INSTRUCTOR'S OVERVIEW OF THE CLASS:

This course is designed to introduce you to the basic concepts used by sociologists to analyze various aspects of social life, including social theory, research methods, culture, social institutions, social interaction and social change. The goal is to give you tools that will allow you to view the world and your own life through a sociological lens and to begin to think critically about the relationship between individuals (especially yourself) and society.

Course Goals and Learning Outcomes

1. The student will demonstrate an understanding of the basic content in sociology.
2. The student will demonstrate the ability to apply the scientific method of sociology.
3. The student will demonstrate an understanding of the broad implications of culture.
4. The student will demonstrate an understanding of the social structures of society.
5. The student will be able to explain the various theories of socialization.
6. The student will demonstrate an understanding of the causes of and methods to control deviant behavior.
7. The student will demonstrate an understanding of the concept and theories of social stratification.
8. The student will demonstrate an understanding of different forms of social inequality in society.
9. The student will demonstrate an understanding of social institutions and their functions in society.

CLASS REQUIREMENTS & POLICIES:**ADA Statement on Discrimination and Disability Support Services:**

If you need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at www.sa.utep.edu/cass. *CASS' Staff are the only individuals who can validate and, if need be, authorize accommodations for students with disabilities.*

ACADEMIC INTEGRITY

The University of Texas at El Paso prides itself on its standards of academic excellence. In all matters of intellectual pursuit, UTEP faculty and students must strive to achieve excellence based on the quality of work produced by the individual. In the classroom and in all other academic activities, students are expected to uphold the highest standards of academic integrity.

Any form of academic dishonesty is an affront to the pursuit of knowledge and jeopardizes the quality of the degree awarded to all graduates of UTEP. It is imperative, therefore, that the members of this academic community understand the regulations pertaining to academic integrity and that all faculty members insist on adherence to these standards.

Any student who commits an act of academic dishonesty is subject to discipline. Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, and any act designed to give unfair advantage to a student or the attempt to commit such acts. Proven violations of the detailed regulations, as printed in the Handbook of Operating Procedures (HOP), and available in the Office of the Dean of Students and on the homepage of the Dean of Students at www.utep.edu/dos, may result in sanctions ranging from disciplinary probation, to a failing grade on the work in question, to a failing grade in the course, to suspension or dismissal, among others. (<http://academics.utep.edu/Default.aspx?tabid=54418>)

Any suspected act of academic dishonesty will be reported to the Office of Student Conduct and Conflict Resolution (OSCCR).

CLASSROOM ETIQUETTE:

Please refer to the UTEP Handbook of Operating Procedures for information about conduct, appeals, student's rights and responsibilities.

You are advised that materials to be discussed in class may be, to some, offensive or controversial. I expect that we will conduct ourselves as adults and with respect for differences of thought and opinion and with respect for ourselves and peers. I reserve the right to dismiss students who are disrupting class in any form. Eating, talking out of turn or to your neighbor instead of adding to the discussion, packing to leave before you are dismissed and sending/reading messages on phones or other devices are some examples of disruptive behavior that may result in you being asked to leave. **All electronic devices should either be turned off or placed on silent and kept out of sight during class.** I reserve the right to answer your phone should it ring during class. Continued instances of any disruptive, disorderly or disrespectful behavior may result in further action including the student being dropped from the course. **Audio/video recordings are not allowed.**

ATTENDANCE:

You should make an effort to ATTEND EVERY CLASS. Arriving prepared and participating in discussions and group or individual work will contribute to your success in this class. Please arrive on time and remain until I dismiss you. It is up to you to be in class when work is assigned and collected.

All absences are considered unexcused; there is no need for you to provide evidence to explain your absence. Except where UTEP policy dictates otherwise, make-ups will not be allowed for any work missed during your absence.

COVID 19 Measures

Review the guidelines <https://www.utep.edu/ehs/COVID-19/> COVID-19 PRECAUTIONS

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID 19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. For more information about the current rates, testing, and vaccinations, please visit epstrong.org
