Course description

Students in this class conduct reading, writing, and research activities that promote critical and analytical thinking by exploring specific issues or topics through genre-based assignments, group discussions, and in-class presentations. Through these tasks, students improve their understanding of text genres, discourse communities, academic written discourse (including analysis, evaluation, and argumentation), as well as basic research procedures and college-level writing conventions. Major assignments include a genre analysis paper, a research proposal, a review of literature, a research project report, and an in-class project presentation. Students also engage in journal writing, generate progress reports, and take an in-class essay writing exam to demonstrate their competency in both academic discourse and standard written English

Hybrid course delivery

This section of ESOL 1312 is delivered in a hybrid format, with some class sessions held in the classroom and other instructional sessions or components conducted on-line. Hybrid classes demand that students develop good organizational and time-management skills, that they interact with instructors and classmates via computer-mediated communication as needed or required, and that students develop the ability to work independently. As with any other class, it is important to attend all sessions and it is crucial to devote the necessary computer time to the class (see attendance policy below).

Objectives

At the end of the course, students will be able to:

- Understand the relationships that exist among genres, texts, writers, readers, and context.
Different genres, text types, and types of arguments are discussed and analyzed, individually and in groups, focusing on both implicit and explicit information, in order to conduct a rhetorical analysis of texts (audience, goals, claims, language, images, format, etc.).
- Analyze and evaluate arguments in various texts and compose argumentative/persuasive essays.
Academic texts and logical argumentation constitute the focus of the analyses, although some examples of non-academic arguments may also be used to illustrate the nature of argumentation across genres and discourse communities. Text and discourse features to be identified and used include claims, warrants, supporting information, and counterarguments.
- Collect, evaluate, and summarize information from various sources relevant to a particular topic.
In order to prepare a feasible research proposal, and to gain knowledge about the topic selected, students will read, summarize, and evaluate texts from various sources and will synthesize this information in a review paper (using APA citation style).
- Conduct a research project to explore specific aspects or issues related to a particular topic.

Research guiding questions will be investigated mainly through secondary sources (library research), although some primary data may be obtained (if feasible). Projects will be explored objectively and thoughtfully, and the resulting reports (written/oral) will be composed following academic conventions relevant to college writing.

Learning Modules

This course is designed using a modular format—that is, each week is “packaged” as a single module so that all the materials, lecture notes, submission areas, discussion posts are in one area for a given week

Optional materials:

- Hacker, D., & Sommers, N. (2015). *A writer’s reference (with resources for multilingual writers and ESL)*, 8th Edition. Bedford/St. Martins.
- Any current monolingual collegiate dictionary such as Merriam-Webster's, Oxford, or Longman.

Grading

The final course grade is calculated as follows:

Genre analysis:	10%	Grades are assigned on this scale:
Literature review:	10%	A 90-100%
Research Proposal & Paper:	20%	B 80-89%
Oral presentation:	10%	C 70-79%
Homework/assignments:	10%	D 60-69%
2 In-class writing exams:	10%	F 0-59%
ESOL Lab	5%	
Departmental writing exam:	25%	

In order to pass the course, a grade of “C” or higher must be obtained. If a lower grade is obtained, the course must be re-taken.

Major course assignments and exams

The following is an overview of assignments for this course. Specific guidelines, instructions, and recommendations for each assignment will be provided in class and/or through Blackboard by the instructor.

- **Genre analysis** - Students will select two texts (on the same general topic) reflecting different genre characteristics and write a comparative essay focusing on rhetorical features.
- **Literature review** - Students will conduct secondary (library) research on a social, political, cultural, or ethical issue to become well-informed about the issue in question. Students will then write a literature review to summarize, evaluate, and synthesize the main arguments and ideas found in these sources.
- **Research proposal** - Students will write a research proposal that will focus on a specific aspect of the general topic investigated (see above). This may include the research question(s) to be explored, the thesis statement to guide the research, working outline or mapping of areas to be investigated or developed, annotated bibliography, etc.
- **Research report** – Students will develop a research project that includes a written report with a summary of the relevant literature and a thorough discussion of the main issues related to the topic selected. The report may include visual information, such as

graphs, diagrams, or tables. Students may complement their report with other texts (e.g., mini-poster, brochure, video, pod-cast) in which different aspects of the topic may be highlighted and different purposes achieved (persuasion, quick information delivery, awareness-raising, etc.)

- **Project presentation** – Students will create an oral presentation to be delivered in class in order to share the information learned throughout the course of their research.
- **Writing Exams (2):** This timed writing exam will focus on argumentative writing and APA documenting style. Students are required to take this exam with Respondus Monitor Lockdown browser.
- **Homework and other assignments:** In addition to the assignments described above, the course may include a variety of homework assignments and other writing tasks such as journal writing, brief analytical reports, quick in-progress reports, etc.

