THE UNIVERSITY OF TEXAS AT EL PASO
COLLEGE OF SCIENCE
DEPARTMENT OF BIOLOGICAL SCIENCES

Biology 2313 (CRN 13128) Fall 2023

HUMAN ANATOMY & PHYSIOLOGY II

Course Outline

INSTRUCTOR: Dr. Zaineb Al-Dahwi
Office: Biology 104
Office Hours: Tuesdays and Thursdays: 1:30 pm - 2:30 pm, or by appointment
Phone: (915) 747-8762
E-mail Address: zaineb@utep.edu

COURSE PERIOD: Monday August 28th, 2023 - Thursday December 7th, 2023

COURSE MEETINGS AND LOCATION: Tuesdays, and Thursdays: 10:30 – 11:50 am in the Undergraduate Learning Center Building, room # 128

PREREQUISITE COURSES: Biology 1305 and Biology 1107

GRADING POLICY: There will be a total of five exams given during the semester. The Final Class (= Lecture Section) Grade will be determined from the average of three class (= lecture) exams, and the final lecture exam grades. One (= the lowest exam score) grade, (excluding the final exam grade), will be dropped in calculating the final class grade. All exams (including the Final Exam) will count equally (= same percentage). Each exam will comprise 25% of the final class (= lecture) grade. The Final Course Grade will be assigned based on the following grading scale:
A = 90% – 100%
B = 80% – 89%
C = 70% – 79%
D = 60% – 69%
F = 0 – 59%

EXAMS FORMAT AND MATERIAL: All class exams will consist primarily of multiple choice and true-false questions. Material of the exams will be assigned before each exam. Exams will include material from the textbook and lecture notes.

GUIDELINES FOR EXAMS: Three of the exams will be given as TAKE-HOME exams. The other two exams will be IN-CLASS exams. There will be TWO attempts
for all exams. The higher score of the two attempts will count as the grade of the exam. All exams will be given through Blackboard. Each student should provide his/her own laptop for the exams.

In the In-Class exams, each student will need to sign an “Exam End Time” sheet as soon as he/she finishes the exam (before leaving the classroom). If the time on Blackboard will be different than the time on the sheet, the grade on Blackboard will be removed. This means that the grade of the exam will be zero.

Respondus Lock Down Browser may be used in the exams. If respondus lock down browser would be used, a notification will be provided prior to the date of the exam.

**Technical Difficulty:** If a student would encounter technical difficulty during the exam, an arrangement will be made for the student to take a different exam (on the SAME MATERIAL) on a later date.

**COVID-19-positive students:** Students who are COVID-19-positive should provide documents indicating that they were tested to be positive, or provide a notification through the UTEP Environmental Health & Safety (EH&S) Department, or a letter from the Dean of Students Office at UTEP. Special arrangements will be made for these students to take the exams.

**Note:** None of the 5 exams during the semester will be given prior to the scheduled time.

**FINAL EXAM:** The final exam will not be a comprehensive exam. All students are required to take the final exam. The Final exam will NOT be given prior to the scheduled time. NO make-up will be given for the final exam. **Note:** If the final exam is missed, the student will be assigned a failing grade (= F) for the final exam. The final exam grade will NOT be dropped in calculating the final class average.

**MAKE UP POLICY:** No Make-Up exams will be given to any exam during the semester or to the final exam. If an exam is missed (EXCLUDING the final exam), the grade of the missed exam will be considered as the lowest exam grade and will be dropped in calculating the final class average.

**ATTENDANCE POLICY:** Attendance of class is mandatory. Absences must be communicated at least 24 hours in advance. In case of an emergency situation, please contact me by e-mail and/or phone at the earliest convenience.

**DROP POLICY:** The last day to withdraw with an automatic “W” is Friday, November 3rd, 2023. **Note:** Faculty-initiated drops will NOT be processed after November 3rd, 2023.

**ASSESSMENT OF COURSE OBJECTIVES:** Completion of this course enables the student to become very well acquainted with the details of the blood, cardiovascular system, lymphatic system, immune system, respiratory system, digestive system, urinary system and their interactions.
ACADEMIC INTEGRITY: It is the policy of the University of Texas at El Paso that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form. All students involved in academic dishonesty will be disciplined in accordance with the University regulations and procedures. For further information, please refer to UTEP’s Handbook of Operating Procedures, Chapter 1: Student Conduct and Discipline at http://admin.utep.edu/Default.aspx?PageContentID=2084&tabid=30292. Also, please see Plagiarism and Scholastic Integrity webpage, at UTEP’s Library: http://libraryweb.utep.edu/research/plagiarism.php.

CIVILITY STATEMENT: Students are encouraged to actively participate in all course activities. However, during lectures and labs, use of cell phones, talking, texting, and other disruptive activities are unacceptable. All cell phones must be placed in silent mode. Laptops, iPads, smart phones etc. are allowed in class only as a resource for class material. These devices cannot be used for any activity other than those related to the class session. Taking pictures by any means in the class is strictly forbidden.

ACCOMMODATIONS AND SUPPORT SERVICES: If a student has or suspects he/she has a disability and needs classroom accommodations, he/she should contact the Center for Accommodations and Support Services (CASS) at 747-5148, or by e-mail to cass@utep.edu, or visit their office located at the UTEP Union East, Room 106. For additional information, please visit the CASS website at www.utep.edu/CASS, CASS staff are the only individuals who can validate and if need be, authorize accommodations for students with disabilities. Students registered with CASS are responsible for discussing the CASS accommodation letters and instructions with me.

MILITARY STATEMENT: If you are a military student with the potential of being called to military service and/or training during the course of the semester, you are encouraged to contact me as soon as possible.

COVID-19 PRECAUTION STATEMENT:
If you have tested positive for COVID-19, you are encouraged to report your results to covidaction@utep.edu, so that the Dean of Students Office can provide help by communication with your professors. The Center for Disease Control and Prevention recommends that people in areas of substantial or high COVID-19 transmission wear face masks when indoors in groups of people. If you still need the vaccine, it is widely available in the El Paso area.
