HELP WITH THIS COURSE:

1. Your instructor’s office hours are dedicated to assist you. This information, as well as Program information is available at http://academics.utep.edu/default.aspx?tabid=17404.

2. A Developmental Math lab will be open for tutoring on Friday of each week. Other online tutoring will also be available (see the “Online Tutoring” section above).

3. Students requiring accommodations for physical or learning disabilities must make arrangements with the Center for Accommodations and Support Services, 106 East Union. If you are eligible for accommodations, you are responsible for presenting to your instructor any DSSO letter and instructions as early as possible in the semester.

4. Tell your instructor if you are in any special programs such as: Athletics, Veterans, ISP, SSSP, START, CAMP, etc.

CONTACT INFORMATION:

If you have concerns regarding your grade, course, etc... speak with your instructor first. They will advise where you can go for help. If the issue cannot be resolved your next step is to speak to the Director, Denise Lujan located in Education 205.

STUDENT CONTRACT

Your class will be taught utilizing the ALEKS (Assessment and Learning in Knowledge Spaces) system this semester. This program uses an online program to assess your mathematical knowledge and creates a path of instruction unique to your mastery needs. Please review this agreement, then sign and return it to your instructor when you are requested to do so.

I UNDERSTAND:  (Please initial each item to confirm you understand the following)

_____ I understand this is an actual UTEP course and will be permanently recorded on my transcript.
_____ I understand that being dropped from this course will cause me to be dropped from MATH 1320
_____ I acknowledge that my instructor will weekly visit with me about my progress in class. If I do not want these discussions to take place inside the classroom it is my responsibility to inform my instructor and arrange another time.

Things which can cause me to be dropped or fail the course

_____ Failure to purchase a book and code and use it to create an account and take your initial Knowledge Check by the 2nd day of class will result in being dropped from the course.
_____ Failure to work on ALEKS the required weekly amount of time and gain the required percentage will result in receiving a CoReq Student Deficiency Contract. (Average of 4 topics required per day)
_____ Failure to meet the requirements of the CoReq Student Deficiency Contract will result in either being dropped from both MATH 0312 and MATH 1320 or receive a failing grade.
_____ Failure to take a scheduled Knowledge Check without making prior arrangements with the instructor may result in being dropped from both MATH 0312 and 1320, or receive a failing grade.
_____ Exceeding the allowed amount of absences, or failure to attend class may result in being dropped from both MATH 0312 and 1320 or receive a failing grade.
_____ Class time is for MATH 0312 work only and the computer may not be used for any other purpose. The use of websites during class time will result in an absence being counted against you.
_____ Failure to complete the MATH 0312 ALEKS modules to 100% and the proctored comprehensive Final Exam by the end of the course with a minimum average score of 70% will result in receiving a failing grade of “U” in the course.
_____ All Requests for DROP require a face-to-face meeting with Mrs. Denise Lujan

Things NOT allowed during my time on the math program and which can result in disciplinary action against me.

Students in violation of these policies will be turned over to the Office of Student Conduct and Conflict Resolution for cheating.

_____ The use of electronics, including cell phones are not allowed. This includes, but is not limited to: listening to music, texting, checking email, looking at social media websites, and making phone calls.
_____ The use of websites other than ALEKS to compute mathematical answers or provide “help” is strictly forbidden.
_____ You must do my own work and may not allow others to work on your ALEKS account.
_____ No electronic devices may be used to mathematically assist you during your work time on ALEKS. Calculators, phone apps, laptops, tablets or any other devices are not allowed during ALEKS work time.

Student Signature: ____________________________ Date: ______________
Questionnaire

Student Name: ________________________________________________________________

Contact Information:
Cell Phone: ___________________________ Working Email: __________________________

UTEP Information:  Major ________________________________  Classification _____________
Have you taken MATH 0311 at UTEP before? _______YES ________NO
If YES, when and with what instructor? _____________________________________________
Next Math course needed (please check)

____ 1319      ____ 1320      ____ 1380      ____ 1508       ____ not sure

Special Circumstances: You will be required to spend several hours weekly on the ALEKS program. Please indicate any special circumstances you may face which will cause that to be a challenge.
Where do you work? ___________________________  How many hours per week? _____________
How many course hours are you taking at UTEP? _______
Other issues which cause time management problems (please specify)________________________

Special Programs:  Are you an international student?   Yes___________ No _____________
Write a short description of yourself, adding anything else you want your instructor to know.
