Course Description

University (UNIV) 1301 is a course that provides a common first-year experience, wherein students employ their agency to develop strategies for academic, career, and lifelong success. This course will help students build a foundational network of support to increase their sense of belonging and commitment to the University. UNIV 1301 will prepare students for internships, employment, undergraduate research, and community-engaged learning experiences. Students will engage in enriching experiences to understand and develop their personal strengths, enabling them to succeed in college and beyond.

Learning Outcomes

- ✓ Students will increase their sense of agency by exploring, reflecting on, and documenting their entering student experience to clarify academic and professional aspirations
- ✓ Students will participate in and reflect upon campus and community experiences to expand and deepen their sense of belonging at UTEP and in the local community
- ✓ Students will engage as members of an academic community by developing reading, writing, and critical thinking skills transferable to their professional and life goals
- ✓ Students will participate in meaningful hands-on learning and enriching experiences to identify, assess, and strengthen their professional and leadership skills
- ✓ Students will experience an environment of trust by developing a network of faculty, staff, peers, and community members to establish a strong foundation of academic and professional support

- ✓ Students will demonstrate comprehension of a variety of written texts and other information sources by analyzing and evaluating the logic, validity, and relevance of information to solve challenging problems, to arrive at well-reasoned conclusions, and/or to develop and explore new questions.

The UTEP Edge

The UTEP Edge is our philosophy that acknowledges the many assets our students bring to the University. We provide a variety of high-impact experiences both in and out of the classroom through work of our faculty, staff, alumni, and community partners that build on these assets and talents. Many of the assignments and discussions in this class will further develop the talents you bring to this class such as developing your communication skills, teamwork, critical thinking, and problem solving.

UTEP Edge Learning Outcomes

1. Confidence

Advantage: Be self-assured through appreciating your own talents, abilities, skills, and qualities.

Learning Outcome: Students will articulate gains in self-confidence by identifying, evaluating, and building their talents, abilities, strengths, and skills.

2. Teamwork

Advantage: Participate as an effective, efficient member of a group to meet a common goal.

Learning Outcome: Students will collaborate effectively with individuals and groups to accomplish a common goal while demonstrating respect and value for a diversity of perspectives.

CORE Learning Outcomes

1. Communication

Advantage: Reach mutual understanding through effective exchange of information, ideas, and feelings.

Learning Outcome: Students will demonstrate effective communication strategies appropriate to purpose, genre, context, and audience.

2. Critical Thinking

Advantage: Act ethically and responsibly for the benefit of society and the public good.

Learning Outcome: Students will demonstrate their ability to act ethically and responsibly for the benefit of society by articulating an awareness of social problems, exercising ethical leadership practices, engaging in civic, political, or community activities and/or advocating for social justice.

Required Texts

We will be reading two texts in this course. They are:

1. [The Five Pillars: Success in College and Beyond](#) (This is a free digital textbook; click the link to open)
2. *This I Believe: The Personal Philosophies of Remarkable Men and Women* by Jay Allison. You can purchase this book at the [UTEP Bookstore](#) OR contact your instructor for information about purchasing the e-book.

Assignments and Grades

Grades in this class are determined as follow:

Assignment Category	Points Value
Attendance	100 (10%)
Common Read	100(10%)
Digital Story	200 (20%)
Participation	600 (60%)
Total Points Possible:	1,000 points

Total Points Earned	Final Grade
1,000-900	A
899-800	B
799-700	C
699-600	D
599-0	F

Common Read: The Common Read consists of the UNIV Digital Text, [The Five Pillars: Success in College and Beyond](#) and *This I Believe: The Personal Philosophies of Remarkable Men and Women* by Jay Allison. The Digital Text should be used as a supplement to course content. Although reading the full Digital text is not required, it is strongly encouraged to review main ideas and skim read so that you are better prepared to understand class content.

There are five required stories from Allison’s text, one for each course pillar. Three of the readings will be done and discussed in class. The readings for Academic Success and Professional Preparation will be done on your own and will require a Discussion submission on Blackboard. In addition to the five required stories for each pillar, you will be expected to read 3 additional stories and submit an assignment for each including reflections, creative projects and a presentation. The Reading Presentation will be worth a total of 40 points, and the remaining reading submissions will be worth 60 for a total of 100 points.

Digital Story: Throughout the semester, you will participate in various course, campus, and community activities that will help shape your entering student experience at UTEP. You will document these experiences along with your take on *This I Believe* in an e-book. The digital story is worth 200 points. 50 of these points will come from regular check in’s throughout the semester meant to assess progress towards completion. You will present your Digital story at the end of the semester, this presentation will be worth 50 points and your final product will be worth 100.

Participation: Participation is by far the largest part of your grade. It is expected that students will come to class prepared and ready to engage. Participation includes active listening, providing feedback, completing assignments to the fullest extent possible in class, and completing homework and preparatory assignments for the upcoming class period.

