

**MATH 3323****Syllabus****Fall 2023**

MATH 3323

Asynchronous with Fixed Due Dates

ONLINE

**Instructor:** Dr. Asante**Email:** [pkasante@utep.edu](mailto:pkasante@utep.edu)**Office hours:** By appointment.**Prerequisites:** Calculus II (MATH 1312). This is a mathematical maturity requirement.

**Course Objectives:** This course is concerned with matrices and vectors. In one setting, matrices and vectors merely serve as efficient devices for storing the coefficients and solutions of systems of linear equations. However, the solutions of many such systems are hard to even describe without the language of vector spaces, where matrices serve as functions turning vectors into other vectors. We will then spend most of our time examining vector space significantly various vector spaces we can naturally assign to a matrix. In this setting, eigenvalues and eigenvectors of a matrix arise naturally, and we end the course examining these. Upon successful completion of this course, you will be able to solve and analyze systems of linear equations. You will be able to find and describe the various vector spaces associated with a matrix, and you will prepare to study more abstract vector spaces. You will compute a matrix's eigenvalues and eigenvectors and know what is suitable. You will be able to do all of this equally well with the symbolic/numerical description of matrices and vectors as arrays of numbers and with the geometrical description of matrices and vectors, using the powerful organizing concept of dimension, even in dimensions higher than three.

**Textbook:** [Introduction to Linear Algebra, 5th ed., Johnson, Riess, Arnold](#), Chapters 1, 2, 3, and 4. The textbook is required for the complete semester.

**Grading**

Grades are communicated to students promptly. It is the student's responsibility to keep track of and compile them. Your semester grade will be based on homework assignments, quizzes, class participation, one partial exam, and a final exam.

50% Homework

30% Midterm Exams (Two)

20% Final Exam

*Homework* problems will be assigned weekly. You will only learn the material by doing it yourself, not by watching others do it. Mathematics is not a spectator's game.

*Final* The final comprehensive exam will be due on

Friday 12/13/2023

*This syllabus is subject to changes when necessary.*

Visit the UTEP Academic Calendar for Important Dates: <https://www.utep.edu/student-affairs/registrar/Academic%20Calendars/academic-calendar.html>

**Technology Requirements** Ensure your UTEP e-mail account is working, and you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

You will need **access** to a computer/laptop, scanner, webcam, and microphone. You will need to download or update the software: Microsoft Office, Adobe Acrobat Reader, Windows Media Player, QuickTime, and Java. Check that your computer hardware and software are up-to-date and can access all course parts.

If you do not have word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook, and more) for free via UTEP's Microsoft Office Portal. Click the following link for more information about Microsoft Office 365 and follow the instructions.

**IMPORTANT:** If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP Help Desk, as they are explicitly trained in assisting with the technological needs of students. Please do not contact me for this type of assistance. The Help Desk is much better equipped than I am to assist you!

## **Policies**

*COVID-19 Precautions:* Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you feel unwell, please let me know as soon as possible so we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to [covidaction@utep.edu](mailto:covidaction@utep.edu) so that the Dean of Students Office can support you and help communicate with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Centers for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit [epstrong.org](http://epstrong.org).

*Academic dishonesty:* It is UTEP's policy, and mine, for all suspected cases or acts of alleged academic dishonesty to be referred to the Office of Student Conduct and Conflict Resolution for investigation and appropriate disposition. See Section II.1.2.2 of the Handbook of Operating Procedures.

*ONLINE ETIQUETTE* As we know, sometimes, communication online can be challenging. It's possible to miscommunicate or misunderstand what our classmates mean, given the lack of body language and immediate feedback. Therefore, please keep these etiquette guidelines in mind. Failure to observe them may result in disciplinary action.

Always consider the audience. This is a college-level course; therefore, all communication should reflect polite consideration of others' ideas.

Respect and courtesy must be provided to classmates and the instructor at all times. No harassment or inappropriate postings will be tolerated.

When reacting to someone else's message, address the ideas, not the person. Post only what anyone would comfortably state in a face-to-face situation.

