**Attendance Policy:** Students are allowed 1 unexcused absence. Each additional absence will result in a half letter grade deduction. Make up lessons are not required by the instructor. Weekly lesson times are subject to change.

**Area and Departmental Recitals Attendance Policy**

1. All students enrolled in Applied Lessons must attend a minimum of twelve (12) Area and Departmental recitals which take place every Friday at 1:30 p.m. in the Department of Music. **Failing to attend twelve (12) required recitals will result in lowering Applied Lessons’ final grade by one letter.**
2. Make up absences are accomplished by attending UTEP Music Department concerts and recitals. Non-University recitals such as El Paso Music Forum, El Paso Symphony, El Paso Wind Symphony, and Pro-Musica as well as any other performances given by our faculty and guests will be accepted.
3. To receive credit for the make-up, a student must attend a music event. The program must be signed by a music faculty member who attended the same event. The program must be brought to the Music Office to record the attendance. Student name and ID# must be on the program. Without this information students will not receive credit.
4. It is the student’s responsibility to turn in the signed programs to the main office by 5 p.m. on Friday’s Finals week. **There will be no exceptions.**
5. Students must sign the makeup sheet every time they turn in a program. At the end, the office must have both, the program with the student’s information and their signature matching the date. **There will be no exceptions.**
6. Please notice: When a single area recital is cancelled, students will need to replace the cancelled recital by either going to a different area recital held at the same time or turning in a makeup recital.
7. At the end of the semester, all students will have the same number of expected recitals.

**Juries:** The juries at the end of each semester will act as a final exam. Jury sheets are available to students after the jury.

**Studio Class:** Students are required to attend and perform at monthly studio classes where they will be critiqued in front of their peers in a master-class setting.

**Grading:** Students final grade will be based on progress made during the semester, comprehension of materials, completion of week-to-week assignments, and juries.

**Overall Semester Grade Percentage Spread:**

*Completion of weekly assignments:* 25%
Overall progress during semester: 25%
Jury: 15%
Studio Class: 10%
