Most class content will be in-person. However, email and Blackboard are still important to this course. Check your Miner email daily. Please respond when a response is warranted. Blackboard will contain course content that will be updated each week.

Instructor’s Introduction
Tom Birkner, B.A. Rutgers University, M.F.A. The Pennsylvania State University, is in his sixth year as a member of the Department of Art faculty. Tom previously taught at Drew University, Madison, NJ and at Parsons The New School for Design in NY and Paris. His work is widely exhibited and he is represented by Paul Thiebaud Gallery, San Francisco, and Gerald Peters Contemporary, Santa Fe.

Course Description
Painting III is a course where fundamentals flourish and grow into true painterly skill. As always, elements of drawing, painting, design and digital processes will be incorporated into the semester’s work plan. A significant aspect of the class will be learning to build pictures through the improved utilization of source material.

Instruction will be highly individualized and supportive, yet also rigorous. A clear and constant progression of technical painting facility will be emphasized. The course is intended as a further step toward independent painting. Your main job is to find subject matter that is meaningful and important to you. However, there will be three projects assigned at the beginning of the semester.

But most importantly of all, this course continues your path toward developing your own subject matter and producing a series of paintings over the 15 weeks of this semester. Expect to work 9-10 hours per week outside of class time to meet basic requirements.
PNTG on Blackboard

There will be weekly content on Blackboard. There will be a variety of reading, videos, imagery and other content. Here is a weekly outline that covers the next twelve weeks:

Week 1: Basic Advice on Set-up, Clean Up and Mediums  
Week 2: Starting A Painting/Drawing With Brushes  
Week 3: Finding and Developing Ideas  
Week 4: Painting Faces and Hands  
Week 5: Lines And Boundaries  
Week 6: Background/Foreground  
Week 7: Thoughts On Color  
Week 8: Painting Wet On Wet & Wet On Dry  
Week 9: Composition/Placing Things In A Space  
Week 10: Contrast and the Illusion of Depth  
Week 11: Color, Contrast and the Illusion of Light  
Week 12: Painting Details

This is not an exhaustive list, but it does cover many of the basics. More nuanced topics, such as these:

1. Tints and Shades  
2. Initial Drawing: Careful Detail vs. Reckless Abandon  
3. Blending  
4. Building Surface  
5. Tonal Harmony/Atonal Disharmony  
6. Focal Points  
7. Linearity, Diffusion, Blur  
8. Creative Destruction  
9. Atmospheric Space/Flat Planes  
10. Levels of Color Saturation  
11. Line Speed  
12. White Space  
13. Light (Low Contrast)  
14. Descriptive vs. Active Painting

... will also be covered as time allows. All demos will attempt to be worthy substitutes for the inability to help with your paintings directly if we go back to fully online teaching.

Course Material Is Subject To Change

The syllabus is a guideline. Adapting to changing circumstances supersedes syllabus. Changes will occur. Improvisation might be necessary to accommodate changing circumstances.
Course Requirements That Will Not Change

10 paintings equaling 130 hours of effort
Written statement (1-2 paragraphs) on what you want to accomplish this semester
Hand-written sentence from the weekly Blackboard reading (the sentence you like most)

More On Course Requirements

A total of ten paintings will be due at semester’s end. These are the most important part of this course and they will count for 90% of your grade. The writings will count for the rest. As mentioned above, there will be a combination of assigned and independent work. However, independence is strongly encouraged and the independent paintings should have the coherence of a series.

IMPORTANT: Your total semester production should equate to approximately 130 hours of work. You are free to dedicate more time to some paintings than to others. For instance, you can do 4-6 small studies that might take 2 hours each. Then dedicate more time to more important paintings.

Class Critiques

Critiques are going to be highly variable. If we are on campus all semester, there will be three critiques. Individual critiques will occur at Week 4, peer critiques will occur at Week 8, final critiques will occur in their scheduled time.

You are expected to have new paintings for each critique. Paintings must show enough progress to be discussed and taken seriously. Also, to encourage you to develop paintings throughout the semester, all grading will be informal until your final grade. However, any student may privately ask for a verbal assessment, which will also be given during the Week 8 critiques.

Course Goals and Objectives

- Develop exciting painted imagery by experimenting with source material
- Deepen your awareness of pictorial spatial strategies
- Improve composition through planning and editing
- Understand tonal structure and its visual effects
- Use “style” as a means of enhancing content

Last and most important objective of the semester is to create a group of 10 paintings that work together as a unified series.
**Grading Guidelines**

Grading will be based on cumulative effort, improvement and quality. Because skill levels vary, evaluation will be influenced by improvement on an individual basis. Here’s a basic outline of grading priorities:

- **10 series-based paintings** 90%
- **Statement of semester intent and written quotes** 10%

**Grading Standards**

- F - Failure
- D - Below Average/Satisfactory
- C - Average
- B - Good
- A - Excellent

If a more detailed explanation of these standards is needed, just ask and I’ll be happy to supply it. For info on attendance and its relationship to grading, please see **Attendance Policy** below.

**UTEP Policies On Covid**

This class will follow all UTEP and state guidelines on Covid. Please pay attention to them, as they are subject to change. Our daily policy in class is to follow the common-sense rules we’ve been following the previous two semesters - masks are recommended, and might become mandatory, surfaces will be cleaned regularly with anti-bacterial solution, and keep a reasonable distance from one another. See the final page for more information.

**Technology Requirements**

Some course content will be delivered through Blackboard. Ensure your UTEP e-mail account is working and that you have access to the web and a stable web browser. Google Chrome and Mozilla Firefox are the best browsers for Blackboard; other browsers may cause complications. When having technical difficulties, update your browser (unless, of course, your friendly neighborhood tech monopoly won’t let you), clear your cache, or try switching to another browser.

