Course Description
The course focus on the development and improvement of keyboard skills such as repertoire, technique,
music reading, improvisation, harmonization, score reading, transposition, and the use of technology.
The course is intended to reinforce students’ understanding of both written and aural skills theoretical
concepts.

The class is divided in two components: Skill Checks and Tests, they are both part of the “Proficiency
Exam.” Each Skill Check is designed to check your proficiency in a specific area such as transposition,
score reading, accompaniment, harmonization, solo repertoire, etc. Each test is designed to cover more
than one area and to expand the skill checks’ scope.
All these areas are covers with a wide variety of musical selections of all styles including solo and
ensemble pieces. This course is not available for Graduate level credit.
Prerequisite: MUSA 2271.

Course Goals / Objectives
To provide the students the basic knowledge of keyboard skills, applied harmony and improvisation to
the keyboard, and the use of technology. These skills are essentials for the development of the student as
musicians and educators.
Course Content / Outcome
The student will be able to:
• achieve technical skills: movement over the entire keyboard, sound production, syncopated pedaling, arpeggios, double notes, contrasting articulations.
• Play all major and harmonic minor scales. Two octaves, hands together in Minimum MM = 50.
• Play chords: triads and inversions in all major and minor keys, seventh chords and inversions.
• Play four-part ensembles, band and choral reading including transposing instruments.
• Create and play two-hand accompaniment.
• Harmonize melodies using the harmonic structures studied in these chapters, with and without chord symbols provided (Roman numerals and letter symbols).
• Improvise simple melodies on a given harmonic progression and scale (major, minor, pentatonic, whole-tone, blues, chromatic, modes); and improvise different styles of accompaniments (block chords, arpeggios, Alberti bass, waltz, etc) on the harmonic structures studied in the course.
• Demonstrate performance skills through the performance of solo and ensemble repertoire from a variety of styles and periods.
• Demonstrate accompaniment skills through the performance of accompaniments for standard late-elementary to intermediate level pieces of your instrument or voice.
• Sight read.
• Transpose.
• Perform multi-track recording and sequencing.

Attendance
• Attendance is required and will be taken at the beginning of each class meeting.
• Absences: you can have 3 unexcused absences during the semester.
• Your grade will be dropped 3% points for every unexcused absence beyond the 3 allowed.
• Each tardy will be considered 1/2 absence.
• Excused absences should be, if possible at all, notified to the instructor in advance, and followed by a note from the Music Department’s Chair, Dean of the college, or doctor.
• Attendance is required for all examinations and Skill Checks. No make-ups will be given unless the instructor is notified in advance or provided with a note from the Music Department’s Chair, Dean of the college, or doctor. Attendance to Final Examination is mandatory. An absence in final examination will result in failing the class.

Examinations and grading
Your grade will be based on your class participation and attendance, assignments, skill checks, and examinations calculated as follow:

Skill Checks 50% Tests and Final 50%
Grade scale:
A = 100-90 B = 89-80 C = 78-70 D = 69-60 F = 59-0

I do not give make-up assignments and I do not curve the grades. However, I’ll drop the lowest Skill Check grade.

Practice expectations
• A minimum of 45 minutes a day is suggested. There will be some office hours scheduled in the piano lab so you can practice there.
Others:
- No food in the classroom.
- No cell phones, pagers, palmtops, wireless electronic devices allowed in class. You should turn off all devices before entering the classroom.
- No bag packs between the rows, leave them on the side of the room.
- Please treat instruments and head phones with care. It is for your benefit that they are in good shape and work properly. You are going to be liable for any damage to the headsets we provide you.
