The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

Syllabus Change

Except for changes that substantially affect the grading statement, this syllabus is a guide for the course and is subject to change. Any changes to the syllabus will be announced in class and/or on Blackboard. It is your responsibility to stay updated.

Netiquette Guidelines

Be respectful of other's ideas, opinions, and beliefs. It's fine to disagree with someone, but please respect their right to think differently. Do not attack or insult your classmates, peer leader, or instructor.

When responding to your peers, be sure to address the idea and not the person. You should never use insults or resort to name-calling, as neither are appropriate in an academic setting.

With that said, keep in mind that interacting online doesn't allow for the use of facial expressions and other non-verbal cues to convey meaning; be cautious of the tone used in your posts and don't assume an emoticon (☺) will convey your tone or intent.

All inappropriate behavior will be reported to UTEP's Office of Student Conduct & Conflict Resolution office for review.

Assignment Format

All assignments submitted in UNIV 1301 should follow this format unless otherwise stipulated by the instructor:
