Course Description: An evaluation of the musculoskeletal, neuromuscular, cardiopulmonary, and integumentary conditions encountered by physical therapists, with emphasis on physical therapist diagnosis are presented. Recognition of signs and symptoms associated with various conditions beyond the scope of physical therapist intervention is developed, enabling the practitioner to make appropriate referrals.

Course Prerequisites for DPT Students: The UTEP DPT Program curriculum is a lock-step curriculum. Therefore, students must pass all courses in the prior semester of the DPT Program in order to enroll in courses in the subsequent semester. Faculty may consider exceptions for PT 6116 PT Capstone Project I and PT 6117 PT Capstone Project II.

Course Objectives:

At the conclusion of this course, the student will be able to:

1. Recognize the signs and symptoms of a medical condition beyond the scope of practice for physical therapists. (7D16, 7D17, 7D20, 7D22, 7D24, 7D30, 7D33, 7D35, 7D36) [Knowledge]

 - a) Hematologic
 - b) Cardiovascular
 - c) Pulmonary
 - d) Endocrine
 - e) Musculoskeletal
 - f) Nervous
 - g) Hepatic & Biliary
 - h) Gastrointestinal
 - i) Reproductive
 - j) Urologic
 - k) Integumentary
 - l) Immunologic
3. Recognize and describe the medical “red flags” associated with selected medical conditions. (7C (all systems), 7D10, 7D16, 7D17, 7D20, 7D24, 7D30, 7D33, 7D35) [Comprehension]
4. Recognize the referred pain patterns originating from the visceral organs. (7D10, 7D16, 7D17, 7D20, 7D24, 7D30, 7D33, 7D35) [Knowledge]
5. Obtain and analyze evidence to evaluate and assimilate screening techniques when evaluating clients. (7D10, 7D16, 7D17, 7D20, 7D24, 7D30, 7D33, 7D35) [Analysis]
6. Perform and interpret client testing for chosen medical conditions. (7D10, 7D16, 7D17, 7D20, 7D24, 7D30, 7D33, 7D35) [Analysis]

Methods of Instruction: Teaching methods and learning activities will include lecture, learning exercises, small group discussion and problem-solving exercises, role playing, independent reading, homework assignments and independent case studies. Students are expected to take full advantage of office hours and any supplemental study sessions as an opportunity for individual feedback regarding understanding of course material from instructors and peers.

Methods of Evaluation: Student competence and attainment of course objectives are assessed using a variety of methods. These methods and their contribution to the final grade are listed in the table below.

<u>Item</u>	<u>Grade Composition</u>
Quizzes (written)	5%
Assignments	20%
Exam 1	15%
Exam 2	15%
Exam 3 (written)	15%
Final Exam (written)	30%
Total	100%

Grading Scale: The following letter grade scale is used for the UTEP Doctor of Physical Therapy Program:

Letter Grade Scale	Numerical Grade Scale
A	90-100
B	80-89
C	75-79
F	Below 75

University Policies: All students are responsible for following UTEP policies and procedures found in the Handbook of Operating Procedures at www.utep.edu/vpba/hoop

Program Policies: All DPT students are responsible for following all policies and procedures documented in the current DPT Student Handbook. Course policies found in the DPT Student Handbook apply to all courses in the DPT curriculum. The current DPT Student Handbook may be found on the DPT Student Resources site on Blackboard.

Academic Integrity: The UTEP DPT Program has a “zero tolerance policy” for scholastic dishonesty. DPT students must demonstrate academic integrity at all times. The current DPT Student Handbook outlines specific definitions, expectations, details, and consequences related to academic integrity and scholastic dishonesty. Additional information related to academic integrity is available through the UTEP Division of Student Affairs at www.utep.edu/student-affairs/osccr/student-conduct/academic-integrity.html

Course-Specific Policies:

1. **Attendance Policy - Absences:** Refer to current DPT Student Handbook “Attendance and Classroom Behavior” for the DPT Program policy. Additional course-specific policy are as follows:

- Attendance at all classes/labs is expected. **All faculty have different policies.** Treat this class as you would a job. I am expected to be at class/labs as scheduled and to be on time; I expect the same from you. You are expected to be in class during the time listed. In this class, students are expected to be on time and prepared to begin the course. If you expect to miss a class you should notify the instructor in writing by email at a minimum of 24 hours in advance.
- If an emergency or illness prevents a student from attending class (e.g., documented serious illness or emergency), communication directly with the instructor is expected **2 hours prior to the beginning of class** in writing by email. A verbal message through another student will not suffice. For any missed class, it is the responsibility of the student to obtain any materials presented in class and to ensure assignments are turned in on time. **HOWEVER**, (with very rare exception, which will be considered on a case by case basis) there will be **NO** accommodations offered for missed class time. Specifically, there is **NO** opportunity to make up in-class quizzes or exams, either in advance of or after the scheduled class, or provide individual tutoring for missed content. Additionally, late work caused by your absence will not be accepted. You should make prior arrangements with a classmate to find out what you missed, and/or pick up any hand-outs.
- Missing 30 minutes or more of a class or lab will be considered an absence – during any part of the class/lab.
- Each unexcused absence will result in a 5% deduction from your final course grade.

