You will research it in the UTEP Library with the guidance of a research librarian and create an Annotated Bibliography. You will also research four student organizations and attend at least two UTEP events. After attending the UTEP events, you will write reflective pieces on your experiences. These assignments collectively add up to 200 points. More information TBA in class.

UNIV 1301 Attendance Policy

Attendance in the course is determined by participation in the learning activities of the course. Your participation in the course is important not only for your learning and success but also to create a community of learners. Participation is determined by completion of the following activities:

- Reading/Viewing all course materials to ensure understanding of assignment requirements
- Participating in engaging discussion with your peers on the discussion boards
- Logging into Blackboard every week
- **Logging into Blackboard every week, completing 70% of weekly module coursework, and participating in scheduled Blackboard Collaborate sessions.**

Course Drop / Withdrawal Policy

According to UTEP Curriculum and Classroom Policies, “When, in the judgment of the instructor, a student has been absent to such a degree as to impair his or her status relative to credit for the course, the instructor may drop the student from the class with a grade of “W” before the course drop deadline and with a grade of “F” after the course drop deadline.” Therefore, if I find that, due to non-performance in the course, you are at risk of failing, I will drop you from the course.

Neglect or lack of effort: Neglect or lack of effort are the reasons for being dropped from the course. According to the Records and Registration Office and are defined in this course as the following:

- **Neglect:** no participation, not paying attention in class or caring about the course, may be combined with not attending/having attended class (synchronous class meetings)
- **Lack of effort:** not meeting course requirements, not submitting work, not completing 70% of the coursework at the end of any week; may be combined with not attending/having attended class (synchronous class meetings)

Late Assignment Policy

All assignments on Blackboard WILL HAVE A 24-HOUR WINDOW FOR LATE SUBMITTAL with no points deducted EXCEPT FOR THE DISCUSSION BOARDS.

If you did not submit an assignment by the late 24-hour window, the assignment closes and you can no longer submit the assignment. You will receive a zero for that assignment.

Make-Up Work

You will have 24 hours after an assignment is due to submit with no penalty (except for discussion boards-those are due on time). However, if you have an emergency, you may contact me to make-up work after the 24-hour late deadline and I can make arrangements for you to submit make-up work by a specific deadline. If you miss an assignment and the reason is not considered excusable, you will receive a zero. It is therefore important to reach out to me—in advance if at all possible—and explain why you missed a given course requirement. Once a deadline has been established for make-up work, no further extensions or exceptions will be granted.

UTEP Policies

ADA: The ADA requires that reasonable accommodations be provided for students with disabilities. Please contact CASS at 747-5148, Union East 106, or cass@utep.edu.

Academic Integrity: Scholastic dishonesty is **never** tolerated by UTEP or the Entering Student Program. All suspected cases are reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for review. For more info, click [here](#).

Copyright and Fair Use: The university requires all members of its community to follow copyright and fair use requirements. Students are individually and solely responsible for violations of copyright and fair use laws. The university will neither protect nor defend students nor assume any responsibility for student violations. Violations of copyright laws could subject students to federal and state civil penalties and criminal liability as well as disciplinary action under university policies.

Student Conduct: [From the Handbook of Operating Procedures: [Student Conduct and Discipline](#). Each student is responsible for notice of and compliance with the provisions of the Regents’ *Rules and Regulations*, which are available [here](#).

Final Exam Policy: Exemption from final examination may not be given. Final examinations are scheduled to be two hours, forty-five minutes in length and take place during the final examination period. It is the policy of the university not to administer a second final examination in the course. It is also university policy that students shall not have more than two final examinations in a single day. In the unlikely event that the examination schedule results in a student having three final examinations on a single day, the faculty member upon the request of the student shall reschedule the second of that student’s three examinations.

Synchronous Blackboard Collaborate Sessions

This class requires that you participate in scheduled Blackboard Collaborate sessions. The purpose of these sessions are for you to view live demonstrations of the course material and/or to participate in small discussion groups with your classmates. These sessions will be held on Mondays and Wednesdays from 12:00-1:20pm.

Students are expected to participate in these sessions. Students should not record the sessions and post them to any sites outside of Blackboard. If you are unable to attend a Collaborate session, please let me know as soon as possible so that accommodations can be made when appropriate.

Please be fully clothed and do not do anything illegal that would require the instructor or peer leader to report you to authorities. Ask parents, siblings, children and other loved ones to respect your privacy while you participate in the synchronous class meetings.

Course Management System

Blackboard Ultra is the online course management system we will use throughout the semester. You can access Blackboard through my.utep.edu. In Blackboard you can view the syllabus, course calendar, and other supplemental material related to the course. You can also send e-mails to your classmates or instructional team. You must check Blackboard daily for course announcements, assignments and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

Technical Requirements

- ✓ A computer with internet access. This course cannot be completed without access to a computer or the Internet. Inability to complete an assignment due to the limitations of the Blackboard app on phones or tablets is not an acceptable reason to miss an assignment or to not follow deadlines or directions.
- ✓ A web browser that supports Blackboard and other forms of media as needed throughout the course.
- ✓ Microsoft Office 365 or equivalent. Assignments must be submitted as a Word document (doc or docx) or PDF. Attachments in any other format will not be graded.
- ✓ You can download a free copy of Microsoft Office as a UTEP student [here](#).

IMPORTANT COVID-19 INFORMATION:

We will not be meeting face-to-face. However, if you happen to be on campus for any reason, you must follow the guidelines below.

-You must STAY AT HOME and REPORT if you (1) have been diagnosed with COVID-19, (2) are experiencing COVID-19 symptoms, or (3) have had recent contact with a person who has received a positive coronavirus test. Reports should be made at screening.utep.edu. If you know of anyone who should report any of these three criteria, you should encourage them to report. If the individual cannot report, you can report on their behalf by sending an email to COVIDaction@utep.edu.

-For each day that you attend campus—for any reason—you must complete the questions on the UTEP screening website (screening.utep.edu) prior to arriving on campus. The website will verify if you are permitted to come to campus. Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, and alternative instruction will be provided. Students are advised to minimize the number of encounters with others to avoid infection.

-Wear face coverings when in common areas of campus or when others are present. You must wear a face covering over your nose and mouth at all times in this class. If you choose not to wear a face covering, you may not enter the classroom. If you remove your face covering, you will be asked to put it on or leave the classroom. Students who refuse to wear a face covering and follow preventive COVID-19 guidelines will be dismissed from the class and will be subject to disciplinary action according to Section 1.2.3 *Health and Safety* and Section 1.2.2.5 *Disruptions* in the UTEP Handbook of Operating Procedures.

-(**Classes with on-campus meetings**) Please note that if COVID-19 conditions deteriorate in the City of El Paso, all course and lab activities may be transitioned to remote delivery.

Netiquette Guidelines

-Be respectful of other's ideas, opinions, and beliefs. It's fine to disagree with someone, but please respect their right to think differently. Do not attack or insult your classmates, peer leader, or instructor.

-When responding to posts, be sure to address the idea and not the person. You should never use insults or resort to name-calling, as neither are appropriate in an academic setting.

-With that said, keep in mind that interacting online doesn't allow for the use of facial expressions and other non-verbal cues to convey meaning; be cautious of the tone used in your posts and don't assume an emoticon (☺) will convey your tone or intent.

-All inappropriate posts/emails will be reported to UTEP's Office of Student Conduct & Conflict Resolution office for review.

Assignment Format

All assignments submitted in UNIV 1301 should follow this format unless otherwise stipulated by the instructor: Calibri or other professional font | 12pt font | one-inch margins | double-spacing
