Understanding Your Grade

Attendance: Regular attendance is mandatory in this class. We will take attendance at the beginning of each class period. If you are late for class, you will receive 75% of the attendance points for that day. If you are more than 20 minutes late, you will receive no credit. Please see the course Attendance Policy on page three (3) for information regarding absences.

Common Read: This semester, you will read a memoir of one woman’s personal and academic journey. You will use her journey as a starting point to reflect on your own academic and professional journey. You will prepare for and complete five in-class discussions and activities based on the book.

Digital Story: Throughout the semester, you will participate in various course, campus, and community activities that will help shape your entering student experience at UTEP. You will document these experiences in a multimodal digital story, or e-book. The digital story is worth 200 points.

Participation: Education is not a spectator sport! To succeed in college, you must take an active role in your own learning. In this class, “participation” includes your preparation for and contributions to class activities and discussions (100 points) AND the completion of several activities and assignments including:

We will assess your in-class participation four (4) times during the semester. Two (2) of these will be self-assessments, with the first due in Week 3. Instructions for the activities listed above are available in the “Assignments” folder in Blackboard.

## Attendance Policy

Attendance is mandatory and worth 10% of your course grade. You are allowed four (4) absences without penalty. Any additional absences will have a negative impact on your grade. If you are absent more than five (5) times during the semester, you will be dropped from the course.

- **University-sanctioned absences**: University-sanctioned absences do not count towards your three allowed absences so long as you provide official documentation (a letter from the dean of your college) explaining the reason for your absence. Per university policy, you must provide me with this letter at least 10 days in advance of your absence.
- **Unexcused absences**: All absences that are not university-sanctioned are unexcused. This includes absences due to illness, medical and dental appointments, court dates, and family events or obligations. This doesn’t mean you can never miss class—you may have a good reason to do so! It does mean that if you have a good reason, the absence will count toward the four (4) absence limit.
- **Emergencies**: If you experience an emergency that results in multiple absences (for instance, if you become seriously ill or are hospitalized, lose access to reliable transportation, lose childcare, or experience the death of a loved one), you should contact Steven so we can discuss your options. Be aware that in some cases dropping the class will be the best option.

## Course Drop/Withdrawal Policy

If you are absent more than six (6) times, fail to regularly submit coursework, or your course grade falls below 70% at or after midterm, you may be dropped from the course. If you decide to drop the course yourself, it is your responsibility to contact your academic advisor and initiate the process. Dropping a course may impact your financial aid, scholarships, military funding, or student visa, so it is important that you consult with your advisor if you are thinking of dropping.

## Late Work Policy

You may submit most assignments up to three (3) calendar days late with a 10% deduction for each day the assignment is late. We will not accept late work more than three days past the due date. The Digital Story and assignments completed during class meetings are not eligible for late submission.

## COVID-19 Policy

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let your professors know as soon as possible so we can provide appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area and is frequently offered on campus. For more information about the current COVID-19 rates, testing, and vaccinations, please visit epstrong.org.

## Communication and Behavior Guidelines

Be respectful of other’s ideas, opinions, and beliefs. It’s fine to disagree with someone, but please respect their right to think differently. Do not attack or insult your classmates, peer leader, or instructor. When responding to your peers, be sure to address the idea and not the person. You should never use insults or resort to name-calling, as neither is appropriate in an academic setting.

## Inclusivity Statement

Our students come from all walks of life and so do your instructors and peer leaders. This UNIV
1301 course is committed to cultivating a culture of inclusion and connectedness. We will work together to create a learning environment in which each person’s name, pronoun, gender expression, gender identity, sexual orientation, race, ethnicity, ability, nationality, and religious identity are respected.

Course Management System
Backboard Ultra is the online course management system we will use throughout the semester. You can access Blackboard through my.utep.edu. In Blackboard you can view the syllabus, course calendar, and other supplemental materials related to the course. You must check Blackboard daily for course announcements, assignments, and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

Technical Requirements
- A computer with internet access. This course cannot be completed without access to a computer and the Internet. Inability to complete an assignment due to the limitations of the Blackboard app on phones or tablets is not an acceptable reason to miss an assignment or to not follow deadlines or directions.
- A web browser that supports Blackboard, YouTube, TED Talks, Yuja, Kanopy, and other forms of media as needed throughout the course.
- Microsoft Office365. Assignments must be submitted as a Word document (doc or docx) or PDF. Attachments in any other format will not be graded.

You can download a free copy of Microsoft Office here.

Assignment Guidelines
All assignments submitted in UNIV 1301 should follow this format unless otherwise stipulated by the instructor:
- Calibri | 11pt font | one-inch margins | double-spacing
