Course Information: What this Class Is About and What We will Do

COURSE DESCRIPTION

LABS 3300 treats selected modern themes as manifested in the Americas, including population movements, the arts, economic change, identity, socio-political structures and events, health, the environment, international relations, borders, and technology. Consideration of each theme includes a discussion of its dynamic historical development and an interdisciplinary perspective.

The "Americas," is a broad label referring to vast and diverse geographies, languages, cultures, political and economic systems. This course aids in the development of a comparative and practical understanding of modern events that have shaped some of the nations in the Americas. While drawing broad interconnections, three countries constitute the focus of more detailed examination: Cuba, the Dominican Republic, and Venezuela. We will delve into complexities, fractures and continuities of social processes that contribute to creation of distinctive cultural, political, gendered and economic spaces. The three selected countries will serve as case studies that help us understand critical contemporary problems within larger global contexts. We will engage in discussion and application of key social theories as we develop tangible final productions of research.

COURSE OBJECTIVES OR EXPECTED LEARNING OUTCOMES

At the end of this course, students will be able to:

- Understand selected historical and contemporary elements of Latin America
- Engage as a team of designers who collaborate to build an audiovisual production
- Draw on existing research sources to critically analyze and interpret knowledge
- Develop a knowledge of Cuba, the Dominican Republic, and Venezuela
- Address the arts, sciences, and environments of selected Latin American regions
- Develop content knowledge of assigned textbooks

LINEAR COURSE FORMAT

This course is designed in a linear chronological format so that all textbook lists, other course materials, notes, assessments, and submission links are located in Blackboard in Content, maps located in the Main Page, and the main textbook located in the e-book link in the left-hand column. At various times throughout the semester, certain

assessments and instructions will appear in Content in chronological order according to their opening dates (not their due dates).

REQUIRED MATERIALS

There are three required textbooks:

John Charles Chasteen, *Born in Blood and Fire: A Concise History of Latin America*. Fourth Edition. New York: W. W. Norton and Company, 2016. (to be purchased only via Blackboard quiz link.)

You must **purchase Chasteen, *Born in Blood and Fire*, only through our Blackboard course site as an E-book** during the first week of instruction when you go to “Content” and click on your e-book link near the top of the page. You should purchase this Ebook, including access to the required quizzes at that time. **Do not get any short-term free trial** that may be offered, since that particular option would only create problems with your grades later in the month when the connection between your quizzes and my gradebook would be severed and you would lose your grades.

You may purchase or rent the other two required textbooks from commercial vendors or the UTEP Bookstore.

Amalia L. Cabezas, *Economies of Desire: Sex and Tourism in Cuba and the Dominican Republic*. Temple University Press, 2009. ISBN-13: 9781592137503.

Alejandro Velasco, *Barrio Rising: Urban Popular Politics and the Making of Modern Venezuela*. University of California Press, 2015. ISBN-13: 9780520283329.

The textbook covers may possibly be different from the ones depicted on this syllabus.

Other course materials are located in Blackboard in Content including YouTube video links and required assessments. You must read and be familiar with all of the information in the assigned textbooks and other materials, in accordance with the Assignment Schedule of this syllabus.

COURSE ASSIGNMENTS AND GRADING

All assessments for this course can be found by clicking on the appropriate links in Blackboard in Content.

Grade Distribution:

700-450 = A 449-400 = B 399-350 = C 349-300 = D 299 and Below = F

- 110 points: Individual Quiz Scores (11 chapter quizzes on Chasteen, *Born in Blood and Fire*)
- 50 Points: Individual Book Test 1 (Cabezas, *Economies of Desire*)
- 50 Points: Individual Book Test 2 (Velasco, *Barrio Rising*)
- 140 Points: Individual Research Paper
- 150 Points: Team PowerPoint Presentation
- possible extra points: Optional Extra Credit (if offered)

You must complete all required assessments so that you may earn a favorable grade. Your final grade corresponds to your cumulative earned points compared to this list and its five hundred point grading scale, not an overall percentage from work attempted.

Eleven Quizzes (11x10=110 pts.):

All quiz links are located in the Blackboard course site. Click “Content” on the left-hand panel. Each week, you will complete some quizzes. Questions are based on information from the Chasteen, *Born in Blood and Fire* textbook.

You must answer questions the quiz presents to you. Each time you answer a question correctly, you gain points and if you answer one incorrectly, you lose points. Obviously, you need to study the Chasteen textbook in order to do well on the quizzes.

There are eleven such quizzes in this course. Note that the point system within the quiz differs from the Blackboard point system in this course, for the quizzes are operated by W.W. Norton, the Chasteen textbook's publisher. Blackboard will convert Norton quiz points into our LABS 3300 course's 500-point grading system. For example, you may possibly need to earn more than 1,600 Norton points on a quiz in order to earn 10 Blackboard points. As each of these transactions is automatically calculated, the maximum number of LABS 3300 points that you may earn from one quiz in the Blackboard grade book is 10.

