Course description:

Assessment in the Teaching of Literacy (3-0-2) Standardized and informal materials and techniques for diagnosing strengths and weaknesses of individuals and groups, techniques and materials for building specific reading abilities, and methods of individualizing instruction and grouping. Identification and reading strategies for dealing with dyslexia and other reading disorders. Restricted to minor: ALTC. Prerequisites: ECED 3335, or BED 3345, or RED 3335, or RED 3340, each with a grade of "C" or better, admission to Teacher Education and department approval. Field experience required.

Course objectives:

This course provides an overview of assessment of and for literacy learning, with an emphasis on identifying and correcting reading and writing difficulties at various stages of literacy development. Participants will learn about the ways in which children develop as readers and writers at the emergent, beginning, transitional, intermediate, and advanced stages of literacy development. The course will provide numerous opportunities to connect theories of reading and writing with both the State Board of Education Certification (SBEC) standards and the Texas Essential Knowledge and Skills for English Language Arts & Reading (TEKS ELA & R/Elementary). You will use formal and informal assessments to analyze students' literacy development and plan standards-based (TEKS) reading and writing instruction. This core course incorporates the following State Board for Educator Certification (SBEC) standards and Professional Responsibilities (PPR) EC-12 competencies:

- Understands basic principles of assessment and plans instruction and ongoing assessments that motivate students and are responsive to their developmental characteristics and needs (SBEC, Standard 10; PPR I, Competency 1).
- Understands literacy development and designs literacy assessments & experiences that are responsive to differences among students and that promote all students' learning (SBEC, Standard 4; PPR I, Competency 2).
- Designs effective and coherent instruction and assessment based on appropriate learning goals and objectives (PPR I, Competency 3).
- Plans effective, engaging instruction and appropriate assessments (PPR I, Competency 4).
- Applies principles and strategies for communicating effectively in varied teaching and learning contexts and promotes inquiry skills as tools for learning (SBEC, Standard 11; PPR I, III; Technology Applications I-V, Competency 7).
- Monitors student performance and achievement; provides students with timely, high quality feedback; and responds flexibly to promote learning for all students (PPR I, III; Technology Applications I-V, Competency 10)

Student learning outcomes:

Upon completion of this course, students will:

- 1) Know the importance of oral language, know the developmental processes of oral language and provide a variety of instructional opportunities for young students to develop listening and speaking skills (SBEC Language Arts & Reading EC-6, Standard 1; TEKS ELA & R, K-5th Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Discussion, & Thinking—Oral Language*).
- 2) Identify the components phonological and phonemic awareness and utilize a variety of approaches to help young students develop this awareness and its relationship to written language (SBEC Language Arts & Reading EC-6, Standard 2; TEKS ELA & R, K-2nd Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Reading, Writing & Thinking—Phonological Awareness*).
- 3) Articulate the importance of the alphabetic principle to reading English, know the elements of the alphabetic principle and provide instruction that helps students understand that printed words consist of graphic representations that relate to the sounds of spoken language in conventional and intentional ways (SBEC Language Arts & Reading EC-6, Standard 3; TEKS ELAR K Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Reading, Writing & Thinking—Print Awareness & Spelling Knowledge*).
- 4) Compare and contrast how literacy develops over time, progressing from emergent to proficient stages and uses a variety of approaches to support the development of students' literacy (SBEC Language Arts & Reading EC-6, Standard 4; TEKS ELA & R, K-5th, Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Reading, Writing & Thinking—Beginning Reading & Writing*).
- 5) Distinguish the importance of word analysis and decoding to reading and provide many opportunities for students to improve word analysis and decoding abilities (SBEC Language Arts & Reading EC-6, Standard 5; TEKS ELA & R, K-5th Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Reading, Writing & Thinking—Beginning Reading & Writing—Phonetic Knowledge, Spelling Knowledge, & Vocabulary*).
- 6) Recognize the importance of fluency to comprehension and provide many opportunities for students to improve reading fluency (SBEC Language Arts & Reading EC-6, Standard 6; TEKS ELA & R, 1st-5th: Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Reading, Writing & Thinking—Fluency*).
- 7) Distinguish the importance of reading for understanding, know the components of comprehension and teach young students strategies for improving comprehension (SBEC Language Arts & Reading EC-6, Standard 7; TEKS ELA & R, K-5th *Comprehension Skills, Response Skills, Multiple Genres: Literary Elements & Genres, & Author's Purpose & Craft*).
- 8) Understand that writing to communicate is a developmental process and provide instruction that helps young students develop competence in written communication and writing conventions (SBEC Language Arts & Reading EC-6, Standards 8 & 9; TEKS ELA & R, K-5th: *Composition—Writing Process & Genres*).
- 9) Identify the basic principles of assessment and use a variety of literacy assessment practices to plan and implement literacy instruction for young students (SBEC Language Arts & Reading EC-6, Standard 10; TEKS ELA & R, K-5th Developing & Sustaining Foundational Language Skills: *Listening, Speaking, Reading, Writing & Thinking—Beginning Reading & Writing, Vocabulary, Fluency, Comprehension Skills, Response Skills, & Composition*).

