

## Syllabus

Calculus 3, Math 2313 36445

Summer 2, 2020

Online

- Instructor: Piotr Wojciechowski, Ph.D, email: piotrw@utep.edu
- Teaching Assistant email: TBA
- Textbook: Larson, Edwards *Math 2313 Calculus III, UTEP* ISBN: 978-1-337-69724-8
- Content: most of the topics from chapters 11-14 and additional topics from the lectures
- Lectures: videos recorded by the instructor and uploaded to Blackboard
- Resources: the only required resources for the course are the lecture videos and the textbook, email and Blackboard access
- Quizzes: there will be a quiz after every video, based on topics from the video, 1-3 videos per day (Monday-Friday)
- Exam: a final comprehensive exam on August 3
- Grading policy: quizzes 50% of the final grade, the final exam 50% of the final grade
- Homework: assigned at the videos, for practice, not collected. Homework tutoring is allowed, eg. Utep's Marks Center
- Collection of quizzes: each quiz will be sent to the students by email at 12:00 PM and is due by email to the Teaching Assistant by 5:00 PM the same day
- Collection of the Exam: the exam will be sent to the students by email at 9:00 AM Aug 31, and is due by email to the Teaching Assistant by 5:00 PM the same day
- Interaction with the instructor: daily open sessions 10-11 AM via Blackboard for questions and discussions, and email messages
- Attendance at the sessions: optional
- All academic rules of the Department, College of Science and the University apply
- Academic honesty and integrity: **all quizzes and the exam must be solved individually, without help of any other person or internet resources**
- Drop deadline: July 24

**Staying in class after the Census Day, July 9, is an indicator of your agreement with the terms of this Syllabus.**
