu), visit their website at <https://www.utep.edu/student-affairs/cass/> or apply for accommodations online via the CASS portal.

It is your responsibility to speak with a counselor in order to receive necessary help. Within the first week of the beginning of the semester, you must provide documentation from CASS in order to receive any accommodation(s). You must also consult the instructor in order to ensure timely accommodation. Failure to contact CASS, provide documentation, and consult the instructor in a timely manner may delay such accommodation(s) being made.

## **COVID-19 PRECAUTIONS, COVID-19 ACCOMMODATIONS AND STUDENT RESPONSIBILITIES**

I encourage you to complete the COVID-19 student training at <https://covidtraining.questionpro.com/>.

I will not be on campus this semester and I believe that many of you also will probably not be on campus. Nonetheless, you must **STAY AT HOME** and **REPORT** to [screening.utep.edu](https://screening.utep.edu) if you:

- (1) have been diagnosed with COVID19,
- (2) are experiencing COVID-19 symptoms, or
- (3) have had recent contact with a person who has received a positive coronavirus test.

Reports should be made at [screening.utep.edu](https://screening.utep.edu). If you know people who should report any of these three criteria, encourage them to report. If the individuals cannot report, you can report on their behalf by sending an email to [COVIDaction@utep.edu](mailto:COVIDaction@utep.edu). For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website ([screening.utep.edu](https://screening.utep.edu)) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to any other face-to-face classes when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible.

You are advised to minimize the number of encounters with others to avoid infection. Wear face coverings when in common areas of campus or when others are present. This class is online only. If you choose not to wear a face covering, you may not enter campus. If you remove your face covering, you may possibly be asked to put it on or

leave campus. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from their classes and will be subject to disciplinary action according to Section 1.2.3 Health and Safety and Section 1.2.2.5 Disruptions in the UTEP Handbook of Operating Procedures.

Students are not permitted on campus when they have a positive COVID-19 test, exposure or symptoms. If you are not permitted on campus, you should contact the instructor(s) of those face-to-face classes as soon as possible so s/he/n/they can arrange necessary and appropriate accommodations.

Student responsibilities:

- Complete self-screening ([screening.utep.edu](https://screening.utep.edu)) prior to every campus visit.
- Complete COVID-19 student training on the UTEP COVID-19 training website.
- Contact instructor(s) if temporary accommodations due to COVID-19 are needed (i.e., due to positive COVID-19 test, symptoms, or exposure).
- If unable to wear a face covering (e.g., medical reasons), the best course of action is to enroll in courses that are entirely online or to work with academic advisors, if necessary, to identify alternative courses. If this is not possible, request an accommodation from Center for Accommodations and Support Services (CASS) prior to coming to campus for in-person activities. Students who receive an accommodation to not wear a face covering must share this with the professor and work to minimize contact with others in the class.

## **SCHOLASTIC INTEGRITY**

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as ones' own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the [Office of Student Conduct and Conflict Resolution \(OSCCR\)](#) for possible disciplinary action. To learn more, please visit [HOOP: Student Conduct and Discipline](#).

## **COPYRIGHT STATEMENT FOR COURSE MATERIALS**

All materials used in this course are protected by copyright law. The course materials are only for the use of students currently enrolled in this course and only for the purpose of this course. They may not be further disseminated.

## **DISPUTED GRADES**

If you disagree with a grade, you should consult the instructor.
