

### Select research topic

The objective is to develop critical thinking through the student's interest and curiosity on understanding the social world. The student will present in one page (double space) three arguments that will explain the reason why the topic is relevant from a social sciences perspective. The relevance from a perspective of public administration can be from the perspective of efficiency, effectiveness, improvement of processes, recruitment, etc.

### Rubric

	Yes	Partially	No
The question can be answered	2	1,5	1.0
The hypothesis is testable, and the direction of the relationship is stated	2	1,5	1.0
Time frame is clear	2	1,5	1.0
Population is clearly identified	2	1,5	1.0
Spelling and grammar are free of mistakes	2	1,5	1.0
Total	10	7.5	5.0