- 10) Value the importance of study & inquiry skills as tools for learning and promote students' development in interpreting, analyzing, and evaluating media literacies (SBEC Language Arts & Reading EC-6, Standards 11 & 12; TEKS ELA & R, K-5th *Inquiry & Research*).

Course requirements:

Successful completion of this course will be based on several key elements:

Reading Lesson Plans (25 points). To understand and differentiate the Texas Essential Knowledge & Skills (TEKS) for English Language Arts and Reading, you will write a phonemic awareness lesson plan, a phonics lesson plan, a vocabulary lesson plan, a fluency lesson plan, and a comprehension lesson plan. **Use the kindergarten to fifth grade English Language Arts & Reading TEKS** and submit a total of five (5) instructional lesson plans for direct instruction for each of the 5 areas: phonemic awareness, phonics, fluency, vocabulary development, and comprehension. Lesson plans must include a clear description of learning objective and the grade level TEKS performance standard for each reading area. Additionally, each lesson plan must include a clear description of the materials, anticipatory set, teaching (input, modeling, checking for understanding), guided practice, closure, independent practice, and formative assessment. **Points will be deducted for late submission of the assignments.** A rubric for the five reading lesson plans can be found in the appendix.

Literacy Diagnostic Kit (5 points). In order to organize a variety of informal literacy assessments for use with the literacy case study report, you will create a literacy diagnostic kit. Each student will create their own literacy diagnostic kit. Using copies of assessments from the Cockrum & Shanker and Helman et al. textbooks as well as literacy assessments distributed in class, you will organize literacy assessments according to the following categories: *Phonemic Awareness & Letter Knowledge; Elementary Spelling Inventory; Assessing Decoding Skills—Phonics & Structural Analysis; Assessing Fluency & Comprehension Knowledge—Sight Vocabulary Assessments, Grade-level Oral Reading Passages, & Estimate of Reading Comprehension; Reading Motivation Survey; and Literature Quick Write.* **Please make the one-sided copies of pages from the Cockrum & Shanker and Helman et al. books BEFORE Monday morning 3/26/18.** A rubric for the literacy diagnostic kit can be found in the appendix.

Paired Word Study Demonstrations (10 points) In order to apply an understanding of orthographic development and word study strategies for English learners in the letter name-alphabetic, within-word pattern, syllables & affixes, & derivational relations stages, you will work with a partner or alone (only) to construct **one of the picture/word sorts** (from the Helman et al. textbook) for a letter name-alphabetic, within-word pattern, syllables & affixes, or derivational relations developmental spelling stage. These activities for English learners in each developmental spelling stage are at the end of the chapters in the textbook, *Words Their Way with English Learners: Word Study for Phonics, Vocabulary, and Spelling*; chapter 5 (letter name-alphabetic stage), chapter 6 (within-word pattern stage), chapter 7 (syllables & affixes

stage) and chapter 8 (derivational relations stage). Choose a picture/word sort; games are not acceptable. Carefully read the information and procedures for the word study sort from the textbook and make an instructional activity to support English Learners' orthographic development. For copies of the picture/word sort, you will need to access the online PD Toolkit for *Words Their Way with English Learners*; click the Sorts & Games tab and search for the sort's number.

