

# How to set up your online Calculus course - Math 1508

---

Go to the web page [webassign.net](http://webassign.net). It will look like the screen shot below. Click in the upper right corner - the grey box that says enter class key

The screenshot shows the top navigation bar of the WebAssign website. On the left, there is the Cengage | WebAssign logo. In the center, there are links for 'Instructor Sign Up' and 'Contact Us'. On the right, there are two buttons: a grey button labeled 'ENTER CLASS KEY' and a red button labeled 'LOG IN'. Below the navigation bar, there are four menu items: 'CATALOG', 'INSTRUCTORS', 'STUDENTS', and 'SUPPORT', each with a downward arrow. To the right of these is a search bar with the word 'Search' and a magnifying glass icon. Below the navigation bar is a large banner image. The banner features a woman sitting in a white chair, using a laptop. The text on the banner reads: 'A Fresh Look at WebAssign' followed by 'A fresh, new look for improved learning experiences at all levels has arrived.' and a red button labeled 'LEARN MORE'. At the bottom of the banner, there are three small circles: a red one on the left and two grey ones on the right.

This following window should appear:

## ENROLL WITH CLASS KEY

Enter the Class Key that you received from your instructor. You will only need to complete this once. After you have created your account, you can log in on the main page.

*Class Keys generally start with an institution code, followed by two sets of four digits.*

Enroll

Now  
enter the class key. **utep 0449 8835** as in the image  
below

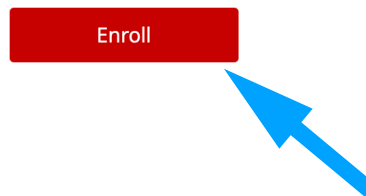

And click on **“enroll”**

## ENROLL WITH CLASS KEY

Enter the Class Key that you received from your instructor. You will only need to complete this once. After you have created your account, you can log in on the main page.

<input type="text" value="utep"/>	<input type="text" value="0449"/>	<input type="text" value="8835"/>
-----------------------------------	-----------------------------------	-----------------------------------

*Class Keys generally start with an institution code, followed by two sets of four digits.*

You should then see the following screen and click on **“yes this is my class**

# YOUR CLASS KEY HAS BEEN RECOGNIZED

Verify Class Information

**Course:** Math 1508 – 28433  
**Instructor:** Louise Guthrie  
**Institution:** University of Texas at El Paso

No, this is not my class

Yes, this is my class

You will next see a screen that looks like the one below - you should click “create account if do not have a web assign account from a previous semester.

## YOUR CLASS KEY HAS BEEN RECOGNIZED

If you haven't done so already, link your WebAssign account to a Cengage account. [More information](#)

**Course:** Math 1508 - 28433  
**Instructor:** Louise Guthrie  
**Institution:** University of Texas at El Paso

[Not your class?](#)

### SIGN IN

Use your Cengage account to sign in to WebAssign.

  
 [Forget?](#)

If you have a web assign account from a previous semester - you should click ‘sign in’ and then enter your email and password that you used before.

For students new to web assign, in the next screen, you will create your account - this ( and all the steps above are only done this one time. )

**The mail (preferably your miners email ) and password you set will be used every time you log in to webassign in the future.**

## CREATE ACCOUNT

Create a Cengage account for increased security and access to a wide range of learning resources in addition to WebAssign. **Already have a Cengage Account? [Sign in here.](#)**

Birth Year  

I want to receive exclusive Cengage offers and discounts.

Yes  No

Be careful to scroll down this page so you can enter your password and Be sure to agree to the two conditions at the bottom before you select “create account”

To continue using WebAssign, you must accept the terms of the [Cengage Terms of Use](#) and [Cengage Privacy Policy](#).

- I have read and agree to the Cengage Terms of Use
- I have read and agree to the Cengage Privacy Policy

Create Account

You will now be able to click through a few messages and see a page that looks like THIS:

The screenshot shows the Cengage Unlimited user interface. At the top left, a dark sidebar menu contains options like 'My Home', 'Courses', 'Browse Catalog', and 'Partner Offers'. The main header area displays the Cengage Unlimited logo, a search bar, and a 'Register another course or product' link. Below the header, a personalized greeting 'Hello joe' is shown. A prominent light blue banner contains the text 'Click "Subscribe Now" to purchase access to your course.' with a yellow 'Subscribe now' button. The main content area features two book covers: 'eBook for Larson's Precalculus' and 'Math 1508 25315' (with instructor Louise Guthrie). A blue arrow points to the 'Math 1508 25315' book. To the right, a blue box offers a 'Want a print version of your textbook?' with a 'Learn More' button. A bottom section shows a message: 'Here is your course. You can open any course that you're enrolled in from here.' with a '1 of 5' indicator.

CHOOSE THE Math 1508 book and you will see the course - you have two weeks to use web assign for free - so the 2 week trial won't begin until January 21, the first day of class.

If you are setting this up before the 21st - you will not be able to view the assignments or start to work.

## The next time you log in -

You go to [webassign.net](http://webassign.net) , but when you see the startup screen, choose LOG IN from the top right - then use your password and email that you used to create your account.

### A Fresh Look at WebAssign

A fresh, new look for improved learning experiences at all levels has arrived.

[LEARN MORE](#)

Good luck with the course!

Your first assignment is due January 22, and the first quiz is January 27.

Be sure to read the syllabus about quizzes (no retakes),  
Exams, exam retakes and asking for extensions on assignments.
