Required Texts:

- *A Long Walk to Water* by Linda Sue Park
- *Finding Baba Yaga* by Jane Yolen
- *The Metamorphosis* by Peter Kuper
- *The Arrival* by Shaun Tan

NB: Be sure to have these texts by the first day of class. If the UTEP bookstore does not have the above books for sale, you should purchase the books from a web site such as Amazon.com, Barnes & Noble, or Half.com and have them shipped to you in one or two days. In other words, it is your responsibility to secure the texts that are required for this class. Not having any of the texts is not an excuse for missing an assignment.

Purpose

This course is designed to help you become an independent and critical thinker, writer, & learner; gain a working knowledge of the various manners, modes, and genres of literature for children; to learn various theories of childhood and cognitive development, to learn to read subtext in literature for children; and discover ways to develop educational activities in the language arts classroom using literature for children.
A University Class

When you enroll in a class at the university, you are agreeing to enter into an organized experience that has the following components: class meetings via Zoom twice per week (presentations, whole class discussions, and small group discussions), readings in chosen texts, and various written assignments. To gain as much as possible from this experience, to learn in both formal and informal ways, and to expand your schema, you should organize your time so that you can attend all class meetings, so that you can carefully read and respond to the selected texts, and so that you can successfully complete all written assignments. The following policies are designed to help you derive as much as possible from this university class.

Online Class Meetings

• This class will meet via Zoom online from 10:30 – 11:50 a.m. on Tuesday & Thursday of each week. Just as you would need to be physically present in a class that meets face-to-face, so too must you be physically present and attentive during each Zoom class meeting.

• During each class, for the entire class, your camera must be turned on and you must be physically present (eg., within camera view eg., 1-3 feet away from the camera) to be counted as present. If your camera is not turned on and/or if you are not within camera view for the entire class, you will be counted as absent.

• Moreover, you need to be able to actively participate during each class meeting, that is, in breakout rooms and in whole class sessions. That means that you need to be fully present for each class and not have your attention divided with other activities, such as a job, being in a car, doing other classwork, attending to other electronic devices, or doing anything else that might preclude you from actively participating in this class.

• If you cannot commit to being 100% present physically and mentally during every class, then this online class is not for you.

Attendance

• Because most of what you will learn in this course will result from your active involvement in each of class activity, you must attend every class.

• If you miss class 5 times, you have 1 of 2 choices: either accept the loss of 1 letter grade for the semester or complete the following outside activity:
*Outside activity: watch and respond to 2 YouTube videos:
  https://www.ted.com/talks/sir_ken_robinson_how_to_escape_education_s_death_valley
  https://www.ted.com/talks/sir_ken_robinson_bring_on_the_learning_revolution
a. State the thesis of each talk by Ken Robinson.
b. State the main points of each talk.
c. In a 2 page essay for each talk, discuss how 4 ideas that Robinson presented connect with ideas and/or strategies that have been presented in this class.
d. You must earn the grade of “C” or better for this to ameliorate an absence. See the assessment criteria for academic writing on page 11 in this syllabus.

- If you miss class 6 times (regardless of the reasons, except for UTEP requirements), you will be unable to achieve a passing grade for this class and a grade of “F” will be recorded.
- If you miss 6 classes, you should drop this class.
- It is your responsibility to keep track of the number of your absences.

NB: One reason, among many, why it is important that you attend all class meetings is because the reflective essays that you will write will focus on what you learned during class meetings connects with ideas in the textbook. As such, it is important (for your learning and your success in writing the reflective essays) that you take careful and detailed notes for each class meeting.

a) If you attend every class without being late or leaving early, 20 points (not 20 percentage points) will be added to the individual points (not percentage points) you have accumulated by the end of the semester.

b) Arrive at least 2 minutes before 9:00 a.m.; class will begin promptly at 9:00. Continued late arrivals may be counted as absences.

c) Since this class is online synchronous class, your camera must be turned on during the entire class. If your camera is not turned on for the whole class (and when your camera is turned on, you must be physically present, that is, in view of the camera), it will be counted as an absence.

d) Do not work on assignments or activities for other classes during class.
Special Circumstances

If you experience a significant problem during the semester, one that will affect your attendance or grade, please let me know ASAP and well before the end of the semester so that you and I can take steps to address the problem, especially if the problem will have a potentially adverse effect on your grade. For these kinds of situations, an official verification (e.g., doctor’s note) will be required.

