It is every student’s individual responsibility to sign the attendance sheet. Attendance sheets cannot be signed retroactively. Every student is individually, fully responsible for all information and all hand-outs delivered during each lecture. If a student misses a lecture for whatever reason, he/she is fully responsible for everything discussed during class and for procuring the information by him/herself from classmates. It is NOT the instructor's responsibility to inform students about material covered/information delivered during a lecture in which the student was absent. The instructor will NOT repeat the information delivered on a lecture via e-mails or phone calls or by any other means, on the basis that the lecture was missed. The purpose of office hours is NOT to make up for missed lectures.

Any student exhibiting disruptive behavior of any sort will be asked to leave and 50 points will be taken off from his/her final grade for every such occurrence.