On the day of presentations, both students will act as the **teacher** and **share the teaching role**; you will select 4-5 volunteers from the class to act as your students **for a 7-10-minute word study lesson demonstration**. **Points will be deducted for word study lesson demonstrations exceeding 10 minutes**. Begin by clearly stating the title of the word study sort, the literacy development stage/grade level, the aligned TEKS standard, and an explanation of the purpose of the word study activity. Both students will then demonstrate the word sort using the following format:

1. Introduce the sort and **name and clarify** the meaning of the pictures and/or words.
2. Ask students **what they notice** about the pictures/words and get students' ideas about what the categories will be.
3. Present the **key picture/word (headers)** for each **category** and place it at the top for each column.
4. **Model** how to place several pictures/words in each category by using a **think aloud**: *Say aloud the picture/word, compare it to the header picture/word, and then explain why the word/picture fits in the category*. **Sort at least one word/picture for each category** before asking for students' help.

The teacher demonstration is followed by student practice whereby the group of volunteer students will practice sorting the pictures/words into the categories. Use the following format for guided student practice:

1. Student says the picture/word **aloud** & decides which category to place it in.
2. When all the pictures/words have been sorted into categories, the students **read aloud** the pictures/words in each column and **checks for accuracy** and makes changes.
3. Students **tell their conclusions (make generalizations)** about the sounds, patterns, and other features of the pictures/words and tell what they learned about the feature(s) of the word sort (**reflection**).

Your lesson demonstration should last between 7-10 minutes. On the day of the lesson demonstration, you should provide **one, one-page** handout that includes the following: (1) title of the word sort, developmental & spelling stages, TEKS standard and a short explanation of the purpose of the word sort—i.e. feature. (2) an explanation of how you would extend the word study activity for repeated practice i.e. buddy sorts, write words in word study notebooks, re-sorts & word hunts, games, etc. (3) an explanation of how you will assess students' knowledge of the spelling feature sound, pattern, meaning. A rubric for the paired activity demonstration can be found in the appendix

Field Experience: Literacy Case Study Report (25 points). As part of this course, you and a partner will have the opportunity to compile a case study report that interprets & summarizes a variety of literacy assessments. Select a struggling learner in grades **one to five** and administer a variety of reading & writing assessments throughout the course. Partners (groups of three are not allowed) will analyze the results of literacy assessments, plan instruction, and develop literacy goals to improve the student's reading and writing competence. Upon completing the literacy diagnostic kit, begin administering the literacy tests, and then describe & interpret the results of each assessment. You will administer the following literacy assessments:

- Phonemic Awareness Assessments (if PA problems)
- Decoding Tests: Phonics and/or Structural Analysis Assessments
- Elementary Spelling Inventory
- Sight Vocabulary Assessment
- Fluency Assessment of Oral Reading (Grade Level Passages)—video or tape record.
- Estimate of Reading Comprehension Level
- Reading Motivation Survey
- Literature Quick-Write

The case study report should include:

- a) Background Information: a description of your diagnostic subject (the student).
- b) Assessments Administered: a description of each assessment administered the student's scores.
- c) Interpretation: an analysis of the results of each test administered and the scores are interpreted.
- d) Summary: a clear summary of the grade level of the student's independent, instructional, & frustration reading levels based on the results of the **oral reading passages** that were administered to your diagnostic subject.
- e) Recommendations: a clear description of the child's literacy strengths & weaknesses based on the results of the literacy assessments administered to your diagnostic subject. A clear summary of 7-8 research-based instructional recommendations based on the student's spelling stage, decoding ability, sight word knowledge, fluency, comprehension, attitude, and writing.
- f) Goals for Future Instruction/Intervention: a clear description of 5-6 goals for future instruction/intervention that are tied to assessment results and grade level TEKS expectations.
- g) Artifacts: the student's spelling & writing samples and the examiner's copy for each assessment administered as well as the spelling feature analysis sheet are scanned into **one** pdf document.

