THE UNIVERSITY OF TEXAS AT EL PASO
COLLEGE OF SCIENCE
DEPARTMENT OF MATHEMATICS

Course Number: 1320, CRN 16913
Course Title: Mathematics for the Social Sciences I
Credit Hours: 3
Term: Fall 2014
Course Meeting Time: TTH 10:30 – 11:50 AM MAIN 205
Prerequisite Courses: M0311 or TSI score between 350 – 390 or placement by previous Accuplacer scores
Instructor: Tuesday J. Johnson
Office Location: Bell Hall 322
Contact Info: E-mail: tuesdayj@math.utep.edu
Website: http://math.utep.edu/Faculty/tuesdayj
Office Hours: M 10:30 – 12:30 in office, TR 2:30 – 3:30 via Blackboard and WebAssign

Required Technology: MS Excel and a WebAssign account.

WebAssign: Go to the WebAssign website and follow these steps:
1) Under Username put your 800 number
2) Under Institution put UTEP
3) Under Password put your 800 number
4) Change your password: Click the tab that says “My Options”. Change your password to something other than your 800 number, and remember it!

You will be given a two-week grace period during which you will be able to log in without an access code. You will need to purchase an access code to log in after this period. If you purchased a new book, the code should have come with it. Otherwise you’ll have to buy one through the WebAssign site. E-book w/code is $75.

Course Information: Math 1320 is a pre-calculus course for liberal arts, business and other non-science majors. The topics covered include:
- Linear, quadratic, exponential, and logarithmic functions
- Systems of linear equations
- Matrix algebra
- The mathematics of finance
- The algebra of sets
- Probability

Students will learn mathematical concepts and methods used in management, social science, and business. Students will develop the view that mathematics is an evolving discipline that is interrelated with human culture. Students will also understand the connections of mathematics to other disciplines.
Assignments: You will have regular assignments to be completed on WebAssign. You will also have quizzes and in-class assignments to be completed during class time. I will allow you to use your handwritten notes on your quizzes (but not exams), so attending each day is important. The in-class work will generally be completed in small groups and your grade will be based on your attendance that day.

Assessment: Your overall grade will consist of the weighted average of your scores on three exams, homework quizzes, WebAssign homework, and the final exam. If it benefits you, the score you receive on the final exam will replace your lowest exam score.

Grading Policy: The usual grading scale will be used for this course (90%-100% is an A, 80%-89% is a B, etc.)

Make-up Policy: Make-up quizzes will only be given for students attending university sponsored events (such as student athletes traveling to meets), and only with prior notification and appropriate documentation. A make-up exam will only be given in extraordinary circumstances (severe illness, death in immediate family), and with appropriate documentation (e.g. doctor’s note).

Attendance Policy: As with every college course, attendance is essential for success. Try not to be absent unless it is absolutely necessary. If possible, it is better to let me know ahead of time when you will be absent. If you are absent, it is your responsibility to find out which assignments you need to make up.

Academic Integrity: We will follow the university’s policy in this course, as explained in the Handbook of Operating Procedures. You may find it here. You may be directed to change seats at any time during exams.

Civility: Please do not use cell phones, pagers, IPods, MP3 players, blue tooth devices, etc. during class. Cell phones and pagers should be set to silent or vibrate, and if you absolutely must answer your phone, calls should be taken outside of class. Please do not wear headsets or blue tooth devices during class. Please do not send text messages during class.

Disability Statement: If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at www.utep.edu/CASS. CASS’ Staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities.
Military Statement: If you are a military student with the potential of being called to military service and/or training during the course of the semester, you are encouraged to contact me as soon as possible.

Course Schedule: See last page.

Technology: A TI-83 or TI-84 (or similar) graphing calculator is recommended.

Drop Deadlines: The last day to drop the course without a "W" is Wednesday, September 10th. The last day to drop the course with a "W" is Friday, October 31st. Students who decide to drop the course must process a drop form, in person, at the Registrar's Office, by October 31st.

Tutoring: Online tutorials can be found here. The Tutoring and Learning Center (TLC) offers free tutoring and is located in the campus library. There are several useful features of WebAssign designed to give extra help. There are numerous private tutors available. Please also make use of the instructor's office hours.

| 1    | 8/25 – 8/29 | 1.1 Functions from three viewpoints  
1.2 Functions and Models            |                                             |
| 2    | 9/1 – 9/5   | 1.3 Linear Functions and Models  
1.4 Linear Regression               | 9/1 – Labor Day – No Classes               |
| 3    | 9/8 – 9/12  | 9.1 Quadratic Functions & Models  
9.2 Exponential Functions & Models  | 9/10 – Census Day                         |
|      |             | 9.3 Logarithmic Functions & Models  
Exam #1 Review                       | (Last day to drop w/o a W)                 |
| 4    | 9/15 – 9/19 | 2.1 Simple Interest                                                              | Exam 1 this week                           |
|      |             |                                                                                 | (Exact date TBA)                           |
| 5    | 9/22 – 9/26 | 2.2 Compound Interest  
2.3 Annuities, Loans, and Bonds        |                                             |
| 6    | 9/29 – 10/3 | 3.1 Systems of 2 Eqs./2 unknowns  
3.2 Using Matrices to Solve Systems |                                             |
| 7    | 10/6 – 10/10| 3.3 Applications of Systems of Eqns  
Exam #2 Review                        |                                             |
| 8    | 10/13 – 10/17| 6.1 Sets and Set Operations                                                      | Exam 2 this week                           |
|      |             |                                                                                 | (Exact date TBA)                           |
| 9    | 10/20 – 10/24| 6.2 Cardinality  
6.3 Decision Algorithms               | 10/31 – Course drop deadline              |
| 10   | 10/27 – 10/31| 6.4 Permutations & Combinations  
7.1 Sample Spaces and Events         |                                             |
| 11   | 11/3 – 11/7 | 7.2 Relative Frequency  
7.3 Probability and Probability Models |                                             |
| 12   | 11/10 – 11/14| 7.4 Prob. & Counting Techniques  
7.5 Conditional Probability           |                                             |
| 13   | 11/17 – 11/21| Exam #3 Review  
7.6 Bayes’ Theorem (optional)        | 11/27-28 Thanksgiving Holiday No classes  |
| 14   | 11/24 – 11/28| 7.6 Bayes’ Theorem (optional)  
Final Exam Review                    | Exam 3 this week                           |
| 15   | 12/1 - 12/5 | Final Exam date TBA                                                              | 12/5 – Dead Day, no classes                |
| 16   | 12/8 – 12/12| Final exam week                                                                 |                                             |
