Academic dishonesty is prohibited and is considered a violation of the UTEP Handbook of Operating Procedures. It includes, but is not limited to, cheating, plagiarism, and collusion. Cheating may involve...
copying from or providing information to another student, possessing unauthorized materials during a
test, or falsifying research data on laboratory reports. Plagiarism occurs when someone intentionally
or knowingly represents the words or ideas of another as ones’ own. Collusion involves collaborating
with another person to commit any academically dishonest act. Any act of academic dishonesty
attempted by a UTEP student is unacceptable and will not be tolerated. All suspected violations of
academic integrity at The University of Texas at El Paso must be reported to the Office of Student
Conduct and Conflict Resolution (OSCCR) for possible disciplinary action. To learn more HOOP:

UTEPI COVID STATEMENT

If you have tested positive for COVID-19, you are encouraged to report your results to
covidaction@utep.edu, so that the Dean of Students Office can provide you with support and help with
communication with your professors. It is important to follow all instructions that you receive as part of the
diagnosis, including isolation and staying at home until a negative test is produced.

If you experience COVID-19 symptoms, please follow the isolation protocol by staying at home and getting
tested as soon as possible. If the test is negative but you are still seeking accommodations, please contact
the Dean of Students Office for guidance in a timely manner. Your instructor will work with the Dean of

We strongly encourage you to think and act proactively in all matters related to COVID-19 and your
academic endeavors. The Center for Disease Control and Prevention recommends that people in areas of
substantial or high COVID-19 transmission wear face masks when indoors in groups of people. The best way
that Miners can take care of miners is to get the vaccine. If you still need the vaccine, it is widely available in
the El Paso area, and will be available at no charge on campus during the first week of classes. For more
information about the current rates, testing, and vaccinations, please visit epstrong.org.