Communication

- I will communicate with you in person (during Zoom meetings) and via UTEP e-mail & BlackBoard Announcements. I will respond to e-mails within 24 hours, if not sooner.
- I recommend that you download and install Outlook Express on your phone and/or computer.
- If you need to speak to me, we can meet by appointment via Zoom.
- Check your UTEP e-mail and BlackBoard announcements regularly, at least once per day.

Technology Requirements

- Some of the course content is delivered via the Internet through the Blackboard learning management system. Be sure that your UTEP e-mail account is working and that you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.
- Access to a working computer/laptop, a scanner, a webcam, and a microphone. The camera needs to be working and to be on for the whole of every class meeting.
- Download or update the following software: Zoom, Microsoft Office, Adobe Acrobat Reader, QuickTime, and Java. Check that your computer hardware and software are up-to-date and able to access all parts of the course.
- If you do not have a word-processing software, you can download Microsoft Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP’s Microsoft Office Portal.
Click the following link for more information about Microsoft Office 365 and follow the instructions.

**NB:** If you encounter technical difficulties, please contact the UTEP Help Desk, as the personnel there are trained specifically in handling the technological needs of students.

**Grading Scale**

A=90-100% (excellent), B=80-89% (superior), C=70-79% (competent), D=60-69% (less than competent), F=0-59% (failing).

**Grades**

Grades will be based on the total number points earned for the course; cumulative points and percentages can be seen at any time on BlackBoard.

**Assignments & Due Dates:**

- Assignments — point values, due dates & times, directions, examples, and assessment criteria — are posted on BlackBoard.
- Upload all completed assignments to BlackBoard by the due dates & times.
  
  **NB:** To meet educational needs, assignments may be added throughout the semester; if so, they will be posted on BlackBoard.

- 12 point font
- *Only* Times New Roman or Georgia or Century Schoolbook (font)
- black ink
- double-spacing
- one-inch margins
- page numbers at the bottom

*Assignments that do not adhere to the criteria for “Manuscript Form” will lose 1 letter grade.*

Assignments that are *not double-spaced* will be returned to you to reformat.

**NB:** Before you post written work, take it to a qualified source for suggestions regarding revising and editing, such as the Tutorial/Writing Center in the UTEP Library: [https://www.utep.edu/uwc/](https://www.utep.edu/uwc/). Pay careful attention to the grading criteria for standard academic writing on page 11 and to the assessment form for each assignment.

Late Work

- Late assignments lose 1 letter grade per 24 hours late (see the assignments on BlackBoard).

- Having a grade of 0 for any assignment will have a significant negative impact on your overall grade for the course.

  **NB:** Do not wait until the “last minute” to work on an assignment.

Disability Support

If you have a disability and need classroom accommodations, contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, visit the CASS website at [https://www.utep.edu/student-affairs/cass/](https://www.utep.edu/student-affairs/cass/). If you receive accommodations from CASS, contact me and let me know the nature of those accommodations.
COVID-19

If you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms, please stay home (for face-to-face classes). If you are diagnosed with Covid-19, please let me know as soon as possible, so that we can work out appropriate accommodations, if necessary. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing: Union East, 915-747-5624, studenthealth@utep.edu

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best ways that UTEP Miners can take care of Miners are to wear a mask indoors and to get the vaccine. If you need the vaccine, it is widely available in the El Paso area and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Personal Support

If you find that you are in need of personal support during the semester, contact UTEP Counseling & Psychological Services: 202 Union West, 915-747-5302 or https://www.utep.edu/student-affairs/consel/- or call the 24 hour Emergency Crisis Hotline at 915-779-1800.

