Course Purpose and Design: We will examine the work of women artists in western culture from Ancient Greece to the present, and determine the material conditions that made it possible (or not) for women to be artists. We will analyze the works of art themselves in terms of genre, design, and subject matter. Also, we will examine the significance of gender and art.

Course Objectives and General Education Outcomes: Women and Fine Art will provide students with the opportunity to focus more closely on the conditions that made it possible or impossible for creative women to produce art. Students who are successful in Women and Fine Art will have an increased ability to interpret artistic works as a part of a culture, be able to justify those interpretations, and be able to look at works or historical events from different perspectives. Students will have an increased inclination to engage in the humanities, and they will also have an increased knowledge of a certain aspect of culture, namely the ways in which gender impacts opportunity and production.

COURSE REQUIREMENTS AND GRADING:

Three (3) exams worth 100 points each (300 points total) Exams will consist of essay questions.

10 Quizzes worth 10 points each (100 points total) Quizzes are based on weekly readings in texts and on articles from internet (links posted in modules).

10 Response papers worth 10 points each (100 points total) Response papers are based on weekly readings and on articles from internet (links posted in modules).
**Group Discussions worth 100 points.** You must start the discussion early in the week by posting an individual thread to the group question. Your post should be at least 100 words, and you should post at least three times each week in order to receive full credit. You are welcome to discuss asynchronously, which means at your convenience.

**In order to receive full credit for your weekly discussion, your group should submit TWO (2) group reports by 11:30 PM Saturday night.** There are two group reports: 1) attendance report and 2) discussion summary.

- **Attendance Report:** Each week, a member of your group will post a report listing the names of group members who participated in group discussion and how often each group member posted.

- **Discussion Summary:** Each week, a member of your group will post a summary of your discussion.

**Group Selection:** Early in the semester groups of 4-5 students each will be determined by the professor's random selection. Group duties will be rotated each week; group members will determine the rotation. There are 3 positions: a group leader, a group recorder, and a group messenger. If there is a fourth or fifth member to any group, those members get the week off.

**Duties of Group Members:** Group leaders shall act as group organizers, directing group activities, keeping the group on task, and checking that all group work is properly recorded and reported and returned. Group recorder takes notes for the group and submits the Discussion Summary on the group discussion board. The group messenger takes "virtual" attendance each week and posts that information on the group discussion board as well.

Any plagiarism, cheating, or collusion to cheat observed in this class will be reported to the Dean of Students who will initiate disciplinary proceedings. Do not risk your good name and your future based on anxiety about grades, peer pressure, lack of time management, or feeling overwhelmed.
