## Faculty Contact

Dr. Gary L. Kieffner

Office: Liberal Arts Building, room 331

Mobile (live voice only): +679.863.3454

Instructor [Skype](#): g.kieffner

Instructor Email: [Kieffner@utep.edu](mailto:Kieffner@utep.edu)

I am available online from 12:00 to 1:00 p.m. USA Mountain Time Zone on Mondays, Tuesdays and Wednesdays this Spring Semester, via Skype. If these times are not convenient, then I would gladly accommodate other schedules, when possible. Should you need to contact me beyond such time frames, then you should not hesitate to do so. Email and Skype are my preferred methods of contact. To have a Skype meeting or Skype message me, send a Skype contact request that includes your name, the class and CRN number, above. I may check Skype and my email once every two workdays. You may also use the mobile number. Voicemail and phone text message are technologically tenuous and infeasible from most regions.

## Course Description

## Course Materials

Eric Foner. *Give Me Liberty! An American History*. Volume 2: from 1865. Seagull 6<sup>th</sup> Edition. New York: W. W. Norton and Company, 2019. **(To be purchased only via our Blackboard course e-Book link.** Click “Course Materials” on the left-hand column. Then click the “eBook Give Me Liberty, 6e Seagull, Vol. 1” link near the top of the page.)

You must **purchase the Foner textbook only through our Blackboard course site as an Ebook**, during the first week of instruction when you click on the e-book link. Be sure to get Volume 2. You should purchase this Ebook, including access to the required quizzes and map exercises. **Do not get any twenty-day free trial** that may be offered, since that particular option would only create problems with your grades later this month when the connection between your quizzes, map exercises and my grade book would be severed and you would lose your grades. You

should use a laptop or desktop for this course, **not** a tablet or cell phone, so that you may have no technical problems.

Other required and optional materials are located in Course Materials. In this Class Syllabus, consult “Grading Information” and “Assessment Descriptions” below to see what assessments are graded. You must peruse and be familiar with all of the required course materials, including chapters 15 through 28 of the Foner *Give Me Liberty!* textbook, in accordance with the Assignment Schedule of this syllabus.

These assessments are subject to change by the instructor.

### Extra Credit Policy

No extra credit will be offered in this class.

## The Course Week

The course week begins on a Friday and ends on a Thursday night, with the exception of Week 1, which is shorter. The deadlines of all assessment completions and submissions are on designated Thursday nights at 11:59 p.m. USA Mountain Time. For more information, see the Assignment Schedule, below.

---

## Late Policy

The grades of any late works submitted for a grade after their deadlines will decrease at the rate of ten percent of the total possible value, per day late, with the exception of work due

after Week 11. In the case of these later weeks, submissions may not be late. No late submissions will be accepted after that time, and no excuses will be accepted.

## **Assessment Descriptions**

### **Fourteen InQuizitive Quizzes and Fourteen Map Exercises (28X4=112 pts.)**

All InQuizitive links for each week are located in the Blackboard course. Click “Course Materials” on the left-hand panel and click on one of the numbered chapter modules. During Week 1, and in each subsequent week, you will complete one InQuizitive quiz and one InQuizitive Map Exercise. The questions and prompts are based on the textbook information.

You must respond to questions that InQuizitive presents to you. Depending on how highly you adjust your confidence level, each time you answer one correctly, you gain a few points or many points. If you answer one incorrectly, you may possibly lose points. Obviously, you need to study the Foner *Give Me Liberty!* textbook in order to do well on the InQuizitive quizzes.

Note that the point system within the InQuizitive site differs from the point system in this course, for InQuizitive is operated by W.W. Norton, the textbook’s publisher. Blackboard will convert Norton quiz points into our Hist 1302 course’s 500-point grading system. For example, you may possibly need to earn more than 1,500 Norton points on a quiz or exercise, in order to earn 4 Blackboard points. As each of these transactions is automatically calculated, the maximum number of History 1302 points that you may earn from one quiz, or from one exercise, in the Blackboard grade book is 4.

### **Research Project Part 1: Website Evaluation (88 pts.)**

You will individually write and submit website evaluations based on one research topic selected from the instructor’s list of topics during Week 4. You will find additional details for the website evaluation and the assignment drop box in Course Materials near the top of the page, at the proper time according to the Assignment Schedule section of this Syllabus, below.

### **Midterm Test (100 pts.)**

The test will be a timed online test. Test material is drawn from the textbook. You will find additional details for the midterm test in Course Materials near the top of the page, a week before the test is due. See the Assignment Schedule section.

### **Research Project Part 2: Term Paper (100 pts.)**

You will individually write a term paper in the form of an essay, based on my more detailed description of the same topic you will have selected earlier in the Website Evaluation assignment. Your new essay must be a minimum of ten pages in length, not counting endnotes or bibliography. You will find additional details for the Term Paper and its drop box in Course Materials near the top of the page, several weeks before the paper is due. See the Assignment Schedule section.

## Final Examination (100 pts.)

The final examination will be a take-home exam. Final exam material will be drawn from the textbook. The final examination is cumulative; for example, anything covered in the lesson materials before the midterm test may also be included on the final exam. You will find additional details for the final exam and its drop box, a few days before Final Exam Week, in Course Materials near the top of the page. You must wait for the Final Exam to appear in Blackboard, and to discover its structure at that time. The exam will not be given early and no information about it will be disclosed prior to the proper time, under any circumstances. See the Assignment Schedule section.

---

## Grading Scale

450-500 points, A

400-449 points, B

350-399 points, C

300-349 points, D

0-299 points, F

You are encouraged to complete all required assessments so that you may earn a favorable grade. Your final grade corresponds to your cumulative earned points only, as per this chart, not an overall percentage from work attempted.

### **Dropping the Class**

You are entitled to drop (withdraw from) this class with a grade of “W” until the official university drop deadline, as described in the Schedule of Classes and the University Catalog. You are responsible for dropping the class. There will be no faculty-initiated drops, except under special circumstances.

## Academic Honesty and Integrity

There are no collaborative assignments for this class. All assessments to be graded are individual productions. You are expected to do your own work on all assignment materials submitted for course requirements.

Names and student numbers of students suspected of knowingly using, or attempting to use, another person's work as though such work is their own, and of students suspected of permitting, or attempting to permit, another student to use their work, will be given to the Dean of Students for disciplinary action. Such conduct may constitute grounds for sanctions ranging from the assignation of a grade of "F" for the work to expulsion from the University. If you are uncertain regarding what actions constitute plagiarism, or about the University policy, then you should consult me.

---

## Course Management

I will promptly grade all assignments, and other work submitted for a grade soon after your deadlines.
