ATTENDANCE and COURSE PARTICIPATION

Attendance and course participation are vital to your success in this class and are therefore mandatory and included as part of your overall grade. Attendance will be taken through a sign-in sheet at the beginning of class. If you are not in your seat when the sign-in sheet goes around, you will be counted absent. At the end of the semester, each unexcused absence will incur a **5-point deduction** from your overall attendance/participation score. Your participation in class activities is important for your own learning success and to enhance the building of your skills within a community of learners. Attendance and class participation will comprise **10% of the final grade**.

MAKE-UP WORK and LATE ASSIGNMENTS

Make-up work will only be given in the case of a documentable emergency. It might be given in a different format and/or graded with penalty points. If you miss an assignment without a documentable excuse, you will receive a 50% deduction on that assignment. Reach out to me, in advance when possible, and explain with the proper documentation why you missed a certain assignment. Once the parameters for a make-up assignment have been set, no further extensions will be granted.

I highly encourage you to submit your work early to help avoid technical difficulties that sometimes arise with last-minute submissions. If you are having trouble submitting an assignment, contact me as soon as possible by email. If you experience technical difficulties that are beyond your troubleshooting abilities, please contact the [UTEP Help Desk](#).

If you do not take these steps, you will be at risk of receiving an “F” for the semester.

Incomplete grades may be requested if you have completed at least half of the course requirements and extenuating circumstances will hinder your ability to complete the remainder of the course before the conclusion of the semester.
