CLASS REQUIREMENTS & POLICIES:

ADA Statement on Discrimination and Disability Support Services:

If you need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at www.sa.utep.edu/cass. *CASS' Staff are the only individuals who can validate and, if need be, authorize accommodations for students with disabilities.*

ATTENDANCE:

You should make an effort to **ATTEND EVERY CLASS**. Arriving prepared and participating in discussions and group or individual work will contribute to your success in this class. Please arrive on time and remain until I dismiss you. It is up to you to be in class when work is assigned and collected. Any assignments due at the beginning of class must be submitted by 12:00.00pm, and must be submitted by you. There is no “grace period”. If you arrive late (after 12:00.01pm) it is highly unlikely your work will be accepted. Students who submit work then leave before class ends will be considered absent and will not receive credit for the assignment.

All absences are considered unexcused; there is no need for you to provide evidence to explain your absence. Except where UTEP policy dictates otherwise, make-ups will not be allowed for any work missed during your absence. Students who arrive late during an exam must complete the exam during the time allowed for all. Students who arrive after the first exam has been turned in will not be allowed to take the exam.

CLASSROOM ETIQUETTE:

Please refer to the UTEP Handbook of Operating Procedures for information about conduct, appeals, student’s rights and responsibilities.

You are advised that materials to be discussed in class may be, to some, offensive or controversial. I expect that we will conduct ourselves as adults and with respect for differences of thought and opinion and with respect for ourselves and peers. I reserve the right to dismiss students who are disrupting class in any form. Eating, talking out of turn or to your neighbor instead of adding to the discussion, packing to leave before you are dismissed and sending/reading messages on phones or other devices are some examples of disruptive behavior that may result in you being asked to leave. Electronic devices should be turned off or placed on silent and kept out of sight during class. Phone use or interruptions of any form (ringing, alarms, alerts, etc...) during an exam may result in a grade of zero. I reserve the right to answer your phone should it ring during class. Continued instances of any disruptive, disorderly or disrespectful behavior may result in further action including the student being dropped from the course.

Audio/video recordings are not allowed.

Academic dishonesty in any form will neither be tolerated or ignored and will be referred to the Dean of Students for disciplinary action.