2. **Attendance Policy - Tardiness & Early Departures:** Refer to current DPT Student Handbook “Attendance and Classroom Behavior” for DPT Program policy. Additional course-specific policy is as follows:

- Attendance at all classes/labs is expected. **All faculty have different policies.** In this class students are expected to be on time and prepared to begin the course; therefore, students who are tardy will be penalized. I use the clock on the computer to determine when class should start. If you expect to arrive late (e.g., doctor’s appointment), you should notify me in writing by email at a minimum of 24 hours in advance.
- Please do not get up and leave during lectures without permission. This is considered disruptive behavior.

- Similarly, if you need to leave class or lab early, notify the instructor in writing at least 2 hours prior to the start of class.
 - Each incidence of tardiness may result in 1% deduction from your final semester grade.
 - Missing 30 minutes or more of a class or lab will be considered an absence.
 - Each unexcused absence will result in a 5% deduction from your final course grade.
3. **Electronic Devices:** Refer to current DPT Student Handbook “Electronic Devices” for DPT Program policy. Additional course-specific policy is as follows:
- Lap tops are allowed for taking notes, accessing lecture/ lab material or books. Email and social media should be turned off during all class time.
 - Cell phones and telecommunication devices should be in silent mode, turned off, or left outside of the classroom during lecture or presentations and labs. If any circumstance necessitates the student to have his/her cell phone turned on in the classroom, it **MUST** be discussed with the instructor **PRIOR** to class.
 - Any student who is observed to be using these devices during class time without permission will be deemed to be demonstrating unprofessional behavior will be warned one time and if the behavior continues the student will be instructed to leave the classroom for the day and the class session will be considered an unexcused absence. This includes but not limited to using a laptop computer or smart phone/watch for accessing email, messaging, or the internet for purposes not related to class topics during class time.
 - If a student is consistently caught using electronic devices, the student will be contacted to meet with the instructor to discuss the problem.
 - Each subsequent incidence of using electronic devices may result in 1% deduction from the final semester grade.
 - **The taking of pictures or video during classes or labs must be approved.**
4. **Professional Behavior Policy:** See DPT Student Handbook “Attendance and Classroom Behavior”, “Professional Behaviors” and “Unprofessional Behavior:” for general program policy. Additional course-specific is as follows:
- Professional behavior will be expected in ALL class sessions and inside and outside of the classroom.
 - I expect each student to arrive to class and lab prepared and to actively participate while not being disruptive.
 - Students demonstrating unprofessional behavior will be warned one time and if the behavior continues the student will be instructed to leave the classroom for the day and the class session will be considered an unexcused absence.
 - If a student is consistently ill-prepared, not actively participating, and/or being disruptive (including leaving class during lectures), the student will be contacted to meet with the instructor to discuss the problem.
 - Each subsequent incidence of poor preparation, poor participation, and/or disruption may result in 1% deduction from the final semester grade.
 - All students are expected to wear appropriate attire for all lab sessions. Appropriate attire is discussed in the Policies and Procedures manual. Professional dress is appropriate for presentations and for all guest speakers and

when representing UTEP outside of the class room (i.e. clinic visits). Shorts and tank tops or t-shirts are required for all lab sessions (JEANS OR OPEN TOED SHOES ARE NOT APPROPRIATE FOR ANY LAB SESSION). Students who are not appropriately attired will be instructed to leave the classroom for the day and the class session will be considered an unexcused absence.

- Each unexcused absence will result in a 5% reduction of your total class grade.
5. **Late or Missed Assignments and Assessments Policy:** See current DPT Student Handbook “Written Examination Policy”. Additional course-specific policy is as follows:
- All assignments will be completed in class and turned in by the end of class, unless otherwise specified.
 - Missed classes will result in missed assignment.
 - No late assignments will be accepted.
6. **Skills Check Policy:**
- not applicable
7. **Practical Exam Policy:**
- not applicable
