

THE UNIVERSITY OF TEXAS AT EL PASO
COLLEGE OF SCIENCE
DEPARTMENT OF MATH

Course #: M1411
Course Title: Calculus I
Credit Hrs: 4
Term: Spring 2016
Course Meetings & Location: Online via WebAssign and Blackboard
Prerequisite Courses: Math 1508 with a grade of at least C or appropriate placement scores.

Instructor: Tuesday J. Johnson
Office Location: Bell Hall 322
Contact Info: tuesdayj@math.utep.edu
<http://math.utep.edu/Faculty/tuesdayj>

Office Hrs: In office: MW 8 – 9, TR 10 – 12
Online: MW 3 – 4 as by appointment

Textbook(s), Materials: Required: Calculus by Larson, 10th Edition (available as e-book and hardcover)
We recommend purchasing one of the Lifetime of Edition option through WebAssign

Required: Basic Scientific Calculator (a calculator without graphing, derivative or integration capabilities)

Course Objectives (Learning Outcomes): Students are expected to have a clear understanding of the ideas of Calculus as a solid foundation for subsequent courses in mathematics and other disciplines as well as for direct application to real life situations.

Course Activities/Assignments: You will find all assignments on <http://webassign.net/> . Please use Mozilla Firefox, , or Google Chrome since WebAssign works best with these browsers. All work, including quizzes and exams, will take place through WebAssign.

Assessment of Course Objectives: You will have course readings with quizzes as well as homework via WebAssign. There will be 3 exams and one comprehensive final. As our course is offered online, the exams will be taken online as well. Your exams will be offered on specific dates and will have a two hour time limit. The password for all exams is: ready. Once you log on, the time runs regardless. A Retake Exam, for improvement, will be administered one week after the original exam. The best grade will be recorded.

Do not register for a retake exam. Your retakes will be offered on the same dates as the rest of campus, but you will complete your retakes online as you do your other exams and homework. The retakes will be available for a 24 hour period on the date specified. They will still have a two hour time limit with password: retake.

If a student receives a grade of D or F, they may register for wintermester or take a comprehensive TestOut exam after wintermester. A grade of 70% or better on the comprehensive wintermester exam or a 70% or better on the TestOut exam will replace a failing course grade with a grade of C. (A grade change form will be signed and submitted by Mr. Julian Viera.)

Grading Policy: Your grade will be calculated as follows:

Assignments	10%
Quizzes	15%
Exam 1	15%
Exam 2	15%
Exam 3	15%
Comprehensive Final	30%

The grading scale for this course is:

90 – 100 = A

80 – 89 = B

70 – 79 = C

60 – 69 = D

0 – 59 = F.

The Drop Date for this semester is Friday April 1, 2016. No drops will be approved after this date.

Make-up Policy: No makeup exams will be allowed except with proper documentation, i.e. doctor's note, hospital's note, or UTEP excused absence document.

Attendance Policy: This is an online course and as such you do not have any strict attendance guidelines. You are expected to work toward completion of the course several times per week; daily is best. There will be no set times that you must be online, but lack of effort can and will get you dropped from the course.

Civility Statement: Please refrain from distractions while engaging in this Calculus class. Shut down YouTube, silence your phone, and walk away from the video games. Give all your focus to learning this material.

Academic Integrity Policy: Each student is responsible for notice of and compliance with the provisions of the Regents' [Rules and Regulations](#), which are available for inspection electronically at <http://www.utsystem.edu/bor/rules/homepage.htm>.

All students are expected and required to obey the law, to comply with the Regents' [Rules and Regulations](#), with System and University rules, with directives issued by an administrative official in the course of his or her authorized duties, and to observe standards of conduct appropriate for the University. A student who enrolls at the University is charged with the obligation to conduct himself/herself in a manner compatible with the University's function as an educational institution.

Any student who engages in conduct that is prohibited by Regents' [Rules and Regulations](#), U. T. System or University rules, specific instructions issued by an administrative official or by federal, state, or local laws is subject to discipline, whether such conduct takes place on or off campus or whether civil or criminal penalties are also imposed for such conduct.

Military Statement: If you are a military student with the potential of being called to military service and /or training during the course of the semester, you must contact me as soon as possible **before** you leave. More importantly, be safe and thank you for your service!

Disability Statement: If you have a disability and need classroom accommodations, please contact The Center for Accommodations and Support Services (CASS) at 747-5148, or by email to cass@utep.edu, or visit their office located in UTEP Union East, Room 106. For additional information, please visit the CASS website at www.utep.edu/CASS. *CASS' Staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities.*

Webpage's for Calculus: Visit our website and read the course information thoroughly at <http://www.math.utep.edu/classes/calculus/>

or find us on facebook for information and News
<http://www.facebook.com/pages/UTEP-PreCalculusCalculus/180583381999326>

Course Schedule: The course schedule will be kept on WebAssign with due dates. A calendar is provided on my website so that you can organize your time better to complete assignments when they are due and be prepared for the exams. Assignments and quizzes are available for limited extensions, with a reduced score, but exams are not eligible for extension.
