# How to set up your online Calculus course - Math 1508

Go to the web page webassign.net.   It will look like the screen shot below. Click in the upper right corner - the grey box that says enter class key

This following window should appear:

ENROLL WITH CLASS KEY

Enter the Class Key that you received from your instructor. You will only need to complete this once. After you have created your account, you can log in on the main page.

Class Keys generally start with an institution code, followed by two sets of four digits.

Enroll

# Now enter the class key. **Utep 5570 3717** as in the image below

And click on **"enroll"**

ENROLL WITH CLASS KEY

Enter the Class Key that you received from your instructor. You will only need to complete this once. After you have created your account, you can log in on the main page.

| utep | 5570 | 3717 |

Class Keys generally start with an institution code, followed by two sets of four digits.

Enroll

You should then see the following screen and click on "yes this is my class

YOUR CLASS KEY HAS BEEN RECOGNIZED

Verify Class Information

Course: Math 1508 – 25315
Instructor: Louise Guthrie
Institution: University of Texas at El Paso

No, this is not my class   Yes, this is my class

You will next see a screen that looks like the one below - you should click "create account if do not have a web assign account from a previous semester.

YOUR CLASS KEY HAS BEEN RECOGNIZED

If you haven't done so already, link your WebAssign account to a Cengage account. More information

Not your class?

SIGN IN

Use your Cengage account to sign in to WebAssign.

Email Address or Username

Password   Forget?

Create Account   Sign In

If you have a web assign account from a previous semester - you should click 'sign in" and then enter your email and password that you used before.

For students new to web assign, in the next screen, you will create your account - this (and all the steps above are only done this one time.)

The mail (preferably your miners email) and password you set will be used every time you log in to webassign in the future.

CREATE ACCOUNT

Create a Cengage account for increased security and access to a wide range of learning resources in addition to WebAssign. **Already have a Cengage Account? Sign in here.**

Email Address

First Name

Last Name

Student ID (optional)

Birth Year 2020

I want to receive exclusive Cengage offers and discounts.
○ **Yes** ○ **No**

Be careful to scroll down this page so you can enter your password and
Be sure to agree to the two conditions at the bottom before you select "create account"

Re-enter Password

To continue using WebAssign, you must accept the terms of the Cengage
Terms of Use and Cengage Privacy Policy.

☐ I have read and agree to the Cengage Terms of Use

☐ I have read and agree to the Cengage Privacy Policy

Create Account

You will now be able to click through a few messages and see a page that looks like THIS:

CHOOSE THE Math 1508 book and you will see the course - you have two weeks to use web assign for free - so the 2 week trial won't begin until January 21, the first day of class.

If you are setting this up before the 21st - you will not be able to view the assignments or start to work.

The next time you log in -

You go to.webassign.net , but when you see the startup screen, choose LOG IN from the top right - then use your password and email that you used to create your account.