NOTE: Some modifications or adjustments may be made to the assignments described above according to the needs of students in each section.

ESOL Language Lab

In addition to regular classroom sessions, students are required to complete **8 hours** in the ESOL lab (located in Liberal Arts 238). The lab offers writing tutoring, computer-assisted language learning (CALL) activities, conversation practice, and a reading improvement program. These activities provide extended opportunities to review the topics covered in class and to engage in individual practice. Attending ESOL lab sessions constitutes an important and required part of the course. Lab attendance should be ongoing throughout the semester. By the middle of the semester, you need to have completed at least 4 hours. You may attend the lab as much as you would like, but only 2 hours per week will count toward the requirement. In some cases your instructor may assign an activity in the lab. The rest of the time you can choose your own activity.

Failure to complete the 8 hours will significantly lower the course grade. The class instructor will monitor students' attendance and work and assign a grade for weekly lab assignments. ESOL lab absences count the same as classroom absences.

Some Important ESOL Lab Policies*

- Students should follow all lab rules and procedures established by the Department of Languages and Linguistics.
- All students must bring their own headphones when working in the lab. The lab does not provide headphones.
- Only ESOL course-related work is allowed in the lab. Any activity unrelated to class may lead to suspension of lab privileges and/or failing the course.
- Food, drinks, chewing gum, and chatting or loud conversations are not allowed in the lab.
- Any disruptions or violation of lab rules will be reported to appropriate university authorities.

NOTE* The above is a partial list of ESOL lab rules and policies. An orientation to review additional rules and regulations is provided at the beginning of the semester. Rules and policies established for all UTEP computer labs also apply to the ESOL lab. It is the responsibility of the student to be aware of all relevant policies and regulations.

EXTRA CREDIT

You have the option of earning up to a maximum of 2% extra credit towards your final grade in this course. You can do this by completing extra credit assignments towards the end of the course or by participating in one or more research studies (approved by the ESOL Director) if they are offered to your

class. Each assignment or study participation is worth 1% extra credit.

TECHNOLOGY REQUIREMENTS

Course content is delivered via the Internet through the Blackboard learning management system. You will need:

- ✓ A computer, webcam and microphone
- ✓ A working UTEP email account
- ✓ Stable internet access
- ✓ Access to Blackboard (Bb). This tool will be used for most handouts, messages and announcements. Accordingly, all work will only be transmitted and submitted online.
- ✓ A Blackboard-friendly browser—Google Chrome & Mozilla Firefox are the best. Software including: MS Office, Adobe Acrobat Reader, Windows Media Player, QuickTime, and Java. If you do not have a word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) **for free** via UTEP's Microsoft Office Portal. Click the following link for more information about [Microsoft Office 365](#) and follow the instructions.
- ✓ Respondus Lockdown Browser (free download from Blackboard)

IMPORTANT: Check that your computer hardware and software are up-to-date and able to access all parts of the course. If your browser is not equipped to navigate the new Blackboard environment, then you may contact the technology “help” desk. You will also need to check the functionality of your sound drivers and flash and java plugins for participation in Collaborate sessions. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

If you encounter technical difficulties beyond your scope of troubleshooting, please contact the [UTEPA Help Desk \(helpdesk@utep.edu\)](mailto:helpdesk@utep.edu) as they are trained specifically in assisting with technological needs of students. Please do not contact me for this type of assistance. The Help Desk is much better equipped than I am to assist you!

NETIQUETTE

As we know, sometimes communication online can be challenging. It's possible to miscommunicate what we mean or to misunderstand what our classmates mean given the lack of body language and immediate feedback. Therefore, please keep these netiquette (network etiquette) guidelines in mind. Failure to observe them may result in disciplinary action.

- Always consider audience. This is a college-level course; therefore, all communication should reflect polite consideration of other's ideas.
- Respect and courtesy must be provided to classmates and to the instructor at all times. No harassment or inappropriate postings will be tolerated.
- Blackboard is not a public internet venue; all postings to it should be considered private and confidential. Whatever is posted on in these online spaces is intended for classmates and professor only. Please do not copy documents and paste them to a publicly accessible website, blog, or other space.

ATTENDANCE AND PARTICIPATION

Attendance is mandatory and active participation (in-class and/or online) is required. All in-class and/or online activities are designed to help students learn the material and acquire effective skills and

strategies. Instructors may drop students from the class if they miss too many classes (see attendance policy below) or class performance shows a lack of effort.