Blackboard is not a public internet venue; all postings should be private and confidential. Whatever is posted in these online spaces is intended for classmates and professors only. Please do not copy documents and paste them to a publicly accessible website, blog, or other space.

Be reminded that some materials are subject to copyright, and violations are prosecuted, so be cautious about what you share!

*Courtesy:* We all have to show courtesy to each other and the class during class. Please arrive at class on time (or let me know when you have to be late and why); do not engage in side conversations when one person (me or another student) is talking to the whole class; turn off your cell phone (or, for emergencies, at least set it not to ring out loud), and do not engage in phone, email, or text conversations during class.

*Disabilities:* If you have, or suspect you have, a disability and need an accommodation, you should contact the Center for Accommodations and Support Services (CASS) at 747-5148, [cass@utep.edu](mailto:cass@utep.edu), or Union East, room 106. You are responsible for presenting to me any CASS accommodation letters and instructions.

*Exceptional circumstances:* If you anticipate the possibility of missing large portions of class time due to exceptional circumstances such as military service and training or childbirth, please let me know as soon as possible.

*Course Resources:* UTEP provides a variety of student services and support:

### Technology Resources

Help Desk: Students experiencing technological challenges (email, Blackboard, software, etc.) can submit a ticket to the UTEP Helpdesk for assistance. Contact the Helpdesk via phone, email, chat, website, or person if on campus.