Your literacy case study report may be a Power Point or Word document. In class, you will work in groups to review administered literacy assessments (artifacts) and revise your literacy case study reports for alignment of 7-8 research-based reading & writing recommendations for future instruction tied to assessment results as well as the 5-6 goals tied to grade-level TEKS for future instruction/intervention. You and your partner will submit your case study report and artifacts as one pdf file to kmein@utep.edu. A rubric for the literacy case study report can be found in the appendix.

Midterm & final exam (10 points midterm; 15 points final exam) – There will be two exams in this course, one mid-term and one final. One key purpose of these exams is to help prepare you for the TExES and PPR certification exams that you are required to take before student teaching. The mid-term will cover all readings and class content from the first part of the course, while the final exam will be comprehensive, covering all readings and class content from the entire semester. Questions will be multiple choice and short answer and will be similar to those found on the TExES/PPR exams.

Quizzes (10 points) All assigned readings must be completed before each class session. The readings will form the basis of quizzes, class discussions, and activities. In a community of

learners, participation in class discussions and collaborative group work is key to your success as learners. I encourage you to ask questions and actively engage in class discussions and tasks. There will be a quiz at the end of ten classes and each completed quiz will count one point each. For homework readings, you are given a list of questions in the syllabus to think about during reading. Use these questions (located in the course schedule of the syllabus) to guide your reading of the chapter and prepare written answers to the questions. I will not collect the written responses; however, you can refer to your written answers in class during discussions and quizzes at the end of each class. Quiz questions will be multiple choice and short answer and similar to those found on the TExES/PPR exams; quizzes will be posted on Blackboard (inside the daily folder) after each class and used as study guides for the midterm & final exams.

Attendance Policy:

Your attendance and active participation are vital to this course. The Teacher Education Department considers missing more than **one day** of class as excessive. **Two times late for class (tardy) will count as one unexcused absence. After two absences, the student may be dropped for lack of attendance.** If you miss one day of class, contact me immediately via email at kmein@utep.edu.

Disability Policy:

If you have or believe you have a disability, you may wish to self-identify. You can do so by providing documentation to the Center for Accommodations and Support (CASS) formerly

known as the Disabled Student Services Office (DSSO) located in Union E Room 203. Students who have been designated as disabled must reactivate their standing with the Center for Accommodations and Support (CASS) on a yearly basis. Failure to report to this office will place a student on the inactive list and nullify benefits received. If you have a condition which may affect your ability to exit safely from the premises in an emergency or which may cause an emergency during class, you are encouraged to discuss this in confidence with the instructor and/or the director of the Center for Accommodations and Support Services (CASS)-- <http://sa.utep.edu/cass/> . You may call 747-5148 for general information about the Americans with Disabilities Act (ADA).

Standards of Academic Integrity:

Students are expected to uphold the highest standards of academic integrity. Any form of scholastic dishonesty is an affront to the pursuit of knowledge and jeopardizes the quality of the degree awarded to all graduates of UTEP. Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures (HOP) and available in the Office of the Dean of Students, may result in sanctions from disciplinary probation, to failing grades on the work in question, to failing grades in the course, to suspension or dismissal among others.

Equal Education Opportunity

In order to create equal educational opportunities in the class, all students are expected to demonstrate respect for the diverse voices and individual differences in the class. Particularly, no person shall be excluded from participation in, denied benefits of, or be subject to discrimination under any program or activity sponsored or conducted by the University of Texas at El Paso on the basis of race, color, national origin, religion, sex, age, veteran status, disability, or sexual orientation. Any member of the University community who engages in discrimination or other conduct in violation of University policy is subject to the full range of disciplinary action, up to and including separation from the University. Complaints regarding discrimination should be reported to the University's Equal Opportunity Office. Inquiries regarding applicable policies should be addressed to the University's Equal Opportunity Office, Kelly Hall, 3rd Floor, 915.747.5662 or eoaa@utep.edu<<mailto:eoaa@utep.edu>>.