ATTENDANCE POLICY FOR ALL ESOL COURSES

To improve their language proficiency and academic literacy skills, students must be present in class, whether in-person or online, in order to participate in all class activities and engage in active practice. **Good attendance is a course requirement.**

IMPORTANT RULES TO KEEP IN MIND:

- During the fall or spring semester, students may be dropped from a MWF class after four consecutive absences or after accumulating a total of six absences, and from a TR class after three consecutive absences or after accumulating a total of four absences. For classes meeting every day, students may be dropped after five consecutive absences or a total of eight absences. During a four-week summer session, students may be dropped after two consecutive absences or accumulating a total of three absences. It is also important to keep in mind that students can also be dropped from the class for lack of effort (e.g., not turning in major assignments on time).

HOWEVER

- **Students who feel sick or have tested positive for COVID-19 should absolutely NOT come to campus!** If you are feeling sick, are exhibiting symptoms, or have tested positive for COVID-19, send an email to your instructor immediately. Your instructor will work with you to ensure that you can keep up with or make up your assignments or arrange for you to drop if it is not possible for you to complete the course.

NOTE: We hope that no UTEP student becomes seriously ill. In the unfortunate event that an ESOL student is unable to meet the commitments required to pass the course due to illness, the instructor will advise that student to drop the course. For this reason, it is also very important that you contact your instructor immediately if you are feeling ill.

- Late arrivals and early departures also carry penalties for purposes of dropping or lowering the course grade. Each student who arrives late is responsible for notifying the instructor at the end of the class period so his/her attendance can be recorded.

ACCOMMODATIONS AND COUNSELING SERVICES

- [Center for Accommodations and Support Services](#): Assists students with ADA-related accommodations. Students who need accommodations, go to <https://www.utep.edu/student-affairs/cass/> and if you want to contact staff at CASS, send them a message CASS@UTEP.EDU.
- [Counseling and Psychological Services](#): Provides a variety of counseling services including individual, couples, and group sessions as well as career and disability assessments.

SCHOLASTIC INTEGRITY

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing

unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as ones' own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for possible disciplinary action. To learn more, please visit [HOOP: Student Conduct and Discipline](#).

PLAGIARISM DETECTING SOFTWARE

Some of your course work and assessments may submitted to SafeAssign, a plagiarism detecting software. SafeAssign is used review assignment submissions for originality and will help you learn how to properly attribute sources rather than paraphrase.

ACCOMMODATIONS POLICY

The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented disabilities in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Contact the Center for Accommodations and Support Services at 915-747-5148, or email them at cass@utep.edu, or apply for accommodations online via the [CASS portal](#).

TEST PROCTORING SOFTWARE

Two course assessments (1 exam during the semester and a final exam) will make use of Respondus Lock Down Browser and Respondus Monitor inside of Blackboard to promote academic integrity. You are encouraged to learn more about how to use these programs prior to the first test.

Please review the following guidelines:

- The assessments will only be available at the times identified on Blackboard.
- A reliable Internet connection is essential to completing the exam. If you must go to a location to take the exam (such as the library), be sure to follow their health and safety requirements.
- Respondus Lockdown Browser will require that all internet tabs are closed prior to the start of the test.
- Respondus Monitor requires a webcam and microphone.
- You will be required to show the webcam your student ID prior to the start of the test.
- Your face should be completely visible during the test. Blocking the camera will disable the test.
- No notes or textbook materials are permitted during the test. Respondus Monitor requires you to take a video of your surrounding area (desk, chair, walls, etc.)

- You should not have conversations with other people and/or leave and return to the area during the test.

PLAGIARISM DETECTING SOFTWARE

Some of your course work and assessments may be submitted to SafeAssign, a plagiarism detecting software. SafeAssign is used to review assignment submissions for originality and will help you learn how to properly attribute sources rather than paraphrase.

COVID-19 PRECAUTIONS

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID 19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information **about the current rates, testing, and vaccinations, please visit epstrong.org**

Level 1) ESOL 1610

Level 2) ESOL 1406 & ESOL 1309 (both must be completed before enrolling in the next courses)

Level 3) ESOL 1311 & ESOL 1310 (both must be completed before enrolling in the next course)

Level 4) ESOL 1312

Note 1: ESOL 1311 and ESOL 1312 are credit-bearing courses with credits that count toward graduation, as they are equivalent to ENGL 1311 and ENGL 1312 (required first year composition courses at UTEP).

Note 2: All ESOL courses must be passed with a “C” or better before enrolling in the next course. Students who receive a D or F must retake the course and pass with a C or better before enrolling in the next level.