Most assignments in this course are graded pass/fail. To earn a “pass,” your assignment must 1) be completed in full and 2) **meet minimum standards for college-level work.** If you have any questions about the graded feedback you receive from your instructor or peer leader, email your instructor to set up an appointment to discuss your concerns.

Fall 2022 Important Dates

Classes Begin	Aug 22
Labor Day (UTEP Closed)	Sept 5
Census Day	Sept 19
Mid-Term Grades Available	Oct 22
Course Drop Deadline	Oct 28
Thanksgiving (UTEP Closed)	Nov 24-25
Dead Day (No Classes)	Dec 2
Final Exams	Dec 5-9
Final Grades Available	Dec 15

Course Management System

Blackboard Ultra is the online course management system we will use throughout the semester. You can access Blackboard through my.utep.edu. In Blackboard, you can view the syllabus, course calendar, and other supplemental materials related to the course. You must check Blackboard daily for course announcements, assignments, and updates.

The Blackboard app is great for course announcements, emails, and discussions. However, a desktop or laptop computer is recommended for downloading and/or reading course materials, uploading documents or submitting assignments. Call the Help Desk, 747-5257, if you need help with access. Should Blackboard go down for maintenance or other interruptions, email your instructor for assistance.

Required Technology

Students in this class must be able to regularly access to the following:

- ✓ **A computer with internet access.** This course cannot be completed without access to a computer and the Internet. Inability to complete an assignment due to the limitations of the Blackboard app on phones or tablets is not an acceptable reason to miss an assignment or to not follow deadlines or directions.
- ✓ **A web browser** that supports Blackboard, YouTube, TED Talks, Yuja, Kanopy, and other forms of media as needed throughout the course.
- ✓ **Microsoft Office365.** Assignments must be submitted as a Word document (doc or docx) or PDF. Attachments in any other format will not be graded. You can download a free copy of Microsoft Office [here](#).

Course Policies

Absence Policy: This is a discussion/workshop class, not a lecture class. You are expected to attend each class period and to participate in discussions, group projects, and in-class activities. You are allowed a total of four class absences. Unless arrangements are made with your instructor, you will be dropped on the 5th class absences.

Late Work: You may submit most assignments up to two calendar days (48 hours) late for partial credit. 10% of the possible value of the assignment will be deducted for each day that an assignment is submitted late. If you need more than 48 hours after a deadline to submit an assignment, please let your instructor know. Any assignments completed in class that are missed due to absence are not eligible for late submission.

Course Drop/Withdrawal: You may be dropped from this course if you exceed the required amount of absences and/or fail to keep current with assignments unless arrangements are made with your instructor.

COVID-19: Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let your professors know as soon as possible so we can provide appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area and is frequently offered on campus. For more information about the current COVID-19 rates, testing, and vaccinations, please visit epstrong.org.

Communication and Behavior: Students are expected to treat each other with respect inside and outside of class, including in the digital classroom. Due to the nature of the class, the discussion topics and the texts to be used, students should feel safe in sharing their experiences, perspectives and beliefs. Although it is not necessary that all students are in agreement, it is necessary to learn to respect different points of view. Students are expected to be vulnerable in some discussions and activities, and it is expected that the rest of the class maintain the confidentiality of what their classmates choose to share. Any incidents regarding bad behavior/ conduct in class, are grounds for removal from the course.

Syllabus Change: Except for changes that substantially affect the grading statement, this syllabus is a guide for the course and is subject to change. Any changes to the syllabus will be announced in class and/or on Blackboard. It is your responsibility to stay updated.

University Policies

Accommodations: The Americans with Disabilities Act requires that reasonable accommodations be provided for students with disabilities. Please contact CASS at 747-5148, Union East 106, or cass@utep.edu.

Academic Integrity: Scholastic dishonesty is **never** tolerated by UTEP or by the Entering Student Experience. All suspected cases are reported to the Office of Student Conduct and Conflict Resolution (OSCCR) for review. For more info, click [here](#).

Copyright and Fair Use: The university requires all members of its community to follow copyright and fair use requirements. Students are individually and solely responsible for violations of copyright and fair use

laws. The university will neither protect nor defend students nor assume any responsibility for student violations. Violations of copyright laws could subject students to federal and state civil penalties and criminal liability as well as disciplinary action under university policies.

Student Conduct: [From the Handbook of Operating Procedures: [Student Conduct and Discipline](#)]. Each student is responsible for notice of and compliance with the provisions of the Regents' *Rules and Regulations*, which are available [here](#).

Final Exam Policy: Exemption from final examination may not be given. Final examinations are scheduled to be two hours, forty-five minutes in length and take place during the final examination period. It is the policy of the university not to administer a second final examination in the course. It is also university policy that students shall not have more than two final examinations in a single day. In the unlikely event that the examination schedule results in a student having three final examinations on a single day, the faculty member upon the request of the student shall reschedule the second of that student's three examinations.