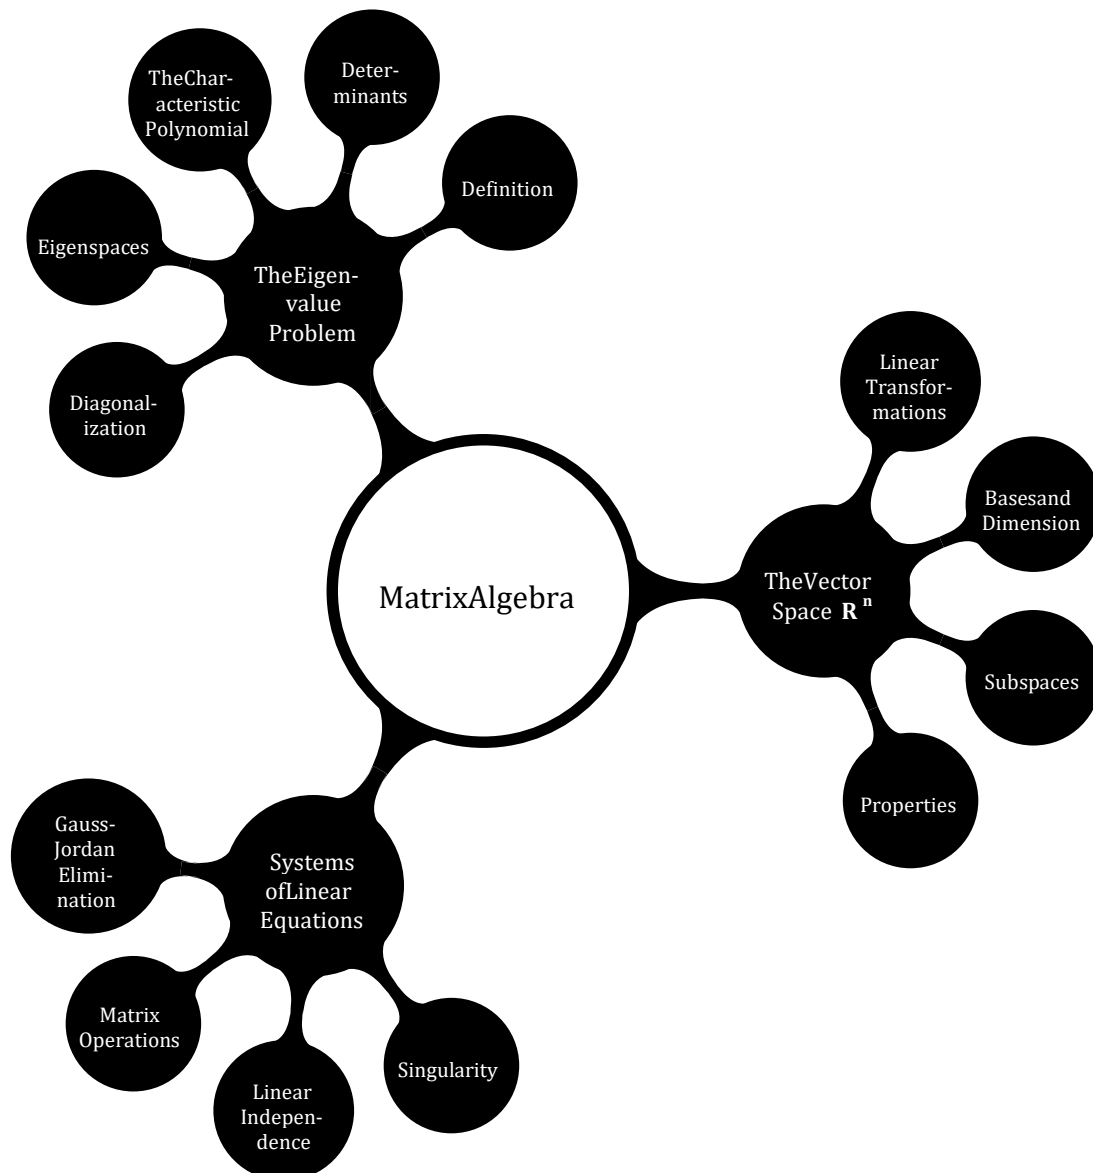

### Academic Resources

- UTEP Library: Access a wide range of resources, including online, full-text access to thousands of journals and eBooks, plus reference service and librarian assistance for enrolled students.
- University Writing Center (UWC): Submit papers here for assistance with writing style and formatting, ask a tutor for help and explore other writing resources.
- Math Tutoring Center (MaRCS): Ask a tutor for help and explore other available math resources.
- History Tutoring Center (HTC): Receive assistance with writing history papers, get help from a tutor and explore other history resources.
- RefWorks: A bibliographic citation tool; check out the RefWorks tutorial, Fact Sheet, and QuickStart Guide.

#### Individual Resources

- Military Student Success Center: Assists personnel in any branch of service to reach their educational goals.
- Center for Accommodations and Support Services: Assists students with ADA-related accommodations for coursework, housing, and internships.
- Counseling and Psychological Services: Provides various counseling services, including individual, couples, and group sessions, as well as career and disability assessments.

#### ConceptMap:

Week 1	08/28 – 09/01	Section 1.1,1.2	Matrices and systems of Linear Equations
Week 2	09/04 - 09/08	Section 1.3,1.4	
Week 3	09/11 – 09/15	Section 1.5,1.6	
Week 4	09/18 – 09/22	Section 1.7,1.8	
Week 5	09/25 – 09/29	Section 1.9,2.1	Vectors in 2- and 3-Space
Week 6	10/02 – 10/06	Section 2.2, 2.3	
Week 7	10/09 – 10/13	Section 2.4, 3.1 <b>Midterm 1(Chapter 1,2)</b>	Vectors in Space $\mathbb{R}^n$
Week 8	10/16 – 10/20	Section 3.2,3.3	
Week 9	10/23 – 10/27	Section 3.4,3.5	
Week 10	10/30 – 11/03	Section 3.6,3.8	
Week 11	11/06 – 11/10	Section 4.1,4.2	Eigenvalue Problem
Week 12	11/13 – 11/17	Section 4.4,4.5	
Week 13	11/20 – 11/24	Section 4.6,4.7	
Week 14	11/27 – 12/01	Section 4.8 <b>Midterm2 (Chapter 3,4)</b>	
Week 15	12/04 – 12/08		
Week 16	12/11 – 12/15	Final Exams Week	Final Exams Week
