THE UNIVERSITY OF TEXAS AT EL PASO  
COLLEGE OF SCIENCE  
DEPARTMENT OF MATH

Course #: M1411 CRN 14048  
Course Title: Calculus I  
Credit Hrs: 4  
Term: Fall 2014

Course Meetings & Location: Online via Blackboard and WebAssign  
Prerequisite Courses: Math 1508 with a grade of at least C or appropriate placement scores.

Instructor: Tuesday J. Johnson  
Office Location: Bell Hall 322  
Contact Info: tuesdayj@math.utep.edu  
http://math.utep.edu/Faculty/tuesdayj  
Main Math Office: 915-747-5761

Office Hours: Available online 10:30 – 12:30 MW, 2:30 – 3:30 TTH

Textbook(s), Materials: Required: Calculus by Larson, 10th Edition (available as e-book and hardcover)  
WebAssign Code – May be purchased with e-book online at http://webassign.net/ . We recommend purchasing one of the Lifetime of Edition option.

Required: Scientific Calculator

Calculus - 10e by Larson and Edwards – Prices may vary

Lifetime of Edition Access to eBook and Homework ------------ BEST VALUE! $110.00

Single-term Access to eBook and Homework ------------ $75.00

Calculus microsite: http://www.cengagebrain.com/micro/1-1EJLEYN
Course Objectives
(Learning Outcomes): Students are expected to have a clear understanding of the ideas of Calculus as a solid foundation for subsequent courses in mathematics and other disciplines as well as for direct application to real life situations.

Course Activities/Assignments: You will find all assignments on http://webassign.net/. Please use Mozilla Firefox, since WebAssign works best with this browser. Unannounced quizzes may be administered in the classroom.

Assessment of Course Objectives: You will have course readings with quizzes as well as homework via WebAssign. There will be 3 exams and one comprehensive final. As our course is offered online, the exams will be taken online as well. Your exams will be offered on specific dates and will have a two hour time limit. Once you log on, the time runs regardless. A Retake Exam, for improvement, will be administered one week after the original exam. The best grade will be recorded.

If a student receives a grade of D or F, they may register for wintermester or take a comprehensive TestOut exam after wintermester. A grade of 70% or better on the comprehensive wintermester exam or TestOut exam will replace a failing course grade with a grade of C. Mr. Julian Viera has my authority to submit a grade change form for my Math 1411 course.

Grading Policy: Your grade will be calculated as follows:
- WebAssign 10%
- Reading Quizzes 15%
- Exam 1 15%
- Exam 2 15%
- Exam 3 15%
- Comprehensive Final 30%

The grading scale for this course is:
- 90 – 100 = A
- 80 – 89 = B
- 70 – 79 = C
- 60 – 69 = D
- 0 – 59 = F.

The Drop Date for this semester is Friday October 31, 2014.
Make-up Policy: You are taking this class online for a reason. You may not be exactly at the same place as each other all the time. However, once the deadline passes for any particular assignment you will have two days as an extension. There will be no extensions past that.

Attendance Policy: Attendance in an online class is an odd thing to consider. Your attendance will be based on your activity on the course readings, Blackboard quizzes over the readings, homework progress on WebAssign, and overall progress in the course. If you fall two weeks behind the schedule we will have a chat. Stay on top of it or work ahead; calculus is not something that is easy to catch up on.

Academic Integrity Policy: Each student is responsible for notice of and compliance with the provisions of the Regents’ Rules and Regulations, which are available for inspection electronically at http://www.utsystem.edu/bor/rules/homepage.htm. All students are expected and required to obey the law, to comply with the Regents’ Rules and Regulations, with System and University rules, with directives issued by an administrative official in the course of his or her authorized duties, and to observe standards of conduct appropriate for the University. A student who enrolls at the University is charged with the obligation to conduct himself/herself in a manner compatible with the University’s function as an educational institution.

Any student who engages in conduct that is prohibited by Regents’ Rules and Regulations, U. T. System or University rules, specific instructions issued by an administrative official or by federal, state, or local laws is subject to discipline, whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct.

Military Statement: If you are a military student with the potential of being called to military service and/or training during the course of the semester, you must contact me as soon as possible before you leave.
Disability Statement: If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at www.utep.edu/CASS. CASS’ Staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities.

Webpage’s for PreCalculus: Visit our website and read the course information thoroughly at http://www.math.utep.edu/classes/calculus/
