Course Management System

Blackboard Ultra is the online course management system we will use throughout the semester. You can access Blackboard through my.utep.edu. In Blackboard, you can view the syllabus, course calendar, and other supplemental materials related to the course. You must check Blackboard daily for course announcements, assignments, and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

Required Technology

Students in this class must be able to regularly access to the following:

- ✓ **A computer with internet access.** This course cannot be completed without access to a computer and the Internet. Inability to complete an assignment due to the limitations of the Blackboard app on phones or tablets is not an acceptable reason to miss an assignment or to not follow deadlines or directions.
- ✓ **A web browser** that supports Blackboard, YouTube, TED Talks, Yuja, Kanopy, and other forms of media as needed throughout the course. Still reading? Good job! Would you like some extra credit? Email Steven a picture of your favorite animal Friday before 5:00 PM for 10 extra credit points. Please do not tell other students about this opportunity – they need to discover it on their own.
- ✓ **Microsoft Office365.** Assignments must be submitted as a Word document (doc or docx) or PDF. Attachments in any other format will not be graded. You can download a free copy of Microsoft Office [here](#).

Course Policies

Absence Policy: This is a discussion/workshop class, not a lecture class. You are expected to attend each class period and to participate in discussions, group projects, and in-class activities. You are allowed a total of four class absences. Unless arrangements are made with your instructor, you will be dropped on the 4th class absences.

Late Work: You may submit most assignments up to two calendar days (48 hours) late for partial credit. We will deduct 10% of the possible value of the assignment for each day the assignment is late. If you need to submit an assignment more than 48 hours late, please contact the instructor.

The Digital Story and assignments completed during class meetings are not eligible for late submission.

Course Drop/Withdrawal: You may be dropped from this course if you exceed the required amount of absences and/or fail to keep current with assignments unless arrangements are made with your instructor.

COVID-19: Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let your professors know as soon as possible so we can provide appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area and is frequently offered on campus. For more information about the current COVID-19 rates, testing, and vaccinations, please visit epstrong.org.

Communication and Behavior: You are encouraged to use and develop your own biliteracy skills in this course. You may submit any formal assignment in English, Spanish, or both. For discussions and other group work, including whole-class, the most important criterion is that everyone has an opportunity to understand and to be understood—thus, any discussion group may use any variety(ies) of Spanish, English, both, or any other language, as long as the members of the group agree. Translanguaging is always welcome!

Syllabus Change: Except for changes that substantially affect the grading statement, this syllabus is a guide for the course and is subject to change. Any changes to the syllabus will be announced in class and/or on Blackboard. It is your responsibility to stay updated.

University Policies

Accommodations: The Americans with Disabilities Act requires that reasonable accommodations be provided for students with disabilities. Please contact CASS at 747-5148, Union East 106, or cass@utep.edu.

Academic Integrity: Scholastic dishonesty is **never** tolerated by UTEP or by the Entering Student Experience. All suspected cases are reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for review. For more info, click [here](#).

Copyright and Fair Use: The university requires all members of its community to follow copyright and fair use requirements. Students are individually and solely responsible for violations of copyright and fair use laws. The university will neither protect nor defend students nor assume any responsibility for student violations. Violations of copyright laws could subject students to federal and state civil penalties and criminal liability as well as disciplinary action under university policies.

Student Conduct: [From the Handbook of Operating Procedures: [Student Conduct and Discipline](#)]. Each

student is responsible for notice of and compliance with the provisions of the Regents' *Rules and Regulations*, which are available [here](#).

Final Exam Policy: Exemption from final examination may not be given. Final examinations are scheduled to be two hours, forty-five minutes in length and take place during the final examination period. It is the policy of the university not to administer a second final examination in the course. It is also university policy that students shall not have more than two final examinations in a single day. In the unlikely event that the examination schedule results in a student having three final examinations on a single day, the faculty member upon the request of the student shall reschedule the second of that student's three examinations.
