

**THE UNIVERSITY OF TEXAS AT EL PASO
COLLEGE OF SCIENCE
DEPARTMENT OF BIOLOGICAL SCIENCES**

Biology 2313 (CRN 15931)

Fall 2022

HUMAN ANATOMY & PHYSIOLOGY II

Course Outline

INSTRUCTOR: Dr. Zaineb Al-Dahwi

Office: Biology 104

Office Hours: Mondays and Wednesdays: 11:30 am - 12:30 pm, or by appointment

Phone: 747-8762

E-mail Address: zaineb@utep.edu

COURSE PERIOD: Monday August 22nd, 2022 - Thursday December 1st, 2022

COURSE MEETINGS AND LOCATION: Mondays, and Wednesdays: 1:30 – 2:50 pm in the Undergraduate Learning Center Building, room # 116

PREREQUISITE COURSES: Biology 1305 and Biology 1107

REQUIRED TEXTBOOK: **Human Anatomy and Physiology** by Elaine N. Marieb, and Katja Hoehn, Eleventh Edition. Pearson Benjamin Cummings, San Francisco, CA.

GRADING POLICY: The **Final Class (= Lecture Section) Grade** will be determined from the average of **three class (= lecture)** exams, and the **final lecture exam** grades. There will be a total of five exams given during the semester. **One** (= the lowest exam score) **grade, (excluding the final exam grade)**, will be dropped in calculating the **final class grade**. All exams (**including the Final Exam**) will count equally (= same percentage). Each exam will comprise 25% of the final class (= lecture) grade.

The **Final Course Grade** will be assigned based on the following grading scale:

A = 90% – 100%

B = 80% – 89%

C = 70% – 79%

D = 60% – 69%

F = 0 – 59%

FINAL EXAM: The final exam will **not** be a comprehensive exam. **All students are required to take the final exam.** The Final exam will **NOT** be given prior to the scheduled time. **NO** make-up will be given for the final exam. The final exam grade will **NOT** be dropped in calculating the **final class average**.

EXAMS FORMAT AND MATERIAL: All class exams will consist primarily of multiple choice and true-false questions. Material of the exams will be assigned before each exam. Exams will include material from the textbook and lecture notes.

GUIDELINES FOR EXAMS: All exams will be given **IN-CLASS** through Blackboard during the scheduled class time. Each student will need to sign an “**Exam End Time**” sheet as soon as he/she finishes the exam (**before leaving the classroom**). If the time on Blackboard will be different than the time on the sheet, the grade on Blackboard will be removed. This means that the grade of the exam will be zero. There will be **ONE** attempt for each exam. Each student should provide his/her own laptop for the exams

Technical Difficulty: If a student would encounter technical difficulty during the exam, an arrangement will be made for **the student to take a different exam (on the SAME MATERIAL) on a later date.**

COVID-19-positive students: Students who are COVID-19-positive **should provide documents indicating that they were tested to be positive, or provide a notification through the UTEP Environmental Health & Safety (EH&S) Department, or a letter from the Dean of Students Office at UTEP.** Special arrangements will be made for these students to take the exams.

Respondus Lock Down Browser may be used in the exams. If respondus lock down browser would be used, a notification will be provided prior to the date of the exam.

MAKE UP POLICY: **No Make-Up exams will be given to any exam during the semester or to the final exam.** If an exam is missed (**EXCLUDING** the final exam), the grade of the missed exam will be considered the lowest and will be the exam grade that will be dropped in calculating the final class average.
NOTE: **None of the 5 exams during the semester will be given prior to the scheduled time**

ATTENDANCE POLICY: Attendance of class is mandatory. Absences must be communicated at least 24 hours in advance. In case of an emergency situation, please contact me by e-mail and/or phone at the earliest convenience.

DROP POLICY: The last day to withdraw with an automatic “W” is **Friday, October 28th, 2022.** **NOTE:** Faculty-initiated drops will **NOT** be processed after October 28th, 2022.

