3. Understand what exactly “border security entails” in relation to different types of borders and how the concept developed historically.
4. Identify the missions of law enforcement charged with protecting the border Understand Border Patrol Operations from 1904 to present day.
5. Understand present-day physical border security, including various Border Fences, Operation Gatekeeper, and the effects of illegal immigration.
6. Describe the contribution of intelligence analysis to border security.
7. 25Describe the relationship between border security and various transnational crimes, look at transportation security as impacted by borders, and “solutions” to security along the southern border.

INSTRUCTOR'S CLASSROOM POLICIES

General:

This class will feature readings, lecture notes, PowerPoint slides, projects and discussion to promote learning. To succeed in the class, it is essential that you keep up with readings, lectures, and assignments. Attendance is mandatory,

The grade you earn in this course will be based on the amount of effort you exert. If you need a specific grade for this course, be proactive and contact me as early and often as possible. I will make every effort to assist you in achieving your goals.

Because this 16 week course format, the pace is not very fast. It is easy to get behind and, if you do, it may be difficult (if not impossible) to catch up. You must hit the ground running and not let up for seven weeks. If you do this, there is no reason you cannot earn an "A" in the course. If you slack off, even for one week, you will set yourself up for a difficult struggle and severely hinder your ability to get a good grade in the course or even pass at all.

Students with disabilities:

If you require modifications to the course or testing environment, **please** inform me as soon as practical via email or during office hours. Accommodations are coordinated through the Center for Accommodations and Support Services (CASS). If you feel an accommodation is necessary please contact CASS at 915-747-5148 (tel.) cass@utep.edu (email) or visit them at Union Building East Room 106.

Late assignment and missed project policy:

If students fail to submit any required work before the due date, they will receive a zero on the assignment or project—no exceptions! Put another way, no late work will be accepted.

Technology issues:

I will **not** provide you with technical assistance. Rather, you should familiarize yourself with assistance available to you whenever you have problems.

Dissemination policy:

All the materials in this course, aside from that in the assigned text, should be considered as my intellectual property and, as such, under copyright protection. This includes my lectures, exams, written assignments, and notes. These are intended for your use during this course and may not be disseminated to anyone outside of the course without my explicit written permission.

Email policy (contacting the instructor):

There are two ways you can contact me in this course. 1) Through your institutional email address. These emails will only be viewed by me; 2) through the "send email" function under the course tools tab in Blackboard. These emails will also only be viewed by me. I expect you to identify yourself within the body of the email. I also expect you to compose emails using standard word and sentence structure (i.e., no acronyms, slang, etc.). In other words, do not email me as if you are texting your friends. 3) Through the "instructor's office" forum in our discussion board. These will be seen by other students. Other students will also be able to post replies to these posts. Please consider if your question and its answer will be useful to other students. If so, please post them in the forum.

I will do my best to respond to your emails within 24 hours under most circumstances from Monday through Friday. I will also do my best to check my email at least once on Saturdays and Sundays; however, at times I may not be able to respond over the weekends. Please plan accordingly.

Scholastic dishonesty:

Scholastic dishonesty includes cheating on any work, turning in someone else's assignment from a previous class, or plagiarism: "(1) use by paraphrase or direct quotation of the published or unpublished work of another person without fully and properly crediting the author with citations or biographical reference; (2) unacknowledged use of work/materials prepared by another person or agency engaged in the selling of term papers or other academic materials; (3) unacknowledged use of original work/material that has been produced through collaboration with others without release in writing from collaborators."

I take cases of alleged scholastic dishonesty seriously. Cases wherein students have allegedly engaged in any form of scholastic dishonesty will be referred to the Office of Student Conduct and Conflict Resolution (OSCCR). While the case is being investigated by OSCCR, an "I" (Incomplete) will be assigned until the case is resolved. If the student is found by OSCCR to have engaged in misconduct, sanctions may include a failing grade on the assignment or exam in question, a failing grade in the course, suspension, or dismissal from the University. Information about scholastic dishonesty can be found here: <https://www.utep.edu/student-affairs/osccr/student-conduct/index.html>

A note about sexual misconduct:

What you should know about sexual misconduct: UTEP does not tolerate acts of sexual misconduct, including sexual harassment and all forms of sexual violence. If you have experienced sexual misconduct, or know someone who has, the University can help. It is important to know that federal regulations and University policy require faculty to promptly report complaints of potential sexual misconduct known to them to their campus Title IX Coordinator(s) to ensure that appropriate measures are taken and resources are made available. The University will work with you to protect your privacy by sharing information with only those that need to know to ensure the University can respond and assist. Any student who believes that he or she may be experiencing sexual harassment or misconduct is encouraged to consult with or report such conduct immediately to the Title IX Coordinators. Contact information for UTEP's Title IX Coordinators can be found here: <http://utep.edu/titleix/Title%20IX%20Coordinators%20.html>

UTEP Drop Policy:

If circumstances arise to where a student must drop this course, it is the student's responsibility to initiate the course drop. It is also the student's responsibility to determine how dropping courses may affect his or her financial aid. Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.

- a) If a course is dropped within the first 2 weeks before the "official census date":
 - a. the course will not appear on the transcript and
 - b. The course will not count toward the 6-course drop limit.
- b) If a course is dropped after the official census data but before the "course drop date":
 - a. the student will receive a "W" in the course
 - b. the drop will show on transcripts but will not lower GPA
 - c. the drop will count toward the 6 class drop limit
- c) If the course is dropped after the "course drop date" or if the student just stops coming/taking tests, etc.:

- a. UTEP requires the instructor to issue an “F” in the course that permanently remains on the transcript.
- b. The drop will count against the 6 class drop limit.
- d) UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A “W” will be issued if the drop occurs before the course drop date, and an “F” will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6-drop limit.
- e) If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. If a student withdraws completely from all classes, kindly notify me at: tedickinson@utep.edu. Complete withdrawals from all classes in the same semester do not count against the 6-drop limit.
