Instructor Introduction

Therese Bauer received her BFA in Printmaking and Graphic Design from Michigan State University and her MFA in Drawing and Printmaking from Eastern Michigan University. She has been teaching in the art department at UTEP since 1989. Courses taught include Art Appreciation, Basic Design I and II, Printmaking I, and all levels of Drawing.

Course Description

DRAW 2318 is an advanced level studio drawing class in which students are encouraged to explore drawing as an independent discipline. Students will study the contemporary field of drawing while beginning to develop a personal sense of imagery. As the first class in a sequence of advanced study courses for Drawing majors and minors, focus is placed on studying the relation between form and content along with experimentation of materials and process. It is expected that students taking this course are committed to exploring the possibilities offered by the drawing discipline and are willing to invest the necessary amount of time, work, and attention to fulfill this commitment. **In order to successfully complete the number of drawings due for this course, students will need to devote a minimum of six hours of work per week outside of class in addition to the required six hours of in class studio work.**

Students will complete at least 15 to 20 drawings over the course of the semester to include assigned problems and drawings initiated by the student. Two image identification tests covering a range of images by contemporary and historical artists will also be given along with one writing assignment focusing on contemporary artists who make drawings. Students are encouraged to keep a sketchbook as a tool for image and concept development. Slide lectures will be presented to provide examples, ideas, and influences. Critiques will be held for comparative evaluation and critical feedback regarding in-progress and finished work. Your work and participation are required at each critique. Individual critiques are available during office hours and by appointment.

Course Outcomes

Students who successfully complete this course:

- will have experience and competency in handling various media, including color media.
- will have developed some knowledge of contemporary and historical artists and issues relevant to the drawing discipline.
- will have greater confidence in their ability to plan and commit to an idea.
- will have the ability to critically assess their own and other's work.

Course Requirements

Two portfolios will be reviewed and graded during the semester. The number of drawings required for each portfolio will be determined by the instructor and be based on class schedule and assignments planned for the semester. Handouts will be provided throughout the semester with information regarding assigned work and announcing the number of drawings due for each portfolio. **Students are responsible for keeping me up to date with drawings they are doing outside of class. Portfolios containing work done exclusively outside of class will not be accepted.** The first portfolio will be due about midterm and the second portfolio will be due the last week of classes. Some drawings will have due dates prior to the portfolio due dates.

Individual drawings will not be graded. Your portfolios will be graded on the overall quality and the quantity of work completed, as well as on progress made with content and execution.

Your portfolio grade will be based on:

1. Aesthetic / visual strength of your work: visual interest, drawing skills, compositional decisions, choice and use of materials, etc.
2. Conceptual strength of the work: originality, creativity, and awareness of contemporary art issues.
3. Degree of growth, effort, experimentation, and ambition.
4. Thoroughness of execution to include use of materials, craftsmanship, and presentation.
5. Meeting requirements for assigned problems.
6. Amount of work completed.
7. On time completion of assignments*.
8. Presentation of ideas, sources, and influences through sketchbook work and research.
9. Work ethic in class to include amount of time devoted to drawing, class conduct, and being prepared with materials and ideas. Class time shouldn't be spent doing sketches or research - those are good activities for outside of class time.
10. Critique participation.

***Individual assigned drawings and writing assignments submitted late will not be accepted. Students arriving more than five minutes late to a critique won't be allowed to display their artwork and their portfolios will be assigned a grade of D or F.**

Two image identification tests will be given. Information for each exam will be provided in digital format to study from at least one month prior to the exam date. Tests are graded on the following formula:
A+ 100-97%, A 96.9-93%, A- 92.9-90%, B+ 89.9-87%, B 86.9-83%, B- 82.9-80%, C+ 79.9-77%, C 76.9-73%, C- 72.9-70%, D+ 69.9-67%, D 66.9-63%, D- 62.9-60%, F 59% and below.

One writing assignment will be given the second half of the semester and graded on an A B C D F scale.

Final grade breakdown:

First portfolio 40%
Second portfolio 45%
Writing assignment 5%
Each test is worth 5%

Adjustments to the final grade will be made, if necessary, to reflect the student's attendance record. Plagiarism and / or cheating will result in disciplinary action and may affect your course grade.

