COURSE DESCRIPTION

Welcome to Elementary Arabic! This course is an introduction to the Arabic language and the cultures of the Arabic speaking world. Elementary Arabic I is designed to provide students who have little to no knowledge of the Arabic language with a solid foundation of the structure, pronunciation, and vocabulary of Modern Standard Arabic. Students will learn the Arabic alphabet and numbers, basic Arabic grammar, and basic communicative sentences and phrases. By the end of this course, students will, among other skills, be able to write and read the Arabic alphabet, understand basic grammatical rules of the Arabic language, and communicate basic information at the novice level in Modern Standard Arabic.

A NOTE ABOUT THIS COURSE

This course is designed for non-native speakers / novice learners of the Arabic language. Students enrolled in this course who have experience with the Arabic language from previous academic courses must report to the instructor and take a placement test to assess their appropriate level of Arabic. Failure to adequately self-report can result in removal from the course.

CLASS THEME

Based on the Sustainable Development Goals of the United Nations, each Arabic course at UTEP is thematically designed to relate to a particular goal. You can read more about the UN's SDG Goals [here](#). The theme of this class is Good Health and Well-Being. In addition to learning the basics of the Arabic language, students will investigate the ways in which good health and well-being are perceived in the Arab world and the United States, uncovering cultural similarities along the way. Elementary Arabic I is the first course of four that are thematically focused and designed to introduce students to the Arabic language and cultural and societal frameworks that exist in the Arab world.

ACADEMIC INTEGRITY**

The University of Texas at El Paso prides itself on its standards of academic excellence. In the classroom and in all other academic activities, students are expected to uphold the highest standards of academic integrity. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give unfair advantage to a student or the attempt to commit such acts.

In this class, academic dishonesty includes the use of on-line translation services (i.e.: Google Translate) to complete coursework. If I suspect that Google Translate is being used as a primary means of completing assignments, I will introduce measures to monitor student progress, including, but not limited to using Respondus Lockdown Browser for assignments and tests; check-ins with the Arabic tutor and instructor; and pop quizzes.

IMPORTANT:

IF YOU ARE FOUND TO BE CHEATING, COLLUDING, PLAGIARIZING, USING GOOGLE TRANSLATE, OR TAKING CREDIT FOR SOMEONE ELSE'S WORK IN MY CLASS YOU WILL RECEIVE A "0" FOR THE ASSIGNMENT IN QUESTION AND A CASE WILL BE OPENED WITH THE OFFICE OF STUDENT CONDUCT AND CONFLICT RESOLUTION.

ACCOMMODATIONS

Your success in this class is important to me. We will all need accommodations because we all learn differently. If there are aspects of this course that prevent you from learning or exclude you, please let me know as soon as possible. Together we'll develop strategies to meet both your needs and the requirements of the course. I also encourage you to **visit the Center for Accommodations and Support Services (CASS) in room 106, Union East Building or contact them at 747-5148 or cass@utep.edu**. If you need official accommodations, you have a right to have these met. There are also a range of resources on campus, including the Writing Center, Counseling Center, Military Student Success Center and Academic Advising Center.

Class Communication

I have mentioned this already in the earlier parts of the syllabus, but it warrants repetition: I will always communicate with you through Blackboard or through UTEP email. It is extremely important that you check your email daily, especially on days we have class. I do not plan on it, but there may be moments in the semester where I will have to make emergency changes to the class meetings or how the assignments will be completed. I will always communicate these changes through Blackboard and by emailing to your student email (ending in @miners.utep.edu). If you do not have access to Blackboard or to your student email, you need to contact the Help Desk and fix that as soon as possible.
