Course Management System

Blackboard Ultra is the online course management system we will use throughout the semester. You can access Blackboard through my.utep.edu. In Blackboard, you can view the syllabus, course calendar, and other supplemental materials related to the course. You must check Blackboard daily for course announcements, assignments, and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

Required Technology

Students in this class must be able to regularly access to the following:

- ✓ **A computer with internet access.** This course cannot be completed without access to a computer and the Internet. Inability to complete an assignment due to the limitations of the Blackboard app on phones or tablets is not an acceptable reason to miss an assignment or to not follow deadlines or directions.
- ✓ **A web browser** that supports Blackboard, YouTube, TED Talks, Yuja, Kanopy, and other forms of media as needed throughout the course.
- ✓ **Microsoft Office365.** Assignments must be submitted as a Word document (doc or docx) or PDF. Attachments in any other format will not be graded. You can download a free copy of Microsoft Office [here](#).

Course Policies

Late Work

All assignments on Blackboard will have a 24-hour window for late submittal after the deadline. After the 24-hour window, the assignment will close, and you will earn a zero. If you have an emergency or illness, contact me and you may receive an extension.

Course Drop/Withdrawal

You may be dropped from this course if you exceed four absences and/or fail to keep current with assignments unless arrangements are made with your instructor. Students may be dropped for the following reasons:

- Lack of effort: not meeting course requirements, not submitting work, not completing 70% of the coursework at the end of any week, not attending class
- Neglect: no participation, not paying attention in class or caring about the course, not attending class

Note: The Course Drop Deadline is Nov. 3.

Communication

All communication will be via e-mail penam@utep.edu and/or during my office hours listed. Please allow a maximum of 24 hours to receive a response.

COVID-19

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let your professors know as soon as possible so we can provide appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office

can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area and is frequently offered on campus. For more information about the current COVID-19 rates, testing, and vaccinations, please visit epstrong.org.

Syllabus Change

Except for changes that substantially affect the grading statement, this syllabus is a guide for the course and is subject to change. Any changes to the syllabus will be announced in class and/or on Blackboard. It is your responsibility to stay updated.

University Policies