Two Book Tests (2x50=100 pts.):

You will take each of two timed book tests online. Use only a laptop or desktop computer, not some other device. Begin each test only when you are well prepared and have good internet with no electronic or other distractions, because you have only one chance to complete each test. Follow all of the instructions carefully. Complete each test no later than its due date at 9:59 PM, Mountain Time Zone. You will find each book test, for only one week prior to its due date, in Blackboard in Content.

Individual Research Paper (140 pts.):

You will individually write a research paper in the form of an essay based on a topic selected from the instructor's list of topics. The essay must be a minimum of 3,200 words in length. You will submit your research paper in the Blackboard drop box only. You will find the assignment due date, additional details for the paper, and its drop box in Blackboard in Content.

Team Powerpoint Presentation (150 pts.):

After Week 1, I will randomly assign you to a team consisting of some of your classmates. You and your team will select one of the following nations: Paraguay, Cuba, the Dominican Republic, or Venezuela. If you select Paraguay, the Dominican Republic or Venezuela, then you will focus on that country's terrestrial borderlands with only one of its neighboring countries (i.e., with Brazil, Argentina, Bolivia, Haiti, Guyana, or Colombia). For example, if you select the Dominican Republic, then you will focus on its borderlands with Haiti. If you select Cuba, then you will focus on one of the sea crossings between this island nation and one of the following places: Jamaica, Haiti or Florida. You and your team will collaboratively research, compile, upload and submit a Powerpoint presentation on your team's selected borderlands/frontier area. Each member of your team will contribute information about that frontier's relationship to dynamics and issues in at least one thematic area (i.e., population movements, the arts, economic change, identity, socio-political structures and events, health, the environment, international relations, borders, and technology), thus providing a more complex picture of Latin America. Although it will be a team-prepared Powerpoint, you will submit it individually, in the Blackboard drop box only, no later than the due date at 11:59 PM, US Mountain Time Zone. I will receive identical PowerPoints from each member of your Team. It may not be late. You will find additional details for the assignment and its drop box, after Week 1, in Blackboard in Content.

Extra credit may possibly be offered at the discretion of the instructor.

Attendance and Participation: For this online course, attendance is not graded. Participation is required and it affects your grade. Attendance and participation may possibly be reported to the University for administrative purposes.

TECHNOLOGY REQUIREMENTS

Course content is delivered via the Internet through the Blackboard learning management system and W. W. Norton publishers online, our Blackboard course's Tool Provider for quizzes and the main textbook (e-book). Ensure your UTEP e-mail account is working and that you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

You will need to have access to a desktop computer or laptop. You should **not** use a tablet or cell phone for this course, so that you may have no technical problems.

You will need to download or update the following software: Microsoft Office, Adobe Acrobat Reader, Windows Media Player, QuickTime, and Java. Check that your computer hardware and software are up-to-date and able to access all parts of the course.

If you do not have a word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP's Microsoft Office Portal. Click the following link for more information about [Microsoft Office 365](#) and follow the instructions.

IMPORTANT: If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP [Help Desk](#) as they are trained specifically in assisting with technological needs of students. Please do not contact me for this type of assistance unless it is a problem with a quiz or the e-book. In that case, I would refer you to the W. W. Norton helpdesk.

Course Communication: How We will stay in Contact with Each Other

Because this is an online class, we will not see each other in the ways you may be accustomed to. There are no class times, no small group meetings, and no face-to-face office hours. However, there are a number of ways we can keep the communication channels open.

Blackboard Collaborate and Email are my preferred methods of contact. A link will be listed in a Blackboard course announcement and email. Alternatively, to have a Skype or Messenger meeting or chat, notify me via email that you wish to send me a contact request (that must include your name, the class and section number, above). For a live phone call, you may use mobile numbers I can provide upon request.

- **Office Hours:** We will not be able to meet on campus, but I will still have office hours for your questions and comments about the course. My office hours will be held on Blackboard Collaborate via a link I will give you, and during the following times:

Mondays: 10-11 a.m. Mountain Time

Tuesdays: 10-11 a.m. Mountain Time

Wednesdays: 10-11 a.m. Mountain Time

My physical office location is in Liberal Arts room 320 on the El Paso main campus. However, I will not be on campus this summer and the main office may possibly operate with limited hours due to effects of the COVID-19 pandemic.

- **Email:** UTEP e-mail is one of the best ways to contact me. I will make every attempt to respond to your e-mail within 24-48 hours of receipt. When e-mailing me, be sure to email from your UTEP student account and please write your name, HIST 3301 and the CRN number in the subject line. In the body of your e-mail, clearly state your question. At the end of your e-mail, be sure to include your first and last name, and your university identification number.
- **Message Board:** If you have a question, you may post it in the Message Board inside of Blackboard.
- **Announcements:** Check the Blackboard announcements frequently for any updates, deadlines, or other important messages.
- **Alternative Skype or Messenger Contacts:** available upon request.

NETIQUETTE

You must uphold a mature level of interaction with fellow students and with the instructor. When you post anything in Blackboard or communicate via any other medium, **please respect other students, showing courtesy in all interactions.**

As we know, sometimes communication online can be challenging. It is possible to miscommunicate what we mean or to misunderstand what our classmates mean given the lack of body language and immediate feedback. Therefore, please keep these netiquette (network etiquette) guidelines in mind. Failure to observe them may result in disciplinary action.

- Always consider your audience. This is a college-level course; therefore, all communication should reflect polite consideration of other's ideas.
- Respect and courtesy must be provided to classmates and to the instructor at all times. **No harassment or inappropriate postings will be tolerated.**
- When responding to someone else's message, address the ideas, not the person. Post only what anyone would comfortably state in a face-to-face situation.
- Blackboard is not a public internet venue; all postings to it should be considered private and confidential. Whatever is posted in these online spaces is intended for classmates and professors only. **Please do not copy documents and paste them to a publicly accessible website, blog, or other space.**

Course Policies: What do you Need to Do to be Successful in the Course

You are responsible for understanding and abiding by the policies and procedures described below. Any problems that I encounter in this course may be reported to the Dean of Students.

ATTENDANCE, PARTICIPATION, AND ABSENCE POLICY

I measure student attendance and participation in this course according to the date and time of a student's most recent Blackboard log in and by the number of assignments and assessments completed. Your final letter grade is measured by the cumulative grades of all assignments and assessments as assigned, not by your attendance. Although attendance in the course hardly affects your grade, participation is a critical component of your grade. Attendance and participation may possibly be important for University or organizational administrative purposes.

DEADLINES AND LATE WORK

All assignments and assessments will be due on Thursdays at midnight (11:59 PM). The grades of any late works submitted for a grade after their deadlines will decrease at the rate of ten percent of the total possible value, per day late, with the exception of work due after Week 2. In the case of these later weeks, **submissions may not be late**. No late submissions will be accepted after that time, and no excuses will be accepted. As assessment deadlines are rigorous during the latter weeks of the course, they cannot be made up after the deadline.

EXCUSED ABSENCES AND COURSE DROP POLICY

You are entitled to drop this class with a grade of "W" until the official university drop deadline, as described in the Schedule of Classes and the University Catalog. You are responsible for dropping the class. There will be no faculty-initiated drops, except under special circumstances. If you feel that you are unable to complete the course successfully, please let me know and then contact the Registrar's Office to initiate the drop process. If you do not, you are at risk of receiving an "F" for the course.

ACCOMMODATIONS POLICY

The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented physical or other challenges in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a challenge must register with the UTEP Center for Accommodations and Support Services (CASS). Contact CASS at 915-747-5148, email them at cass@utep.edu, visit their website at <https://www.utep.edu/student-affairs/cass/> or apply for accommodations online via the CASS portal.

It is your responsibility to speak with a counselor in order to receive necessary help. Within the first week of the beginning of the semester, you must provide documentation from CASS in order to receive any accommodation(s). You must also consult the instructor in order to ensure timely accommodation. Failure to contact CASS, provide documentation, and consult the instructor in a timely manner may delay such accommodation(s) being made.

COVID-19 PRECAUTIONS, COVID-19 ACCOMMODATIONS AND STUDENT RESPONSIBILITIES

I encourage you to complete the COVID-19 student training at <https://covidtraining.questionpro.com/>.

I will not be on campus this semester and I believe that many of you also will probably not be on campus. Nonetheless, you must STAY AT HOME and REPORT if you:

- (1) have been diagnosed with COVID19,
- (2) are experiencing COVID-19 symptoms, or
- (3) have had recent contact with a person who has received a positive coronavirus test.

Reports should be made at screening.utep.edu. If you know people who should report any of these three criteria, encourage them to report. If the individuals cannot report, you can report on their behalf by sending an email to COVIDaction@utep.edu. For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website (screening.utep.edu) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to any other face-to-face classes when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible.

You are advised to minimize the number of encounters with others to avoid infection. Wear face coverings when in common areas of campus or when others are present. This class is online only. If you choose not to wear a face covering, you may not enter campus. If you remove your face covering, you may possibly be asked to put it on or leave campus. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from their classes and will be subject to disciplinary action according to Section 1.2.3 Health and Safety and Section 1.2.2.5 Disruptions in the UTEP Handbook of Operating Procedures.

Students are not permitted on campus when they have a positive COVID-19 test, exposure or symptoms. If you are not permitted on campus, you should contact the instructor(s) of those face-to-face classes as soon as possible so s/he/n/they can arrange necessary and appropriate accommodations.

Student responsibilities:

- Complete self-screening (screening.utep.edu) prior to every campus visit.
- Complete COVID-19 student training on the UTEP COVID-19 training website.
- Contact instructor if temporary accommodations due to COVID-19 are needed (i.e., due to positive COVID-19 test, symptoms, or exposure).
- If unable to wear a face covering (e.g., medical reasons), the best course of action is to enroll in courses that are entirely online or to work with academic advisors, if necessary, to identify alternative courses. If this is not possible, request an accommodation from Center for Accommodations and Support Services (CASS) prior to coming to campus for in-person activities. Students who receive an accommodation to not wear a face covering must share this with the professor and work to minimize contact with others in the class.

SCHOLASTIC INTEGRITY

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as ones' own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for possible disciplinary action. To learn more, please visit [HOOP: Student Conduct and Discipline](#).
