Textbook(s), Materials: None

Course Objectives (Learning Outcomes): Upon completion of this course, students will be able to

- develop a 25-minute lecture materials using PowerPoint or similar software,
- deliver a lecture in a formal setting for a general scientific audience,
- respond effectively to questions from an audience of their peers, and
- evaluate and provide constructive feedback on lectures given by others.

Course Students will
Activities/Assignments:

- give a 25-minute lecture on their research or on any topic of their choice to demonstrate their ability to teach effectively
- create/update their personal webpage and CV

Assessment of Course Objectives: Students will give a 25-minute lecture on their research topic and receive feedback that they can use to improve their skill in preparing and delivering a lecture.

Course Schedule: Presentation schedule will be set up during the first class meeting, and will be posted on Blackboard.

Grading Policy:

- Presentation (50%)
- Personal webpage and CV.

Make-up Policy: No make-up

Attendance Policy: Attendance is mandatory.

Academic Integrity Policy: The University policy is that all suspected cases or acts of alleged scholastic dishonesty must be referred to the Dean of Students for investigation and appropriate disposition. Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes, but is not limited to cheating, plagiarism, collusion, submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts. For further information, please refer to:
<http://academics.utep.edu/Default.aspx?tabid=23785> or
<http://www.lib.iastate.edu/commons/resources/facultyguides/plagiarism/dishonest.html>.

Civility Statement: No cell phones are allowed to be used during the class, quizzes, tests or exams. Please turn off any electronic device which may disturb the class activity

Disability Statement: If a student has or suspects she/he has a disability and needs an accommodation, he/she should contact the Disabled Student Services Office (DSSO) at 747-5148 or at <dss@utep.edu> or go to Room 106 Union East Building. The student is responsible for presenting to the instructor any DSS accommodation letters and instructions.

Military Statement: If you are a military student with the potential of being called to military service and/or training during the semester, please contact me by the end of the first week of class.

Covid 19 Precaution Statement Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID 19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org