Course Policies

It is the responsibility of the student to fulfill all the class requirements to the best of her/his/their abilities. If a student is unclear about anything in the syllabus, s/he/they should seek clarification from the instructor.

Attendance:

Under no circumstances should anyone come to class when feeling ill or exhibiting any of the known COVID-19 symptoms. If you do test positive for COVID-19 and have to quarantine, you should contact me as soon as possible so we can arrange appropriate accommodations regarding your coursework. If a student is unable to make up missed coursework due to COVID-19 illness, a grade of Incomplete may be considered. **Be aware that information missed during an absence is the sole responsibility of the student. It is the student's responsibility to stay current with missed work and assignments, and to stay in contact with the instructor regarding health status, recovery, and anticipated return to class. Use your UTEP email account to stay in contact.**

Attendance Policy:

You are being graded not just on the work submitted in your portfolio, but also on your work ethic in class so your regular attendance is required, and you must be prepared with ideas and materials for each class. Attendance will be taken every class day at the beginning of class. **If you miss a class, it's your responsibility to find out what we did that day. Please check in with me as soon as possible after your absence for information on the class day missed.**

- After three absences, your final course grade will be lowered one letter grade per additional absence.

Ex: A final grade of "A" becomes a "B" with 4 absences, a "C" with 5 absences, a "D" with 6 absences.

Absences may be excused with proper notification for documented serious illness, child-care emergencies, death in the immediate family, or university sanctioned events. **Scheduled appointments, transportation problems, and job demands are not excused absences.**

- Arriving to class late or leaving early counts as 1/2 an absence. Arriving any time past the designated start time of class is counted as late; leaving any time before the designated ending class of time is counted as leaving early.

- Coming to class without the necessary materials to work with will count as one absence.

Each student needs to have his/her own set of materials; borrowing from other students is not acceptable.

- Students with excessive absences not due to COVID-19 illness and/or problems with arriving to class on time should consider dropping this course and retaking it at a time when the student can commit the proper attention to the course. Students whose attendance and work are considered below average may be withdrawn from the class by the instructor.

- No extra credit is available to offset attendance problems.

Make-up tests will only be given in the event of a documented serious illness or injury that prevents the student from attending on test day. The make-up exam will be given no more than two class sessions after the original date of the exam provided the student has notified the instructor in advance, and the student has a valid excuse for missing the regularly scheduled exam.

Additional Course Policies:

-No food is allowed in the drawing studio.

- One 15-minute break per class session. You may not use your break to arrive late or leave early.

- Don't use your cell phone to call or text during class; no social media, no playing/watching videos, movies, etc.

-You may listen to music with headphones as long as volume is kept down so music isn't audible to the rest of the class.

- Help keep the drawing studio clean by cleaning up after yourself at the end of each class session.

Incompletes, Withdrawals, Pass/Fail:

Students hold the full responsibility for withdrawing from this course if that procedure is elected. Withdrawals must be completed on or before the course drop deadline to drop a course with a W. Students missing this deadline will be issued a grade for their performance in the course. Incompletes or "I" grades will be considered for students completing satisfactory or better work and having serious legitimate situations beyond their control requiring additional time to complete the course requirements. All "I" grades are at the discretion of the instructor and the approval of the Department chair.

Materials and Personal Equipment

Please plan on bringing a wide range of materials to class such as scissors, a ruler, an X-Acto knife and new blades, spray adhesive, glue stick, masking tape, erasers, etc. to minimize sharing. It's recommended to have a sketchbook and bring it with you to every class. You should also have a portfolio or sturdy cardboard tube large enough to keep your drawings/paper from getting damaged. In most cases the choice of drawing materials and surfaces will be determined by the student, although some assigned drawings may require specific materials.

Drawings done on basic drawing pad sheets or on newsprint are not acceptable for finished work and use of them will affect your portfolio grade. You will need a variety of both black and white and color drawing materials along with an assortment of papers with which to experiment (some materials and papers will be provided). Appropriate materials must be brought to each class session. Supplies may be purchased at Art Center, Hobby Lobby, Michaels, and at online sources such as Dick Blick (not recommended for paper), Utrecht Art Supplies, and Jerry's Artarama. Additional online paper sources include acuitypapers.com, hiromipaper.com, legionpaper.com, takachpaper.com, and washiarts.com.
