All assignments may be written in Spanish or English

In class exercises and participation will include a professional development component, i.e. how does one present an argument? How to make a “good” power point. What are valid sources for an academic paper and how do you cite for direct quotes and paraphrases. These are universal skills that will be expected of each student.
**All the assignments** will be upload on blackboard.

**Debates** – Every class period there will be a reading comprehension exercise in the form of a debate.

**The Mid-Term** - It will also cover your knowledge of concepts that we discuss in class.

**Final Ethnographic Reflection:** The final paper will require you to critique the different social problems of Puerto Rico, Dominican Republic and Cuba (social, economic, political). You will also be required to provide your own interpretation and solutions. I expect you to write a critical account of the different perspectives advanced by the authors we have read and discuss in class.

**It will be ten to fifteen pages, APA Format, 1.5 space, 12-point Times New Roman font with standard margins and include ACADEMIC references.**

**Classroom Ethics:**

In addition to University of Texas El Paso guidelines, the class requires a level of maturity and sensitivity beyond what is normally expected. Critical dialogue and debate are essential for us to develop a complex understanding that acknowledges all perspectives. All classmates must be shown the utmost respect. I encourage any student that feels they have been disrespected, or if they are simply having problems with the subject matter, to please see me at once.

**Student responsibilities and obligations:**

Regular class attendance is expected of all university students. Attendance is excused, however, on religious holidays for students affiliated with that religion.

Reasonable behavior is also expected of all students. “Reasonable behavior” includes:

- **No cell phone use.** Please turn them off before you enter class.
- **No email or internet use in class.**
- **No talking** over the instructor or other classroom activity.
- **No reading** other materials during class.
- **Being polite and civil** in the classroom.

If you fail to abide by such basic behavioral guidelines you may be asked to leave the classroom. Students found using their cell phones or laptops for nonacademic purposes will have a private meeting with a member of the teaching team. Students who commit a second violation will have their participation grade reduced.

**Academic Honesty Statement**

The course will follow the University of Texas at El Paso’s policies on academic honesty. These policies can be found at [http://studentaffairs.utep.edu/Default.aspx?tabid=4386](http://studentaffairs.utep.edu/Default.aspx?tabid=4386)

Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve copying from or providing information to another student, possessing unauthorized materials during a test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally or knowingly represents the words or ideas of another person’s as ones’ own. And, collusion involves collaborating with another person to commit any academically dishonest act. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated. Violations will be taken seriously and will be referred to the Dean of Students Office for possible disciplinary action. Students may be suspended or expelled from UTEP for such actions.
Academic dishonesty is an assault upon the basic integrity and meaning of a University. Cheating, plagiarism, and collusion in dishonest activities are serious acts which erode the University's educational and research roles and cheapen the learning experience not only for the perpetrators, but also for the entire community. It is expected that UTEP students will understand and subscribe to the ideal of academic integrity and that they will be willing to bear individual responsibility for their work. Materials (written or otherwise) submitted to fulfill academic requirements must represent a student's own efforts. Any act of academic dishonesty attempted by a UTEP student is unacceptable and will not be tolerated.

EVERYTHING YOU HAND IN WILL BE RUN THROUGH PLAGIARISM SOFTWARE WHICH TELLS ME EXACTLY WHAT PERCENTAGE OF YOUR PAPER IS NOT ORIGINAL. I will be forced to take action against anyone who fails to cite sources adequately.

All material submitted must be the student’s own work. Ideas and expressions cited from the work of others must be credited appropriately. Avoid plagiarism by giving credit where credit is due, using quotation marks when using words directly from another source, and preferably putting things in your own words. I prefer your own phrasing, even if it is imperfect, to a beautifully phrased statement that is borrowed from some other source. Violations will be referred to the Dean of Students Office for possible disciplinary action. Students may be suspended or expelled from UTEP for such actions.

**Academic Assistance and Disability Statement**

In Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, if a student needs an accommodation then the Center for Accommodations and Support Services located at UTEP need to be contacted. If you have a condition that may affect your ability to perform successfully in this course, you are encouraged to discuss this in confidence with the instructor and/or the director of the Center for Accommodations and Support Services. You may call (915) 747-5148 for general information about the American with Disabilities Act (ADA) and the rights that you have as a UTEP student with a disability. You also can visit the CASS website at http://sa.utep.edu/cass/ or the CASS office in Room 106 East Union Building. Individuals with disabilities have the right to equal access and opportunity. It is the student's responsibility to contact the instructor and the Center for Accommodations and Support Services at The University of Texas at El Paso.
