Schedule is subject to revision at the discretion of the instructor.
**Attendance Policy (Revised Effective Fall 2023):**

At each class meeting, sign into the attendance log *when you are ready to remain in the studio, have put away electronic devices, and are prepared to work*. If you sign in and then leave, your name will be crossed out and you will have to sign in again.

A line will be drawn after class starts. If you arrive late, sign in below the line.

Sign in for yourself only.

**Attendance Grading (Class Meetings):**

A point value between –2 and 5 will be assigned for each class meeting.

5 points: Arrive on time (before class starts) and ready to work at the start of class, stay in class throughout (subject to instructor discretion), keep phone put away.

5 points: Use one of two personal days by emailing instructor prior to the start of class.

4 points: Arrive one to ten minutes late, stay in class throughout, keep phone put away.

3 points: Arrive eleven to twenty minutes late, stay in class throughout, keep phone put away.

2 points: Arrive twenty minutes late or more, stay in class throughout, keep phone put away.

1 point: No attendance after both personal days are utilized; email instructor prior to the start of class.

1 point: Attend class but do not observe dress code.

1 point: Asked to leave class at instructor discretion.

-2 points: No attendance; no email to instructor prior to start of class.

Additional personal days may be granted at instructor discretion and may include days when students are required by the University or the Department to attend events or work elsewhere.

**Effective Fall 2023, students will only be permitted to attend class virtually if it is included in an accommodation by CASS.**

If a student has a CASS accommodation that includes exceptions for attendance, it is still incumbent on the student to communicate with the instructor regarding missed classes. The student cannot assume that the CASS accommodation is automatic permission to disregard the attendance policy. If a student does not attend class and does not send an email, it will still be accounted for as a no-attendance-no-email regardless of CASS accommodations.
Exceptions to Attendance Policy:
Exceptions to the attendance policy are subject to instructor discretion and are not guaranteed. In the event that exceptions are granted, they will be based on student’s track record and ability to communicate clearly and ahead of or during unusual circumstances. Remember: You have two personal days, and in order to use them you must email the instructor prior to the start of class.

TECHNOLOGY REQUIREMENTS

Some course content is delivered via the Internet through the Blackboard learning management system. Ensure your UTEP e-mail account is working and that you have access to the Web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser, clear your cache, or try switching to another browser.

You will need to have access to a computer/laptop. You will need to download or update the following software: Microsoft Office, Adobe Acrobat Reader, Windows Media Player, QuickTime, and Java. Check that your computer hardware and software are up-to-date and able to access all parts of the course.

If you do not have word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP’s Microsoft Office Portal. Click the following link for more information about Microsoft Office 365 and follow the instructions.

IMPORTANT: If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP Help Desk as they are trained specifically in assisting with technological needs of students. Please do not contact me for this type of assistance. The Help Desk is much better equipped than I am to assist you!

ILLNESS PRECAUTIONS

Please stay home if you have symptoms of a communicable illness. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations.

EXCUSED ABSENCES AND/OR COURSE DROP POLICY

I will not drop you from the course. However, if you feel that you are unable to complete the course successfully, please let me know and then contact the Registrar’s Office to initiate the drop process. If you do not, you are at risk of receiving an “F” for the course.
DEADLINES, LATE WORK, AND ABSENCE POLICY

Requests for leniency on due dates and late work are subject to instructor discretion. In order for a due date extension to be granted, the student must contact the instructor via email before the day and time that the assignment is due. Please remember to allow 48 hours for instructor response excluding weekends. In most cases, an assignment submitted late with an extension granted before the due date will be graded according to the rubric and then multiplied by 70 percent; in other words, an extension means that you will be penalized by 30 percent.

If a student has a CASS accommodation that includes leniency on or revision of deadlines, it is still incumbent on the student to communicate with the instructor regarding deadlines and due dates. The student cannot assume that the CASS accommodation is a free pass to disregard deadlines.

MAKE-UP WORK

This course is experiential; your participation cannot be duplicated by doing other assignments. In rare, documented cases of emergency, the decision to assign make-up work is at the discretion of the instructor.

INCOMPLETE GRADE POLICY

Incomplete grades may be requested only in exceptional circumstances after you have completed at least half of the course requirements. Talk to me immediately if you believe an incomplete is warranted. If granted, we will establish a contract of work to be completed with deadlines.

ACCOMMODATIONS POLICY

The University is committed to providing reasonable accommodations and auxiliary services to students, staff, faculty, job applicants, applicants for admissions, and other beneficiaries of University programs, services and activities with documented disabilities in order to provide them with equal opportunities to participate in programs, services, and activities in compliance with sections 503 and 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008. Reasonable accommodations will be made unless it is determined that doing so would cause undue hardship on the University. Students requesting an accommodation based on a disability must register with the UTEP Center for Accommodations and Support Services (CASS). Contact the Center for Accommodations and Support Services at 915-747-5148, email them at cass@utep.edu, or apply for accommodations online via the CASS portal.
SCHOLASTIC INTEGRITY

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another as one's own. Collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of academic integrity at The University of Texas at El Paso must be reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for possible disciplinary action. To learn more, please visit HOOP: Student Conduct and Discipline.

GUIDANCE ON ARTIFICIAL INTELLIGENCE

The use of generative AI tools such as Chat GPT will not be necessary or helpful in this course. Your written assignments will require you to speak candidly and from personal experience, citing specific examples of the work you have done in class.

AI tools can be helpful in assisting with grammar and sentence structure; however, using AI tools to edit your tone or style is not recommended for the purposes of this course. Today's technology is not advanced enough to make you sound more like yourself.

Students must cite any borrowed content sources to comply with all applicable citation guidelines, copyright law, and avoid plagiarism. Instances that violate these guidelines will be referred to the Office of Student Conduct and Conflict Resolution.
