LATE ASSIGNMENTS

Due dates are posted. Plan accordingly. I do not accept late assignments. I understand that life happens and sometimes things come up that we don't expect, don't wait until the last minute to submit assignments. Exceptions can be made at my discretion.

ACADEMIC DISHONESTY:

Academic dishonesty includes cheating on an exam, turning in someone else's assignment from a previous class, or plagiarism: "(1) use by paraphrase or direct quotation of the published or unpublished work of another person without fully and properly crediting the author with citations or biographical reference; (2) unacknowledged use of work/materials prepared by another person or agency engaged in the selling of term papers or other academic materials; (3) unacknowledged use of original work/material that has been produced through collaboration with others without release in writing from collaborators."

I take cases of alleged academic dishonesty seriously. For students who are found to have allegedly engaged in any form of academic dishonesty, the case will be referred to the Office of Student Conduct and Conflict Resolution (OSCCR). While the case is being investigated by OSCCR, an "I" (Incomplete) will be assigned until the case is resolved. If the student is found by OSCCR to have engaged in misconduct, sanctions may include a failing grade on the assignment or exam in question, a failing grade in the course, suspension, or dismissal from the University. UTEP Drop Policy

If unforeseen circumstances happen where a drop is necessary, *students* are responsible for initiating any course drop. It is the student's responsibility to determine how dropping courses may affect financial aid. **Students are limited to dropping no more than 6 courses over their entire academic career of all courses taken at any public college or University in Texas.**

- a) Students who drop a course within the first 2 weeks *before the "official census date,"* the course will not appear on the transcript, and doesn't count toward the 6-course drop limit.
- b) Dropping a course *after the official census date, but before the "course drop date"* will generate a "W" in the course—although the drop shows on your transcript, a "W" does not lower your GPA. However, this type of drop counts against your 6 drop limit.
- c) If the course is dropped *after the "course drop date"* or if the student just stops coming/taking tests, etc., UTEP requires the instructor to issue an "F" in the course that permanently remains on the transcript. This type of drop counts against the 6 drop limit.
- d) UTEP also allows instructors to administratively drop any student because of excessive absences, lack of effort, or disciplinary reasons. In this case, the student will be notified of the course drop through their UTEP email account. A "W" will be issued if the drop occurs before the course drop date, and an "F" will be issued if a student is administratively dropped for disciplinary reasons or after the course drop date. This type of drop counts against the 6 drop limit.
- e) If circumstances occur where a student must miss an excessive number of classes and/or is unable to submit multiple assignments (e.g., student medical reasons, medical conditions of a family member, death of a family member, active military service), they should first discuss the possibility of withdrawal from all classes with their academic advisor. If a student withdraws completely from all classes, kindly notify Dr. Ordonez at saordonez@utep.edu. Complete withdrawals from all classes in the same semester do not count against the 6 drop limit.