Plagiarism

If you obtain work from someone else and submit it as your own; if you use any material from another source in your work and do not give direct credit to your source; or if someone with whom you are working creates/writes any part of the work for you, you are plagiarizing. Acts of plagiarism and other forms of academic dishonesty are absolutely disallowed and will be dealt with swiftly according to UTEP’s established policy.
Writing Skills

While all languages are incredibly valuable, each one possessing its own essential beauty, power, and grandeur, this is an upper-level English class; as such, you should possess those writing skills that are necessary for you to express your thoughts in clear and effective language in English (academic prose), which is to say, you:

- should be able to develop your original and insightful thoughts in a written form that is clear and cohesive;
- should have a strong and clear “voice”;
- should be able to support general assertions with facts, examples, illustrations, and explanations;
- should be able to create a sense of logical coherence in your writing;
- should be able to construct clear and effective sentences;
- should be able to use language that is precise, specific, and concrete;
- should be able to connect your paragraphs and sentences by using transitional devices;
- and should be able to use standard punctuation, mechanical constructions, and spelling.

Academic Writing Considerations

- Assignments that are hastily written and/or that are written at the last minute are generally ineffective because they do not communicate what the writer generally intends or desires.
- Writing that is only rendered in one draft is never as ineffective as it could be.
- Writing that is “stream of consciousness,” that is, writing that “just comes out of the writer’s head” without thought about structure, coherence, or organization is generally ineffective.
- Writing that is clearly organized and coherent is effective — writing that is, for example, organized into paragraphs where each paragraph has a clear topic sentence that presents one idea to be developed. Each paragraph develops the idea in the topic sentence with facts, examples, illustrations, and clear explanations. Each sentence in the paragraph is connection to the one the precedes and the one that follows it.
- Because effective academic writing is generally very different from the way we normally think and talk, it requires time, thought (a deliberate attempt to reorganize and order random thoughts), and focused revision(s).
Support for Writing

1. If you do not possess the requisite writing skills to be able to construct effective academic prose, or if you are not sure how to construct academic prose (see the assessment criteria for standard academic writing on page 11), I strongly advise you to secure assistance from a qualified source and to put together an immediate, proactive plan that will help you become a more effective writer.

2. I will be glad to help you by appointment. I will also be glad to talk with you about an assignment before it is due. If you wish to talk with me about an assignment before it is due, arrange to meet with me via Zoom; bring a draft of your assignment and have specific questions about your draft, that is, have questions that will let me know what concerns you have about your work and what, specifically, you wish to discuss.

3. You can receive help online from the Tutorial/Writing Center in the UTEP Library: [https://www.utep.edu/uwc/](https://www.utep.edu/uwc/)

Questions or Concerns

- If you have any questions or concerns about anything in the syllabus or anything in the course at any time, please share them with me in person (Zoom) or via e-mail asap.
- If you do not share questions or concerns, then I have no way of knowing what is on your mind or how to be of assistance to you.

Netiquette

When e-mailing me, please begin with an appropriate greeting (e.g., Dear Dr. Polette, or Hello Dr. Polette, or Good Morning Dr. Polette, etc.), and also provide your name and what class you are in (e.g., This is ______ ____, and I am in your class, Engl _______ ), since I teach more than one class.
Course Drop Policy

According to UTEP Curriculum and Classroom Policies, “When, in the judgment of the instructor, a student has been absent to such a degree as to impair his or her status relative to credit for the course, the instructor may drop the student from the class with a grade of “W” before the course drop deadline and with a grade of “F” after the course drop deadline.” If you find that you are unable to complete this course successfully, then contact the Registrar’s Office to initiate the drop process.

**NB:** The UTEP drop deadline is **April 1st.**

3. Each paragraph contains facts, example(s), and/or an illustration that relates to the idea in the topic sentence.

4. Proper punctuation: comma, semi-colon, apostrophe, etc. Words are spelled correctly.