ASSESSMENT OF COURSE OBJECTIVES: Completion of this course enables the student to become very well acquainted with the details of the blood, cardiovascular system, lymphatic system, immune system, respiratory system, digestive system, urinary system and their interactions

ACADEMIC INTEGRITY: It is the policy of the University of Texas at El Paso that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form. All students involved in academic dishonesty will be disciplined in accordance with the University regulations and procedures. For further information, please refer to UTEP's Handbook of Operating Procedures, Chapter 1: Student Conduct and Discipline at <http://admin.utep.edu/Default.aspx?PageContentID=2084&tabid=30292>. Also, please see Plagiarism and Scholastic Integrity webpage, at UTEP's Library: <http://libraryweb.utep.edu/research/plagiarism.php>.

CIVILITY STATEMENT: Students are encouraged to actively participate in all course activities. However, during lectures and labs, use of cell phones, talking, texting, and other disruptive activities are **unacceptable**. All cell phones must be placed in silent mode. Laptops, iPads, smart phones etc. are allowed in class only as a resource for class material. These devices **cannot** be used for any activity other than those related to the class session. Taking pictures by any means in the class is strictly forbidden.

ACCOMMODATIONS AND SUPPORT SERVICES: If a student has or suspects he/she has a disability and needs classroom accommodations, he/she should contact the Center for Accommodations and Support Services (CASS) at 747-5148, or by e-mail to cass@utep.edu, or visit their office located at the UTEP Union East, Room 106. For additional information, please visit the CASS website at www.utep.edu/CASS. *CASS staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities.* Students registered with CASS are responsible for **presenting** any CASS accommodation letters and instructions to me by **Monday September 12th, 2022.**

MILITARY STATEMENT: If you are a military student with the potential of being called to military service and/or training during the course of the semester, you are encouraged to contact me as soon as possible.

COVID-19 PRECAUTION STATEMENT:

Please stay home if you have been diagnosed with COVID-19 or are experiencing COVID-19 symptoms. If you are feeling unwell, please let me know as soon as possible, so that we can work on appropriate accommodations. If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with communication with your professors. The Student Health Center is equipped to provide COVID-19 testing.

The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way that Miners can take care of Miners is to get the vaccine. If you still need the vaccine, it is widely available in the El Paso area. For more information about the current rates, testing, and vaccinations, please visit epstrong.org.

HUMAN ANATOMY & PHYSIOLOGY II**Course Syllabus**

<u>Date</u>	<u>Topic</u>
August 22	Introduction and Course Information
August 24	Blood: Composition & Functions
August 29	Blood: Composition & Functions
August 31	Blood: Hemostasis & Coagulation
September 5	Labor Day (No Classes)
September 7	Blood Types and Transfusion
September 12	Heart Anatomy
September 14	Heart Anatomy
September 19	*EXAM 1
September 21	Heart Physiology
September 26	Heart Physiology
September 28	Cardiac Output
October 3	Cardiac Output
October 5	Overview of Blood Vessel Structure and Function
October 10	*EXAM 2
October 12	Physiology of Circulation
October 17	Physiology of Circulation and Circulatory Shock
October 19	Blood Velocity and Capillary Dynamics
October 24	Lymphatic System
October 26	Lymphatic System, and Inflammation
October 31	Regulation of Body Temperature, and Fever
November 2	*EXAM 3
November 7	Functional Anatomy of the Respiratory System
November 9	Mechanics of Breathing, and Gas Exchanges between the Blood, Lungs, and Tissues

November 14	Transport of the Respiratory Gases by Blood, and Control of Respiration
November 16	Anatomy of the Urinary System
November 21	*EXAM 4
November 23	Anatomy of the Urinary System
November 28	Physiology of the Urinary System
November 30	Physiology of the Urinary System

*** THE ABOVE ARE TENTATIVE EXAM DATES: Subject to Change according to the progress of the material and benefit to the Students**

Final Exam: Wednesday December 7th, 2022, from 4:00pm to 6:45pm.
