

THE UNIVERSITY OF TEXAS AT EL PASO
COLLEGE OF SCIENCE
DEPARTMENT OF MATHEMATICS

Course Number:	2301 CRN: 11440
Course Title:	Mathematics for the Social Sciences II
Credit Hours:	3
Term:	Fall 2018
Course Meeting Time:	Mondays and Wednesdays from 3:00 p.m. to 4:20 p.m. Business building
Prerequisite Courses:	Math 1320
Instructor:	Dr. Rocio Gallardo
Office Location:	Bell Hall 130E
Contact Info:	Phone: 915-747-5703 E-mail: regallardo@utep.edu
Office Hours:	Wednesday from 10:15 a.m. to 11:15 a.m.
Textbook, Materials:	Finite Mathematics & Applied Calculus, Waner and Constenoble, 6 th Edition
Course Objectives:	<p>The <i>Mathematics for Social Sciences II</i> course is designed for students who major in business, social sciences, and liberal arts. The mathematical concepts will be focused on the real-life applications that students can relate to.</p> <p>The course contains basic problems and their applications in mathematics, including but not limited to: matrices, limits, the derivative and its applications, and integrals and their applications.</p> <p>A student who passes this course will be able to understand and work with these mathematical tools, and be able to apply them in future math courses and in their careers.</p>
Assignments:	<p>There will be an in-class assignment every class period, which you are to work on during class time. You are encouraged to work in groups on these assignments. You don't need to turn these in; they are for your own benefit. In addition, homework assignments will be given at the start of each new chapter. There will be a quiz once or twice a week that will be taken directly from the homework assignments. You may not use your book during the quizzes, but you may use your homework, so it is definitely to your advantage to attempt all the problems on the homework assignments on your own. The lowest quiz score will be dropped.</p>
Assessment:	<p>Your overall grade will consist of the weighted average of your scores on the exams, homework quizzes, and the final exam. If it benefits you, the score you receive on the final exam will replace your lowest exam score.</p>

Grading Policy: The usual grading scale will be used for this course (90%-100% is an A, 80%-89% is a B, etc.)

Three exams	60% (20% each)
Quizzes	15%
Comprehensive final exam	25%
Total	100%

Make-up Policy: Make-up quizzes will only be given for students attending university sponsored events (such as student athletes traveling to meets), and only with prior notification and appropriate documentation. A make-up exam will only be given in extraordinary circumstances (severe illness, death in immediate family), and with appropriate documentation (e.g. doctor's note).

Attendance Policy: As with every college course, attendance is essential for success. Try not to be absent unless it is absolutely necessary. If possible, it is better to let me know ahead of time when you will be absent. If you are absent, it is your responsibility to find out which assignments you need to make up.

Academic Integrity: We will follow the university's policy in this course, as explained in the Handbook of Operating Procedures. You may find it [here](#). You may be directed to change seats at any time during exams.

Civility: Please do not use cell phones, pagers, iPods, MP3 players, blue tooth devices, etc. during class. Cell phones and pagers should be set to silent or vibrate, and if you absolutely must answer your phone, calls should be taken outside of class. Please do not wear headsets or blue tooth devices during class. Please do not send text messages during class.

Disability Statement: If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at www.utep.edu/CASS. *CASS' Staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities.*

Military Statement: If you are a military student with the potential of being called to military service and/or training during the course of the semester, you are encouraged to contact me as soon as possible.

Course Schedule: We will cover sections 4.1-4.3, chapter 10 (except 10.5), chapter 11 (except 11.6), sections 12.1-12.3, 13.1-13.2, and, if time permits, 14.1.

Technology: A scientific calculator is necessary; a TI-83 or TI-84 graphing calculator will be very helpful.

Drop Deadlines: The last day to drop the course without a "W" is November 2th. **The last day to drop the course with a "W" is Friday, April 1th.** Students will not be

dropped by the instructor. Students who decide to drop the course must process a drop form, in person, at the Registrar's Office, by April 1th.

Tutoring:

Online tutorials can be found [here](#). The Tutoring and Learning Center (TLC) offers free tutoring and is located on the third floor of the campus library. There are numerous private tutors available. Please also make use of the instructor's office hours.