You will need to have access to a computer. We might use Zoom on Blackboard for video meetings. Please log into Blackboard and open this new function to see if your computer is compatible with it. If not, check that your computer software is up-to-date. If it can’t be updated, contact the Tech Center at helpdesk@utep.edu
If you do not have a word-processing software, you can download Word and other Microsoft Office programs (including Excel, PowerPoint, Outlook and more) for free via UTEP’s Microsoft Office Portal. Click the following link for more information about Microsoft Office 365 and follow the instructions.

IMPORTANT: If you encounter technical difficulties beyond your scope of troubleshooting, please contact the UTEP Help Desk as they are trained specifically in assisting with technological needs of students. The Help Desk is much better equipped than I am to assist you!

**Attendance Policy**

Attendance, punctuality, participation and appropriate class conduct are crucial. Failure to perform to required standards will result in strong grade penalties and can cause failure of this course.

- Each student is permitted 3 absences during the semester without penalty. Students with more than 3 absences should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course.
- Each unexcused absence after 3 will result in the final course grade being lowered by 1 full letter grade. Absences after the first 3 can be excused only if the first 3 absences are excused.
- Excused absences are defined as documented illness or serious illness or death in the immediate family.
- Coming to class late or leaving early is regarded and graded as being absent. All students are required to attend class on time and to remain in the class the entire time. Entering class late and leaving early is disruptive, disrespectful and sets an unacceptable standard for everyone.
- Coming to class unprepared or attending class and not working is regarded as absent.
- Information missed during an absence is the sole responsibility of the student.

**Course Participation:**

- Participation in all discussions, critiques and class days is required for this course.
- Development and execution of class projects must be done utilizing all class meetings.
- Projects executed solely out of class will not be accepted.
- Participation in the collaborative group environment of the studio is essential to the successful completion of this course.

**Class Conduct (for those attending on campus):**

- **Sick Policy - If you are not feeling well, or if you are sick, then you should not come to this class under any circumstances.** You should instead seek medical care, and/or recuperate at home. Email me or call me when you are able and let me know the circumstances, and I will help you to
catch up in class when you are feeling better. If you are pregnant, or have other physical issues such as allergies to dust, respiratory issues, anything that I should be aware of, please inform me of this immediately, and we will work to make you safe and comfortable. If a family member is ill, and you need to care for that person, please email me or call and let me know what your situation is.

- Guests - **Guests are not permitted at any time during class.** You are expected to remain in class at all times, and may not step-out to visit with guests during class. There will be one warning. After that, you will be asked to leave class and you will be counted absent.

- Cell phones and tablets - **USE OF PHONES DURING CLASS IS NOT ALLOWED.** If there is some reason you must use your phone, please notify me BEFORE class, and or use your phone during break.

- Music - Ear phones are permitted in one ear, and not during class discussion.

- Studio Hours - The studios will be open only during scheduled class times until further notice.

- Studio Safety - Some aspects of painting can be hazardous if proper precautions are not taken. All safety procedures will be explained to you throughout the semester, and every consideration has been taken to create a safe environment for you to work in. If you are pregnant, or have other physical issues such as allergies to dust, respiratory issues, anything that I should be aware of, please inform me of this immediately, and we will work to make you safe and comfortable.

- Cleanliness - You are required to clean up your work area when you are finished working in the studio. Please put all of your tools, materials, etc. away in your lockers, and wipe down tables, easels and sinks. Do not leave paint or mineral spirits on the floor. **Close all jars containing mineral spirits and put them in the flame retardant cabinet in Studio A457. Put all rags with solvent on them on the red, flame retardant trash cans with lids.** If you have difficulty cleaning up after yourself, then you will receive a special tutorial on how to clean up after class.

- Work Removal - Finished works must be removed at the end of the semester. UTEP will not be responsible for work left in the studio. All materials, canvases, etc. will become the property of UTEP Painting after the clean-up deadline. Exceptions to this rule must be discussed with me.

**Late Assignments, Make-up Work and Exams**

Late and make-up work are only afforded in the case of an excused absence by arrangement and approval of the instructor.

**Incompletes, Withdrawals, Pass/Fail**

- Incompletes or “I” grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All “I” grades are at the discretion of the instructor and the approval of the Department Chair.
• Students hold full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the final date to drop a course with a “W”. Students missing this deadline will be issued a grade for the performance in the course.
• PTNG 2331 is a grade-based course and is not available for audit or pass/fail options.

University Policy Statements

Cheating/Plagiarism: Cheating is unethical and not acceptable. Plagiarism is using information or original wording in a paper without giving credit to the source of that information or wording; it is also not acceptable. Do not submit work under your name that you did not do yourself. You may not submit work for this class that you did for another class. If you are found to be cheating or plagiarizing, you will be subject to disciplinary action, per UTEP catalog policy. Refer to http://www.utep.edu/dos/acadintg.htm for further information.

Disabilities: I will make any reasonable accommodations for students with limitations due to disabilities, including learning disabilities. Please see me personally before or after class in the first two weeks or make an appointment, to discuss any special needs you might have. If you have a documented disability and require specific accommodations, you will need to contact the Disabled Student Services Office in the East Union Bldg., Room 106 within the first two weeks of classes. The Disabled Student Services Office can also be reached in the following ways:
Web: http://www.utep.edu/dsso
Phone: 915-747-5148

COVID PRECAUTIONS:

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID 19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area, and will be available at no charge on campus during the first week of classes. For more information about the current rates, testing, and vaccinations, please visit epstrong.org
